Let's Drive Together

From the Driver's Seat

Jerry Widner, President

The United States turns 246 years of age by the time you are reading this. Happy July 4th everyone...trust you will all enjoy your time with family and friends – perhaps a Porsche or two will be involved as well. Many great things happening around the Region as the comfort levels of being out and participating “in person” are increasing.

As hopefully all will recall, Your Carolinas Region made our own history back on Memorial Day by being the first ever Region Hosting a PCA Sim Racing event. I am extremely proud to announce that we were able to raise \$17,366 in donations for Operation Motorsport.

We do not have all specifics as to the exact origination of these donations, but I can certainly say that the generosity of giving was displayed by all Porsche Club of America Members for this event. My hat's off to you that gave to the cause. We far exceeded anyone and everyone's expectations.

My ears are still ringing with the sounds of Porsches at VIRginia International Raceway as just this past weekend (Father's Day Weekend) I was able to spend time at the PCA Club Race held in the “Lover's State”. I meet with the PCA staff there in discussions about the Carolinas Region getting back on the schedule in 2022 with our very own Club Race. Your Carolinas Region Board of Directors are working to make this a reality so stand-by...more to follow.

I also stopped in to meet with some of our very own Club Racers; Marvin Jennings, Wayne Capwell and Reg Williams. I wasn't able to meet with all 14 of our Carolinas Region racers as many are going out on track while others are coming back in. It is very busy in the paddock with many moving parts and quite hectic at times.

Just know that we were represented very well.

Out of 32 total classes, spread out among 4 different Sprints; ...we were able to occupy 9 podium spots (that's placed 1st, 2nd or 3rd)! Of particular note: drivers Paul Bacon, Christian Brown, David Herrington and Reg Williams all won their respective Classes. Reg also Won his overall Sprint – Don't Panic – 008 – Great Job!

I know we have many passionate Porsche owners throughout the Carolinas Region. Email me at president@carolinas-pca.com with your Porsche Passion Story! I want to hear how and when YOU first had your eye caught by a Porsche. What was Your dream car? What did you do about it? What have you had the privilege of owning? I'm always looking for the next “President's Project Page” story. Share yours with me, and perhaps we'll get you published in the next edition of Tobacco Roads. I look forward to seeing Our Regions Porsche Passion and what projects are going on out there.

A few HOT items to make mention here:

-18 July 2021 – Autocross #2 - Greensboro, NC (Coliseum Parking Lot) from 8:00 AM to 4:00 PM we will be holding our second Autocross of the season. We want to have a full house for this one!!! Come on out! Register on clubregistration.net

-24-26 September 2021 – 60th Anniversary Celebration - Carolinas Region celebrates at The Grandover Resort in Greensboro, NC. This is NOT a weekend to miss. This is a world-class celebration for a world-class organization. We have some fantastic “Door Prizes”; Michelin Tires, Continental Tires, Porsche Experience Center Atlanta trips...and MANY more. Registration ENDS August 1st - Please see the advertisement in this edition for more details.

-5-7 November 2021 – Fall Tour 2021 – Young Harris, GA at The Ridges Resort on Lake Chatuge. This is always a wonderful event to attend. Great drive from Porsche of Hickory, Great location once you arrive...and Great company while you are there! Books up quickly – see advertisement in this issue of Tobacco Roads.

Leadership Position Vacancies throughout the Region:

Advertising Chair – this position is STILL vacant, currently our Treasurer, Sadie has been handling these duties. Thank You Sadie!! We need to have a member step up to fill this vacant position. If you are interested please email our Vice Presi-

(above) Reg and the “Don't Panic” Family!

dent, Jim Hess, he will be glad to speak with you about this opportunity.

Membership Chair – I take great pleasure in reporting that Barry Brown has stepped up to become our new Membership Chair. Look forward to working with you Barry!

I ask that you look through the pages here and find AT LEAST ONE event to attend. We have the BEST roads around...the BEST people around...the BEST FAMILY around. Happy Birthday USA!

Here to serve You...and remember; Get Out And Drive!!!

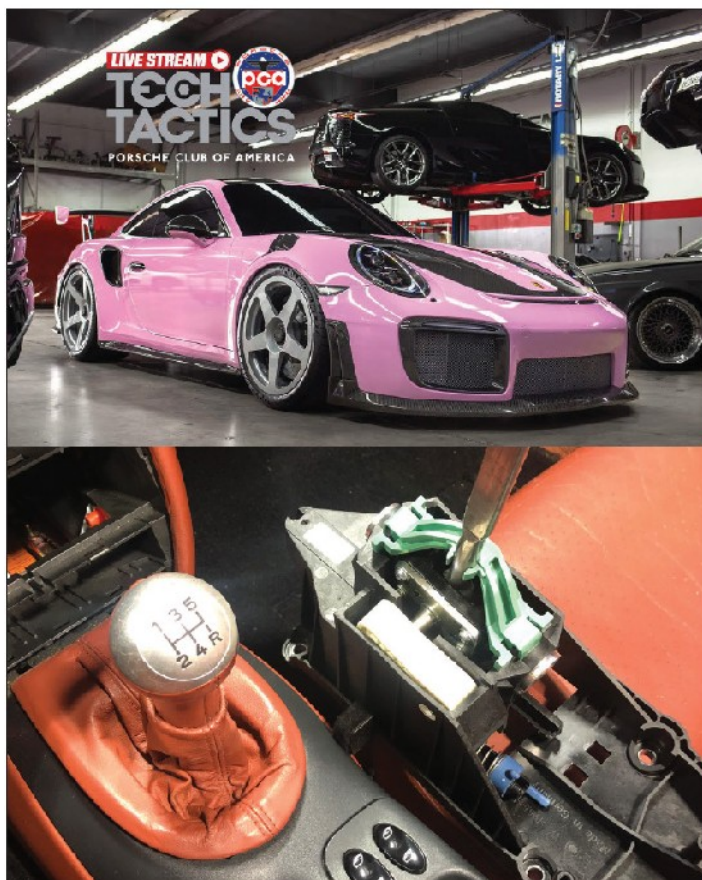

Jerry Widner sends...
Carolinas Region, President
Semper Fi!

Area Updates:

July, 2021 (check website for event updates)

Triad Area By Jerry Kilcrease

Meeting: Third Tuesday of the month at 7:00 PM
Location To Be Determined. See Web and TR
Contact Jerry Kilcrease, Area Director
triad-ad@carolinas-pca.com (336) 847-9292

The Triad area held its monthly meeting on June 15 at the "Barn at Royal Gait" in Trinity. As we continue to struggle to find a meeting location, we want that thank our host Bobby Royals once again for allowing us to use his facility. It was "Manager's Choice" night and we had 38 members and guest attend with 18 Porsches staged in front of the Barn.

The Porsches ranged from a 1986 911SC to the new EV Taycan, along with a variety of 911s, Caymans, Boxsters, Cayenne and a Macan. The food truck manager's choice was a Red Cayman driven by Mark Vetrano. Mark was congratulated and presented with a nice award from the Porsche Boutique. We sang "Happy Birthday" and gave a free desert to those attendees that had celebrated June birthdays. Several door prizes were awarded and our Charity Raffle was won by our host, Bobby Royals (*below*).

We welcomed sponsors from HBI and Porsche Greensboro as well as first time attendees and discussed upcoming events/activities. Thanks to all that came out -- we hope

to see you at the July 20 meeting at Kick Back Jacks.

UPCOMING TRIAD AREA HOSTED EVENTS/ACTIVITIES:

July 17, Tech Session – HBI, Mocksville. Triad Area PCA members and guests have been invited by HBI to their facility for a tech session and luncheon afterwards. Details below:

1. Attendees will meet at the facility and should arrive NLT 10:45 am at HBI, 137 South Park Place, Mocksville.
2. Tech Session starts at 11am in Shop Area; Luncheon provided by HBI at 12:30. COVID guidelines will be followed.
3. If you plan to join us, RSVP to jkilcrease@triad.rr.com or phone @ 336-847-9292 before July 10.

July 31 - Laps & Lunch at VIR – Details and registration information is found on the event flyer in this edition of TR.

August 14 – Cars and Coffee – SECCA in Winston-Salem, NC – The Triad area PCA has been invited to attend the Cars & Coffee Event hosted by Cosa Rossa as the 'Marque Car Club' of the month on Saturday, August 14. Complete details of the event will be coming later.

October 2 - Porsche Corral/American Children's Home

Charity Car Show –The Triad Area PCA will partner with the American Children's Home in Lexington. Registration information and complete event details to come.

PAST TRIAD AREA HOSTED EVENTS: May 22 – Drive to VIR; Touring Laps; Lunch – This event was chaired by Dixon Johnston and we were pleased to have 34 cars register. We gathered at Porsche Greensboro and made the drive up to VIR and everyone enjoyed the experience and luncheon (*right*).

TRIAD AREA MEETING – JULY, 20, 2021 (Kick Back Jacks, 1605 Highwoods Blvd., G'Boro) -- We have reserved the Patio section and plan to start meeting around 7 pm...COVID restrictions/guidelines will be followed...hope you make plans to come join us for a fun evening...thanks, - Jerry K.

Triangle Area By Adam Morrison

Monthly Meeting: Fourth Thursday of Month
Nantucket Grill
5925 Farmington Rd Durham NC
Contact Adam Morrison, Area Director
triangle-ad@carolinas-pca.com

During our dinner meeting we agreed to have our first official dine & drive this year on July 17 leaving from Panera Bread after Cars & Coffee. Jim Sykes promised a good drive to a Greek restaurant south of the Triangle. Also we were pleased to welcome three new members. Be on the lookout for that information as I'm sure we are all anxious to get back out as a Club and continue to make or deepen those connections which make this club what it is.

Our Cars & Coffee was very well attended. It was fun to stage this picture of the Porsche sports cars' noses. We gave away some Goodie Store swag, visited, welcomed new members, and even talked cars... a little. Y'all certainly embody the spirit of "It's not the cars; it's the people". You are what make this club to valuable. Stay tuned for more..

Scheduled Events:

July 17 10am-1pm Dine & Drive to TBD. Start @ Panera Bread 3603 Witherspoon Rd Durham, NC.

Recurring events:

1st Saturday: 1st Saturday @ 9am, Porsche Southpoint 122 Kentington Dr, Durham.

Cars & Coffee: 3rd Saturday, 8:30am @ Panera Bread 3603 Witherspoon Rd Durham, NC.

Monthly Dinner Meeting: 4th Thursday, 6:30pm @ Nantucket Grill 5925 Farrington Rd, Chapel Hill, NC 27517.

Upstate Area By Jeff Price

Meeting: Second Tues. of the month at 6:30 PM
Quaker Steak & Lube
10 Chrome Drive Greenville SC
Contact Jeff Price, Area Director
upstate-ad@carolinas-pca.com

The Upstate Area held its monthly meeting on June 8 at Quaker Steak & Lube in Greenville, SC. The meeting started about 6pm with a call for any new members in attendance to introduce themselves and their Porsches. We had 2 new Upstate-Area members in attendance. Welcome to our new PCA members!! Our Upstate Area membership continues to grow and we welcome all who would like to become more active in our PCA events.

Drive & Dine Announcements (past events)

Saturday, June 12, our Drive & Dine Tour started in Clemson and ended at the Hush Cuban Café in Dillard, GA. 17 Cars (30 members)

participated in the event. The weather was fantastic and invited those with "Top Down" capable Porsches to utilize that feature! The Drive covered some very stimulating roads along with beautiful countryside views. Once we arrived at the Hush Cuban Café, we enjoyed some tasty food and great conversations with the group (*above*). After lunch, many made the short trip up to Highlands, NC to catch the "Highlands Motoring Festival" or get some sweet Kilwins ice-cream.

On June 17, Porsche of Greenville held a Taycan Test Drive Event at the ZEN Event Center in Greenville. Turn out was robust and many PCA members test drove one of several Taycans available. The evening was a fun social event beyond the Taycan Test Drive as great food and drinks were provided and members enjoyed socializing before and after their Test Drive.

Drive & Dine Announcements (Future PCA Events)

Upstate Area Summer BBQ Party (August 14) - Registration is OPEN on Clubregistration.net. On Saturday, August 14, 2021, the Upstate Area of the Carolinas Region, PCA is hosting a Summer Drive and BBQ Party, at the Riverain Farm Event Center, in Travelers Rest, SC. This will be a fun outdoor BBQ Party, so plan on coming and have some fun socializing with your fellow PCA members. This event will take the place of our normal August meeting, so please make plans to attend. Full details can be found on Clubregistration.net.

The **Carolinas Region 60th Anniversary Party** (September 24-26) is fast approaching. Registration is cur-

rently open on Clubregistration.net and will close on July 31. I have been told that the Rooms at the Grandover Resort are filled, yet the alternate hotel is still available; find more details at Clubregistration.net. I suggest that you register for the event and make your reservations now if you plan on attending.

Next PCA Upstate-Area Meeting (July 20 - Quaker Steak & Lube) - I will be attending the PCA Parade in French Lick, IN, and will not be in town on July 13 -- *Thus, our July meeting will be moved out one week to July 20.* Please note this revised date!! The location & time will be announced as soon as it is confirmed. Drive Safe. -Jeff

Metrolina Area by Doug Strait

Doug Strait Area Director
metrolina-ad@carolinas-pca.com

Summer Greetings fellow P-Nuts.

June was a great month for the Metrolina PCA. On June 12, we held our Wine & Shine charity car show at Morgan Ridge Winery. Everyone had a great time, catching up with old friends, eating some great food and listening to a fantastic sounding combo called 9-Day Trip. We raised \$1090 for the 2nd Harvest Food Bank. 1st Place went to Jerry Kilcrease with his beautiful 356, 2nd Place went to Ken Gacevich and 3rd Place went to Gary Helms. The 50/50 split the pot winner took home a hefty \$320.

Our June 16 meeting was a small but fun gathering of old friends, and some new ones (*below*). Our 50/50 split the pot was won by Curtis McDonald, who generously

donated it back to benefit the 2nd Harvest Food Bank, Many Thanks Curtis!! . George Shinn and Robert Meyer took home some nice Porsche swag for their goodie collection.

NEXT MEETING: Wednesday July 21, Café Monte, please RSVP to me ASAP (carerra9972@gmail.com) to save your seat if you're coming, as we are limited to 44 guests in the private room.

STAY SANE, STAY HEALTHY, STAY SAFE!!!

Get out and Drive, Drive, Drive... Porsche style!!!

Lake Norman Area by Christian Roedlich

Monthly Meeting: Second Thurs. of the month at 6:30
Location: The Peninsula Yacht Club (Cornelius)
Contact: Christian Roedlich Area Director
christianroedlich@hotmail.com

We conducted our fourth PCA meeting of the year as usual on the second Thursday of the month, and again in the Porsche corral of PYC. The weather was typical for Mid-June, hot and humid. However, this was the first time since February 2020 that we conducted an indoor monthly PCA meeting! Although our host, Peninsula Yacht Club, had to close the kitchen due to a gas leak that afternoon, they came through and prepared delicious – cold - sandwiches, a great salad, and some “healthy” desserts thus ensuring that nobody would starve.

Our speaker, Jeff Hamm, with Speedway Detail, provided attendees with a nice goodie bag including a waterless wax, which your area director already put to good use! Member Chris Slocum brought his “underpowered” 992 Turbo S that Jeff recently worked on: full wrap, ceramic coating as well as some paint correction (from shipping believe it or not) – resulting in a gorgeous finish! With a full wrap and ceramic coating on top of it, one would expect the car to be well protected!

We also conducted our 50/50 raffle and had great prizes that we purchased from Hendrick Porsche and the Goodie store. Jeff Hamm with Speedway Cleaning donated a full detail at his shop valued at \$300. Thank you very much! Our first prize

winner, Bill Flynn, will be able to take in his 997 for a special treat: Due to Jeff’s generous prize, we were able to donate all of the raffle money - \$284 – to our favorite charity, Children’s Hope Alliance in Barium Springs.

Jeff Hamm and Bill Flynn
(prize winner)

The June 5 Car Show at the Peninsula Yacht Club was a great success, thank you to all the PCA members who attended. The Show was well done with complimentary food and entertainment and great cars grouped into various categories to be judged. Yours dearly took first prize in the Porsche category! The People’s Choice Award was also for a 991.2 Turbo. Porsche: There is no substitute.

Reminder: Registration for the 60th anniversary celebrations for PCA Carolinas is now open on clubregistration.net until July 31. There are also plans to have a Captain’s Choice format golf tournament at this meeting. Please let me know if you have a great golf game and want to participate. Naturally, we’d like to demonstrate to the other 6 Carolinas regions who is best at golf!

Our next meeting will be July 8 at 6:30pm as usual at PYC.

PCA hosts over 3,500 events, activities, and programs every year

As a member of PCA, you’re invited to show off your prized possession to people who can appreciate it while attending a wide array of PCA-sponsored events. PCA activities include autocross, HPDE, Club Racing, rallies, concours, sim racing, car shows, driving tours, tech sessions, and much more. Whether you like a bit of friendly competition or prefer to socialize, there is something for you.

OF AMERICA**

Hickory Area By Michael Vittorio

Meeting: Second Tuesday each month at 6:30 PM
Refer to Monthly Area Report for Location/Detail
Contact Michael Vittorio, Area Director
hickory-ad@carolinas-pca.com

It is clear that our Members are ready to get back into the swing of things ... to visit with their Porsche friends ... to enjoy their cars ... to have some fun! Thirty-two Hickory Area Members (including a number of "first timers") participated in our recent Drive and Dine organized by Jim and Ann Lucier. We gathered at the Panera Bread location in Morganton where several folks enjoyed a light breakfast. After some socializing and a brief driver's meeting, we all took to the road on a very pretty drive to Lake Lure, NC. Here we stopped for lunch at LaStrada. This proved to be a great choice. We were seated outside on their expansive patio and the food and service was quite good.

Lined up ...

Lunch on the terrace at LaStrada

Following lunch, we resumed our tour and headed to near Bostic, NC, where we stopped at the Blue Ridge Distilling Company, home of Defiant American Whiskey. What an interesting and educational visit. A small (2 person?) operation in a very rustic facility, they make two varieties of whiskey and claim their Defiant brand is NC's best seller. We were greeted by Eric (above right), the "master distiller", who was also our tour guide – and a very knowledgeable and entertaining one at that. He did a great job of explaining their process and answering our many questions. At the end of the tour, we had an opportunity to taste their product ... which led to the sale of several bottles of their best.

From here, everyone made their own way home.

Eric the master distiller

Many thanks to Jim and Ann for organizing the event and for taking us on some roads that were new to most of us ... well done. Photos thanks to Jim Lucier. More to see at: <https://carolinasregionporscheclub.shutterstock.com/>

We did not have a Membership Meeting in June. This was intended to be a part of our Gimmick Rally. Regretfully, a decision was made to cancel the Rally due to insufficient participation. We may try to reschedule later this year.

Next Meeting -

July 15 (Thursday), 6:30PM – Fourk Restaurant, 1410 4th Street Dr NW, Hickory. Please join us for our first dinner meeting in quite some time. In addition to the opportunity to enjoy good food and friends, Jim/Lisa Buchanan and Michael/Jane Vittorio will review some of their experiences while attending the recent Werks Reunion/Amelia Island Concours. In order to help Fourk prepare for our arrival, please register (use following link) if you plan to attend. <https://www.signupgenius.com/go/508044DAEAA22ABFB6-july3>

Coming Up -

July 22 (Thursday), 6:00 – 8:00 PM – Catawba Science Center, 243 Third Ave NC, Hickory, NC. Porsche Hickory has invited all of you to their upcoming reveal of the new Porsche Taycan. Complimentary heavy hors d'oeuvres served, prizes raffled, and a Planetarium show. This promises to be a fun event plus an opportunity to show our support of the dealership and all they do for our Club ... I hope you will choose to attend. Please RSVP with number of attendees to Caleb Pletcher at: cpletcher@paramountauto.com

July 31 (Saturday), 9:30 AM – Porsche Hickory, 1207 South Center Street, Hickory, NC. Please join us for a leisurely drive through the NC highlands and delicious family-style lunch at Shatley Springs Inn & Restaurant (<https://shatleysprings.com>). Our group has visited here a number of times and has always enjoyed the food and atmosphere. Plus ... there are wineries in the area that may very well warrant an after-lunch visit. If you intend to join us, please register at: <https://www.signupgenius.com/go/508044DAEAA22ABFB6-july4>

Sandhills Area By Marty Barrett

Meeting: Fourth Tues. of the month at 6:30 PM
Rotating Location - See report below
Contact Marty Barrett, Area Director
Sandhills-ad@carolinas-pca.com

Our annual 3-day Sandhills Motoring Festival over Memorial Day weekend, was a huge success! A few numbers: five major vehicle events, three dinners, crowd estimated at 3500 for Sunday Concours in Village of Pinehurst, 150 cars on display – including 135 professionally judged, competitors from eight states, 12 judged classes, 80 volunteers, and proceeds of \$20,000 to set up an endowed scholarship fund in Automotive Technology at Sandhills Community College -- the Sandhills PCA charity for the last eight years.

In addition to event management, several Sandhills PCA members' cars and motorcycles were selected to compete in the concours event – and a couple of them won awards!

The two top awards: Best in Show Sporting: 1963 289 Shelby Cobra Mk 1; Best in Show Touring: 1928 Bugatti Type 46. My favorite car was a 1957 Carrera Speedster owned by Jeff Files, but a close second was Dick Glover's 1970 Porsche 917 (right). Amazing stuff!

Many thanks to the volunteers, participants, and sponsorship from Foreign Cars Italia, Hagerty Insurance, Pinehurst Auto Group, and others!

After a couple days rest... prep for next Sandhills PCA event...late June 4-day tour to Jekyll Island, Ga. Thanks to Roy Neal for doing all the heavy lifting to plan and organize this tour!

Enjoy The Ride...F&P...Friends and Porsches!

-Marty

Drivers Ed - Steve Barrier

It's officially summer; that hot, humid time of the year when you wish you were cool enough to have AC in the garage (unless you already have it, in which case I'm coming to work on my car at your place). We're ramping up for our September event at Carolina Motorsports Park. Yep, it's that time again... registration opens July 12 and there are a mountain of tasks to accomplish that started at the end of last year. HBi Auto will again be our sponsor for the event, providing at track support for our participants and helping the club promote safer high performance driving.

We will continue with in car instruction as we did in March, with an emphasis on limiting exposure as much as is feasible. The new track surface at CMP has brought about a much larger group of participants than recent events usually see, so make sure you register early as we will be confirming students as instructors register. This event will return to our customary five run group format, with beginner, novice, solo, advanced, and instructor groups. Response to the vintage group in March was good, but there are logistical challenges to running six groups, and September is already hot enough in South Carolina we don't need to add 2 hours to each day.

Speaking of the weather, it is usually pretty warm in late September, with summer clinging madly to the calendar. As you prepare to come to the event think about your time in between sessions. CMP has some shade with most of the paddock open to the whims of the weather. Bring plenty of water, healthy snacks, and if you can fit it in, a pop up tent and folding chairs. I've seen a myriad of ways to get things to and from the track. I tow my cars because I historically bring older (read, breakdown prone) cars to the track and I never know if it will be running at the end of the weekend. I've seen roof racks, tow behind utility trailers, and full tow rigs. If you're creative enough to get your significant other to come to the track, don't discount the space of bringing their car! Of course, nothing beats having a buddy who already has a full setup and you share with them!! Either way, preparation and planning will make for a much more enjoyable weekend.

Speaking of plans, when you come to the track, do you have a plan for what you want to get out of the weekend? As a student, begin thinking now about what you want to accomplish. Are you familiar with your car's braking ability....have you pushed that pedal all the way to ABS activation on purpose under a controlled scenario? How do you approach and analyze a turn? How do you manage power within a turn? Which gear is appropriate for what speed and turn geometry? Listing the goals you can have for a weekend would fill the entirety of Tobacco Roads. If you're not sure what to work on, have an in depth conversation with your instructor.

As a solo driver, when was the last time you had an instructor in the car? Are you still performing at peak capability? Is there something new you can learn about the track, your car, left foot braking, trail braking? When I had a passenger seat, I would regularly ask instructor friends to ride with me and provide tips and pointers. Getting more feedback to reinforce what you already know, or tweak something you thought you had down is the foundation of learning. As an instructor, what are your plans to improve your instruction game? When was the last time you sat in on a student classroom, helped out

with mentoring our instructor school, or participated in the school to refresh skills? We are all in a constant state of learning! And remember to break down larger goals into manageable tasks that can be learned in a specific session. Just as with bringing the right equipment, preparation and planning make for a more productive weekend.

Along the lines of learning and growth, we continue to grow and mature the program, and refine it to make the experience the best it can be. Over the past couple years we've seen increased participation in the management of the event, and I can't tell you enough how much we all appreciate that help at registration and tech inspection. If you have the desire to get more involved in the program, reach out to me. We would welcome your help to federate some of that mountain of tasks I spoke about earlier. There is much more we can do within this program, and it takes all of us to make it the best it can be. Thank you for tuning in and reading this month's edition, and I hope to see you at the track!

Autocross Report -

2021 Round #1 Greensboro Coliseum

(May 29, 2021) We had a good turnout of 26 Drivers as well as friends, family and a few spectators this past weekend. The weather could not have been any better with sunny skies, reaching mid 70s for most of the day. Finding locations for our Autocrosses this year has been more difficult than in the past. Our Round #2 will be at Greensboro again, but this time in the large lot next to the coliseum. This larger space will provide a more challenging course.

Timing Equipment was questionable going into this event, but David was able to repair the starting and finish pick ups and all ran smooth.

So, at last we were able to secure a the same lot that we have used since 2011 at the Greensboro Coliseum. We laid out a clean course that provided a smooth run for our attendees. There were several of the "old timers" that commented that this was an excellent flowing course, better than any in the past.

Everyone was able to get 6 runs. Nearly every car was in 2nd gear, and some even went to 3rd. The best part was that each driver consistently dropped their times on each run. Everyone seemed to be really enjoying this course.

We had a Father & Son showdowns in this event. Adam Tak brought his son Jon for his first ever autocross. They learned the course quickly and posted quick times and got 1st and 3rd in the p03 class

A BIG thanks to all that helped with the course layout and cleanup

– Carolinas Region Autocross Committee

Considerations When Insuring Your Porsche

By Jason Herman

As our good friend Jim Hess phrased it, "insurance is only good when you need it". Well unfortunately, sometimes you need it, and when you need it, you do not want any unexpected surprises. Here are a few points to consider when insuring your Porsche.

The typical personal auto insurance policy settles a claim at "actual cash value" which is the "fair market value" of the car if totaled, or the cost to repair it. Today, many insurance companies offer enhanced loss settlement options such as "stated value", "agreed value", "new car replacement", and "OEM parts".

"Stated value" loss settlement provides coverage for the stated value or the actual cash value of the car at the time of loss, whichever is less. Do not confuse "stated value" with "agreed value".

"Agreed value" loss settlement provides coverage for the agreed value of the car without consideration of the car's actual cash value. You and your insurance company agree on this value when you insure the car.

Just think if you purchased a 2021 718 Cayman T for \$80,000 and six months later it was totaled. At the time of the claim, the car may only be worth \$70,000 at actual cash value, but if it were insured for an agreed value of \$80,000 your insurance company would pay you \$80,000 and make you whole.

In addition, you may be able to achieve this same outcome with a "new car replacement" endorsement. There are a few caveats and limitations with these endorsements, like you may have to be the original owner, the car must be three years old or newer, but all in all they can be a great value.

Porsche owners are typically conscientious about the parts used to repair their car, so check if your insurance company offers an "OEM endorsement" which guarantees only Porsche factory parts will be used to repair your car.

Hagerty Insurance is an excellent option for agreed value coverage, and they provide concierge claim service. Not only will Hagerty insure your vintage Porsche, they are also an option for newer Porsches as long as it is not your "daily driver". With Hagerty, you can purchase agreed value coverage at a reasonable price.

And if you are taking your Porsche to the track for a PCA High Performance Drivers Education event, check your track insurance policy for its settlement options. The options will vary by insurance provider. Furthermore, check if liability, pollution clean-up, debris removal, and towing coverage is provided. Chances are, your personal auto insurance policy will not provide coverage for any of the above as soon as you enter the paddock, so be sure you are familiar with your insurance coverages in the unlikely and unfortunate event you need it. You don't want to get surprised!

President's Project Page *by Jerry Widner*

Miniaturrader Teil zwei

Part two of our three-part series; I'm presenting the next batch of impressive "Porsche Passions". As the front cover proudly displays Marty Barrett's stunning Speed Yellow GT3, we take you on a journey through many differing takes on your miniature wheels sets. I certainly hope you enjoy looking over what the Carolinas Region members have to offer. Please enjoy your - "Miniature Wheels":

Marty Barrett's GT3 collection... The Matchbox yellow GT3 came to me a few years ago, courtesy of PCA member, fellow DE instructor and friend, John Meek. He found it at a swap meet in Charlotte, I think. The larger Mattel GT3 model was acquired on one of my long road trips about 8 years ago. If I remember correctly, I stopped at a car museum in South Dakota and saw it in the gift shop.

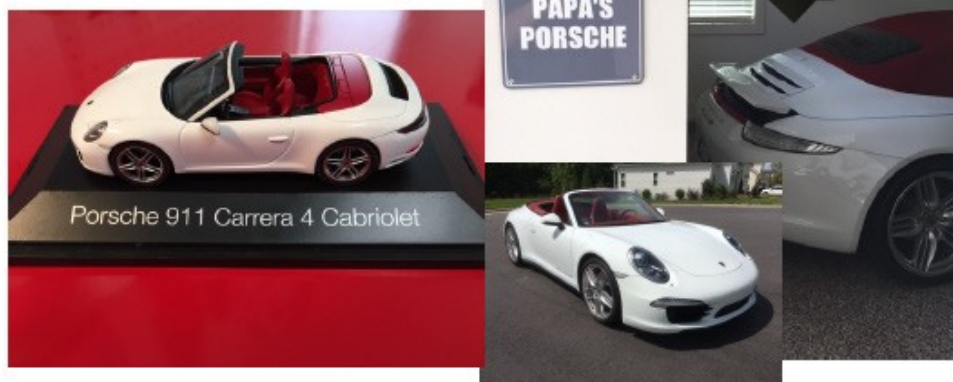

John Kenney-

97 Silver/Red Boxster; I have collected a couple of Matchbox versions, a 1/43 scale, a 1/18th scale prototype version, and two Tamiya model kits. We bought our Boxster from a car dealer where my son had been working. It had been traded in on a minivan! We brought it home and gave it some love! I know Boxsters don't get a lot of love in the community, but we felt it was a tremendous value and it has that wonderful exhaust sound to enjoy (especially with the top down) Handles extremely well too - we've enjoyed it for the past 12 years. It's a great car that is overlooked too often..

Jim Proper-

I bought the model as a personal addition to my collection of Porsche memorabilia. I located the model after contacting an advertiser on The Mart. He has a wide range of contacts in the Porsche modeling world. After several weeks he had the best match; though it lacks the S, at least it's a "4".

(... Continued on p. 18 ...)

(... Continued from p. 17.)

Cynthia Stewart Stokes-

I enjoyed photographing the model car. The internet is a great resource for acquiring model car replicas that best reflect the muses that reside in your garage. I have a passion for Porsche design and the 2008 Cayenne Turbo is no exception. I remember the first time I saw that massive Porsche designed front grill and I knew this SUV would be my next purchase. The 2008 Cayenne Turbo MotorMax model was the best replica I found to represent the larger garage version. We may buy, drive and sell cars throughout our lifetime but these small miniature models are a constant reminder of the joy of owning the full-size version.

You asked for it!

Triad Area PCA is hosting another Lunch and Laps at VIR Saturday July 31.

Bigger and Better, on the Full Course

See the full course map here: https://virnow.com/wp-content/uploads/2014/05/VIR_Full-Course_2018km.jpg

Here is the plan:

Drive to VIR on your own but arrive no later than 11:00am.

Sign in at Gate; meet in the North Paddock at VIR (go to the right after entry), socialize.

11:30 Driver meeting in the VIR classroom main paddock to review track rules

12:10 – 12:45 Track time!

1:00 Lunch at the Barn

1:45 Optional Tours TBD: Kaizen Autosport (racing school) or Team Hardpoint (Porsche IMSA team)

Cost is \$30.00 per person (not per car). Register and pay on Clubregistration.net

Questions: Contact Event Chair Dixon Johnston 828 308-2888/ Dixon.Johnston@gmail.com

All COVID 19 restrictions & guidelines will be followed.

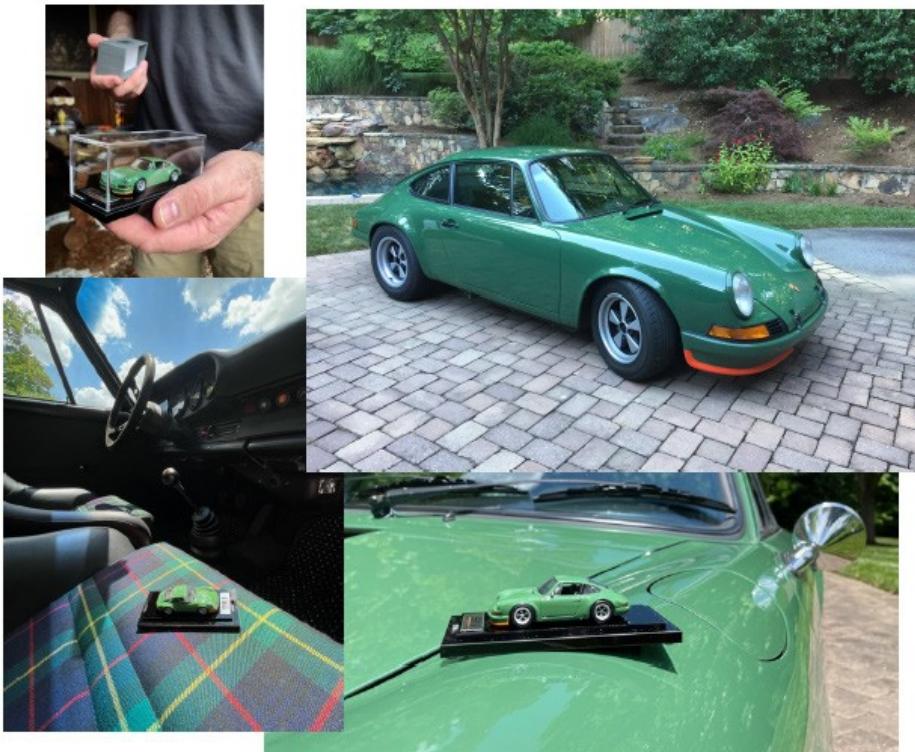

Barry Brown-

I was searching on RS Selection website for PCar apparel and stumbled across this Schuco 1/18 scale GT4 in Sapphire Blue that matched my car. It was a rare impulse buy for me. Schuco is a German company that has made metal models since the early 20th century.

R Campbell-

It started with purchasing a custom 911 from RS-Werks in PA. I had some conversations with the RS-Werks leadership about how offering a replica of their builds to the customer could enhance the customer experience. I was pleasantly surprised as the model showed up on my birthday. I had no idea it was coming. RS-Werks had commissioned Peter B. from 911CUSTOM-WERKS to build an exact replica of the car they built for me.

More model stories are rolling your way AGAIN...next month! In the meantime, I'll be on the lookout for YOUR story, YOUR project, YOUR passion. I look forward to travelling around our Carolinas Region to find it. I will put it here! Until next month ...
