Jerry Widner, President

Hot August Nights!!!! This certainly plays out to be true here in the Carolinas. It is great to be out and about the Region meeting so many truly fine PASSIONATE Porsche owners! Thank you for all the hospitality you have and continue to show Ann and I as we travel around the Region.

Effective back on 3 July, I began publishing our Events Calendar via Email. I will maintain a cadence of twice monthly, so every other week. You have seen this arrive in your inbox as coming from "enews" with Subject Line of CAROLINAS REGION PCA – EVENTS CALENDAR (as of DD MMM YYYY). Please ensure you are on the lookout for that email as it will contain an up-to-date calendar. Additionally, we are working on a NEW website to better serve the Region to include an updated "easier to use/read" calendar.

Thanks to the many of you that responded to my request for your "Miniature Porsches" and shared your pictures and stories. I have received very positive remarks from around the Region regarding these! I know we have many passionate Porsche owners throughout the Carolinas Region. Email me at president@carolinas-pca.com with your Porsche Story! I want to hear how and when YOU first had your eye caught by a Porsche, most specifically:

- What was Your dream car?
- What did you do about it?
- What have you had the privilege of owning?
- Do you have pictures documenting your FIRST Porsche?

A few HOT items to make mention here:

-24-26 September 2021 – 60th Anniversary Celebration - Carolinas Region celebrates at The Grandover Resort in Greensboro, NC. This is NOT a weekend to miss. This is a world-class celebration for a world-class organization. We have some fantastic "Door Prizes"; Michelin Tires, Continental Tires, Porsche Experience Center Atlanta trips...and MANY more. **Registration has been EXTENDED through midnight, Friday 20 August 2021.**

*ADDITIONAL NOTES on the 60th Celebration:

[DRESS ATTIRE for the Saturday Evening Banquet] – I have received many questions regarding this, so I wanted to communicate directly with everyone:

- The minimum dress attire for Gentlemen is Jacket & Tie, No Jeans or Shorts please. Some of us will be in "Black Tie" and some will be wearing a Jacket/Tie - it is up to the attendee to decide what "tie" you are the most comfortable in. It will be a Black-Tie evening for me...You make the choice for you.
- The minimum dress attire for the Ladies is Dressy Dress, Nice appropriate Dress Slacks, Formal Wear or Evening Gown, No Jeans or Shorts please. Again...whichever is most comfortable for you.

[LOOKING for pictures/documents from 60's, 70's, 80's, 90's, 2000's]

-Do you have pictures documenting your FIRST Porsche? Calling on all members that have these from past events within the Carolinas Region?

-Please contact me at president@carolinas-pca.com OR Charlie Massler, Events Chair at events@carolinas-pca.com with what you have. We will make arrangements to PROTECT your pictures/documents as well as digitize them for use during the Celebration Weekend.

-Let us know what you have; we look forward to working with you to make this weekend even more enjoyable.

-5-7 November 2021 – Fall Tour 2021 – Young Harris, GA at The Ridges Resort on Lake Chatuge. This is always a wonderful event. Great drive from Porsche of Hickory, Great location once you arrive...and Great company while you are there! We are currently FULLY BOOKED, however, if you wish to register you will be placed in "Standby" status in case of any cancellations. Go to Clubregistration.net to register.

Leadership Position Vacancies throughout the Region:

Advertising Chair – this position is STILL vacant, currently our Treasurer, Sadie has been handling these duties. Thank You Sadie!! We need to have a member step up to fill this vacant position. If you are interested please email our Vice President, Jim Hess, he will be glad to speak with you about this opportunity.

I ask that you look through the pages here and find AT LEAST ONE event to attend. We have the BEST roads around...the BEST people around...the BEST FAMILY around.

Here to serve You...and remember; Get Out And Drive!!!

Jerry Widner sends...

Carolinas Region, President

The Triangle Area had our first official dine & drive this year on July 17th leaving from Panera Bread after Cars & Coffee. Jim Sykes provided a great drive to a Greek restaurant in Pittsboro. Turn out was so good that we broke the participants into two groups.

Our Cars & Coffee was very well attended. It was fun to stage this picture (right) of our members standing in a flying V formation (their cars just so happened to also be arranged the same way, haha). We gave away some Goodie Store swag, visited, welcomed a new members, and even talked cars... a little. Y'all certainly embody the spirit of "It's not the cars; it's the people". You are what make this club to valuable. Stay tuned for more activities and news.

Our Upstate Area held it's monthly meeting this past Tuesday at Quaker Steak & Lube, 10 Chrome Drive, Greenville, SC. We have switched back to the Indoor Format for the "business" part of the meeting: (5 - 6:30pm Meet & Greet in Parking Area, ~6:30pm Meeting inside Quaker Steak & Lube). Turn out was ~ 25 folks. (below)

Those members who attended the Porsche Parade in French Lick, Indiana provided a summary of the Parade, along with all the Carolinas Region-Upstate Area members who won Awards in the competitive events. Pictures of Parade 2021 from the Upstate Area Members are shown in the following link;

[2021 Porsche Parade Upstate Member Pictures](#)

The meeting ended with our 50/50 Charity Raffle. The raffle included a \$25 gift Card to Quaker Steak & Lube, a \$50 Gift Card to Griot's Garage, along with 50% of the "Pot". We raised \$80 for our charity - St. Vincent De Paul Society.

Drivers Education (Sept 11-12) - The next Carolinas Region Drivers Education will be held at Carolinas Motorsport Park (CMP), on Sept. 11 & 12. Details and Registration can be found on Clubregistration.net.

Other Items: The Carolinas Region Board voted to give a special \$2000 Gift to each Area's Charity. Our Upstate Area historically supports

St. Vincent De Paul Society. As this is your Club, I will be asking in a separate communication if we have other deserving Charities in the Upstate Area that you would like the membership to consider along with St. Vincent De Paul for this special donation from the Carolinas Region.

Finally, let me know if you have any ideas for events you would like the Area to hold or participate in. I am always looking for new ideas. This is your club, so what do YOU want to do?

hickory-ad@carolinas-pca.com

July Meeting Summary: On July 15, we held our first indoor dinner meeting in many months – and a well-attended affair it was. Thirty-two Hickory Area members and friends gathered at the Fourk Restaurant in Hickory. In addition to our “core” group, we were joined by new members Tom and Patty Moore and Barbara Gore. It was also really good to see Andy Gore, Bill Swart and Ken Coffey after a long hiatus.

Our program for the evening was a slide show presentation and discussion of events at this year's Porsche Werks Reunion and Amelia Island Concours. Hickory Area Members Lisa and Jim Buchanan and Jane and Michael Vittorio traveled to Florida in May to attend the events. We were all first-time attendees and thoroughly enjoyed our time on the Island. The number and variety of cars on display was remarkable. Of course, it must be said that a big part of the attraction for Lisa and Jane had to do with the beach just outside our lodgings.

As always, the food and service at Fourk was quite good. Fortunately, owners Sean and Erica Boustead are also quite tech savvy. It was only through their help that it was possible to show the presentation on our antiquated equipment.

Tom and Patty Moore and Bryson Kiser each took home a door prize. In addition, Bryson Kiser won our 50/50 raffle. He generously donated his “winnings” to charity resulting in a \$200 donation to the kids at Crossnore School.

Taycan reveal: The Hickory Area fortunately enjoys a close and mutually beneficial relationship with our local Porsche dealer, Porsche Hickory. So, when they invited our Members to their reveal of the new Taycan, we saw it as an opportunity to offer our support. The event was held on July 22 at the Hickory Science Museum. In addition to the cars – Taycans and others - on display, attendees were treated to dinner, prizes and a bit of entertainment. Of the approximately 45 people who attended, a sizable majority were Hickory Area Members. Carolinas Region President, Jerry Widner, was on hand to offer his perspectives (having had an opportunity to drive a Taycan for a weekend) and to express our appreciation for all Porsche Hickory does and has done for our Club.

Coming Up - Aug. 14 (Sat.), 9 AM: Gimmick Rally for Charity, Porsche Hickory, 1205 S. This is NOT a Time/Speed/Distance Rally. A Gimmick Rally is easy, relaxed and requires no special equipment or skills. The object is to accurately answer the most questions in the shortest driving distance. A little competition, a lot of fun - and all for charity! Prizes awarded. Catered barbecue lunch available. Sandhills Area By Marty Barrett

Meeting: Fourth Tues. of the month at 6:30 PM
Rotating Location - See report below
Contact Marty Barrett, Area Director

Sandhills Area June dinner meeting at Pine Crest Inn (*below*) attracted 43 members and guests - a post Covid record!

Marvin Waters recapped the successful Motoring Festival, and announced the establishment of an endowment at Sandhills Community College with \$20,500 proceeds from

the festival. Chris de Rosa, from Hagerty Insurance, updated us on their products tailored to Porsche owners and challenged us with some great Porsche trivia questions - and prizes for winners!

Five Sandhills couples took a three day tour to Jekyll Island, Ga. Roy Neal arranged the safe, fun, sometimes spirited, drive of about 380 miles ... no I-95. The new Westin Resort did a good job despite some staffing challenges. Development growth on the Island amazed us after having not been there in 19 years! Lots of interesting Low Country history, a great turtle museum/hospital (*right*), and few golf courses too. Nice tour!

On July 17, Classic & Custom Autoworks in Carthage, NC hosted our C&C. They are a new restoration facility...some amazing cars on display and being worked on...about 30 cars in the shop (*below*).

On August 7 a few of us will be at Rockingham Dragstrip to test our Launch Control systems. Steve Earwood, a Sandhills member, owns the track. The crowd of serious Dragstrip fans enjoy seeing the Porsches run.

Sandhills July was a hot one in METROLINA.....

Summer Greetings fellow P-Nuts. I hope everyone is enjoying their summer time and hopefully getting to travel a bit for vacations and cruising in your Porsche.

We held our July 21 meeting at Café Monte with 41 members in attendance and got to meet a few new members. Everyone had a great time catching up on life. Stephen Klitzsch and Quentin Boatwright, from GMP Performance (www.gmpperformance.com)

were our guest presenters. They talked about the great services that GMP provides and the many types of upgrades that they can do on our cars. Stephen showed some cool performance brake systems they offer (*right*), and Quentin spoke about the track cars you can rent and

many of the track support services GMP provides. They generously donated a \$150 gift certificate for service at their shop, which was taken home by Hunter Widener. Our 50/50 split the pot winner, Jeff Finkelstein took home some nice beer bucks \$137. We gave away a few Porsche cups and mugs putting some nice smiles on the winners faces.

NEXT MEETING: Wed., Aug. 18 at Café Monte. Please RSVP to me ASAP (carerra9972@gmail.com) to save your seat, as we are limited to 44 guests in the private room.

SPECIAL NOTE: 60TH ANNIVERSARY SIGN UP DATE EXTENDED TO AUGUST 20 See full event details and register at ClubRegistration.net.

Miniaturrader Teil drei

Part three of our three-part series; here is the last batch of impressive "Porsche Passions". Our front cover proudly displays David's stunning Nordic Gold Metallic 911, as well as more here...we progress you through the last journey featuring many differing takes on your miniature wheels sets. I certainly hope you enjoy looking over what the Carolinas Region members have to offer. Please enjoy your - "Miniature Wheels":

David Huska – I stumbled across the replica on eBay while searching the key words of "911 Targa 4S". When I saw there was a Nordic Gold Metallic replica, I could not pass up the opportunity of having a miniature version of mine. The seller was located in the Netherlands.

John Meek – My Porsche model collection started while attending a Porsche swap meet in Pennsylvania with my wife and then 3-year-old son. He noticed some Porsche 917K models at a vendor and the collecting obsession began.

Here are a few photos of my white 1996 993 Carrera and several models of that car. 1:24 Italeri plastic kit; 1:24 metal Bburago; 1:87 plastic Herpa; 1:60 Hot Wheels; 1:43 metal Paul's Model Art Minichamps; 1:36 metal Maisto; 1:24 plastic Italeri and the larger Bburago 1:18 scale 993 Carrera with opening hood, doors, engine cover and operable rear wing.

(... Continued on p. 14 ...)

(... Continued from p. 13.)

Lee Kainz - bought the model because it is virtually an exact duplicate of my 911 Targa and I thought that was too cool to pass up. I keep it on my desk and look at it often to remind me how fortunate I am to be able to have a car like this. My wife and I were on a Tour of Germany in 2019 and while walking around in Berlin we came across a "VW Group" store. We decided to check it out, found this model for sale and bought it.

Sandy Liles - Well, this was actually Shane's passion. He loves to have models of his actual cars, so when I acquired my 914 (Daisy) he went online to eBay and found the model which he presented to me as a gift. Of course, I loved it and now it's my passion too!

John Marshall –I bought a 1:18 Schuco model in Racing Yellow just like my 981 GT4. I was sitting in my living room looking at it and I suddenly got the idea to put numbers on. I use the static cling numbers on track for my GT4...so I had a local sign shop make the miniature ones for me.

With the overwhelming response I've received, I will begin doing a "Model of the Month" section featuring Carolinas Region Members' "Miniature Wheels" collections! Send your pictures and short 3 sentence versions (just like the ones in this month's article) to me at president@carolinas-pca.com I look forward to seeing MORE of these – who knows; you just may be featured "next month". I'm on the lookout for YOUR story, YOUR project, YOUR passion. I look forward to travelling around our Carolinas Region to find it and put it here!

Until next month ...

Drivers Ed - Steve Barrier

This year has been an odd year for track events....randomly changing local regulations and a daily changing status of our not-so-friendly neighborhood coronavirus has wreaked havoc on trying to plan large scale gatherings. To that end, we didn't hold our traditional mid-winter seminar to introduce those curious about the performance driving process in the low-key way we normally do. That said, you definitely don't need that intro to come and join us. Our program is geared toward drivers of all experience levels, and our talented instructor corps can ease those with zero experience into the weekend successfully and ensure you have the best experience possible. You can find additional details and registration on www.clubregistration.net and if there are questions, please reach out to me at driversed@carolinas-pca.com. Look for our event at Carolina Motorsports Park September 11th and 12th.

To our talented instructors, I want to use this forum to thank every one of you for the time, commitment, and excellence that you have shown in support of our program both before and during these challenging times. We could not run the program without our instructors and if as a solo participant you've got the desire to join the instructor corps, make sure to check in with Shane Tisdale or myself at an event. Just look for two chickens always on the move in the paddock and those are likely us.....though we still have our heads. We'd love to discuss what it looks like, the experience and training requirements, and when our next school will run.

We will have HBi Auto as our exclusive sponsor at this event, bringing their track support expertise to our participants. Another huge thank you to HBi Auto and the crew who comes to our events...make sure to stop by, get to know them, and understand all the services they offer.

Last month I put out a call for assistance within the program. A few people have responded, but there is much more we can do within this program, and it takes all of us to make it the best it can be. If you have an interest in helping, we can always use help with registration, tech inspection, schedule creation and tweaking, writing TR articles, and much more. Most of us work full time jobs while volunteering the time to bring these together. Thank you for tuning in and reading this month's edition, and I hope to see you at the track!
