# From the Driver's Seat

Jerry Widner, President

As I type this, today's high is supposed to begin with an "8". Oh yeah...we DID make it out of the winter; Spring is here. May in the Carolinas is a beautiful sight to be seen! The youthful tree leaves still have that "light green" look to them...flowers everywhere, the dusty pollen particles make their way to every surface known...but I'll take it! A lot of exciting events upcoming; make sure to check out the Events Calendar – go on, after you read this article, get on over there and see what event you can join your fellow Porsche enthusiasts on.

We have a NEW Triangle Area Director; please join me in a big welcome to Jim Proper (pronounced PRO-per, as you would PRO-fessor or PRO-fessional). Jim has a ton of great ideas for events, and I do believe he loves his 911 cab! THANK YOU, Jim, for stepping up to the plate to serve our Triangle Area members.

Around the same time, you are reading this (or very close to it) our "Fruehling In Den Bergen" will be taking place in Cherokee – a wonderful mountain community of rich heritage, native to our region. The team of Jim and Dick have spent countless hours planning this event – I know a great time will be had by all! Gentlemen – THANK YOU!

March 26th – just over a month ago now, we had to say goodbye to a dear friend. Many of you that know me, probably wouldn't figure me to be a "cat person". Truth be told, me either, but our little 6 lb. buddy named CoCo; well...let's just say she got me! She was our 13-year-old tiny little black kitty that acted more like our "Guard Cat". She stayed outside during the day and inside the garage during the night. Wow she was a feisty little one.

When I was outside; she was "working alongside me". If I were in the garage working on a Porsche...she was always available to "lend a paw". She helped me build my 968 SP-3 Racer, do brakes on the Boxster & Cayman. Helped wash, polish, vacuum, you name it, she was there every step of the way.

I know that many of you also have that special little "furry friend" that spends time with you and your Porsche, subsequently stealing your heart. I'd like to ask that if you feel inclined – send me a picture of your furry buddy WITH You and Your Porsche. I will be starting a special section in Tobacco Roads named "Coco's Corner". Would like to feature one picture a month; just provide a high-definition photo with a short caption. I look forward to sharing your photos with the Region.

SPECIAL PROJECT REQUEST for upcoming President's Project Pages. I am looking for "what" your special Porsche home looks like – aka, your garage space. Send me pictures of your garage area and your Porsche snuggled in nicely. PLEASE, blur out the license plates if you can OR if we publish your submission, we will. Additionally, we will not use last names during publishing...so I will only use First Name and Last Initial as well as blurring out your plates. SHOW OFF your garage space. Slowly but surely, pictures are trickling in...so keep sending them. I haven't received enough for the intended use, so alas you do have at least another Month to snap a shot and send. THANKS to those of you that have sent a picture in.

Leadership Position Vacancy throughout the Region:

\*Drivers Education Co-Chair – We are seeking to find a motivated and dedicated TRACK JUNKIE that would like to serve as DE Co-Chair, working alongside Steve Barrier. You would be assisting in ALL areas as needed to lighten the load on Steve and assist in bringing some new and exciting content/functions to our DE Events. If you are interested in finding out more, contact Steve Barrier or Myself; we look forward to talking with you.

Memorial Day 2022 – A Time to Reflect...A Time to Remember. Thoughts and Prayers be with You all...

I ask that you look through the pages here and find AT LEAST ONE event to attend. We have the BEST roads around...the BEST people around...the BEST FAMILY around.

Here to serve You...and remember; Get Out And Drive!!!

Jerry Widner sends...

Carolinas Region, President

Semper Fi!

# INBOX or MAILBOX

Whether you receive the hard copy or opt for electronic only, the digital option is always available on the region's website.

To Opt out of receiving printed copy—there are 3 options:

Call PCA at 410-381-0911

Email PCA at [admin@pca.org](mailto:admin@pca.org)

Go to [www.pca.org](http://www.pca.org), login and Edit your personal information, scroll down to bottom and check "Opt Out of printed newsletter". You must go all the way to bottom and hit SAVE.

# AREA REPORTS

May, 2022 (check website for event updates)

## Triad Area By Jerry Kilcrease

Meeting: Third Tuesday of the month at 7:00 PM  
Location To Be Determined. See Web and TR  
Contact Jerry Kilcrease, Area Director  
[triad-ad@carolinas-pca.com](mailto:triad-ad@carolinas-pca.com) (336) 847-9292

The Triad Area April 19<sup>th</sup> monthly meeting was held at Kick Back Jacks in Greensboro. We welcomed 44 members and guests along with attendees from club sponsors, Porsche Greensboro and HBI. We introduced Jeff McKee a new PCA member and first time attendee who had recently purchased a new Boxster and Jeff was anxious to meet fellow enthusiasts and to participate soon in Carolinas Region PCA hosted events.

We also introduced Jim Proper, the new Area Director for the Triangle Area, and thanked him for driving down and attending our monthly meeting. There were no attendees celebrating a birthday during April so our group did not get to sing. But we did get to discuss upcoming PCA hosted events and activities and encouraged members to participate. Dick Abbott gave a short update on Spring Tour; Robert Van Camp shared additional information on upcoming Roads and Rails; and Dixon Johnston passed along information related to Laps and Lunch Events as well as the Drive to Chateau Morrisette Winery. Blair Holden shared some comments related to the current and long range supply chain issues resulting in lack of new cars being available at our local dealerships. Door prizes were given out to those lucky attendees holding winning tickets and Brad Faircloth won the 50/50 charity pot (thanks Brad for donating your winnings back). Thanks to all that attended, looking forward to seeing you again at our May 17<sup>th</sup> monthly meeting.

## TRIAD AREA

### MEETINGS & EVENTS

**June 24<sup>th</sup> - 26<sup>th</sup>** – Roads and Rails Charity Drive –  
Registration open on [www.clubregistration.net](http://www.clubregistration.net).

Registration open on [www.clubregistration.net](http://www.clubregistration.net)

**July 30<sup>th</sup>** - Another Lunch and Laps at VIR –  
See event details on page 18

Registration open on [www.clubregistration.net](http://www.clubregistration.net)

**August 13<sup>th</sup>** – Triad Area is invited as Marque Club at C&C in Winston-Salem (Details later)

**August 27<sup>th</sup>** – Porsche Corral/American Children's Home Car Show

Charity Event (Details later)

Door Prize Winners

### NEXT TRIAD AREA MONTHLY MEETING – MAY 17<sup>th</sup> -

The Triad Area PCA May 17<sup>th</sup> monthly meeting will be held at Royal Gait, 6495 Kennedy Road, Trinity, NC. We will "park them in front of the Barn" and start arriving around 6:00pm; stage the cars; socialize; and plan to start a short business meeting & group discussions around 7:00pm... Kyle's Concessions Food Truck will be on site with a variety of food options and drinks; lots of tables set up in covered open air facility; bring your own adult beverages if you want...we will have door prizes, 50/50 split the pot charity tickets available for purchase; event photos displayed on the overhead TV monitor...this is a great outdoor venue location and thanks to Bobby Royals for hosting...hope you can come out and join us.

Sincerely,  
Jerry Kilcrease - Carolinas Region PCA  
Triad Area Director

'Split the Pot' winner Brad Faircloth

## Metrolina Area by Doug Strait

Doug Strait Area Director  
[metrolina-ad@carolinas-pca.com](mailto:metrolina-ad@carolinas-pca.com)

### **MAY IS BLOOMING WITH EXCITEMENT FOR SUMMER FUN....**

Our April 20<sup>th</sup> meeting was a great success, with 32 members in attendance, including 4 new members. Everyone had fun catching up on life and making some new friends.

We covered all of the upcoming events like the Spring Tour, Road & Rails in June and the 1<sup>st</sup> Autocross in Greensboro and our first club drive later in May (stay tuned for details as this gets set up).

Our April 50/50 split the pot winners were Jim & Jean Thies, who graciously donated their winnings back to the pot, benefitting our charity fund for the Second Harvest Food Bank. "Many Thanks for your generosity!!" Our door prize winners were Pattilee Kazanji and Lisa King, who took home some nice Porsche swag.

## **METROLINA AREA**

### **MEETINGS & EVENTS**

May 15, 1<sup>st</sup> Auto Cross in Greensboro – Sign up at [Clubregistration.net](http://Clubregistration.net)

May 18 - Waldhorn German Restaurant in Pineville 6:30 Meet & Greet - 7PM Meeting & Dinner

June 15 - Waldhorn German Restaurant in Pineville 6:30 Meet & Greet - 7PM Meeting & Dinner

Luftwasser – May 14

June 24-26 Roads & Rails by Triad group

Check out [Clubregistration.net](http://Clubregistration.net) for details and to register. Looking forward to seeing you all at these fun events.

### **Communications & Updates:**

Follow us on Facebook - "Carolinas Region PCA" for more fun things to do and updates.

**STAY SANE, STAY HEALTHY, STAY SAFE!!!**  
**Get out and Drive, Drive, Drive... Porsche style!!!**

Sincerely,  
Doug Strait - Carolinas Region PCA  
Metrolina Area Director

## **Lake Norman Area by Christian Roedlich**

Monthly Meeting: Second Thurs. of the month at 6:30  
Location: The Peninsula Yacht Club (Cornelius)  
Contact: Christian Roedlich Area Director  
[christianroedlich@hotmail.com](mailto:christianroedlich@hotmail.com)

Our monthly meeting in April - as usual on the second Thursday of the month - was held for the first time at Skybrook Country Club in Huntersville. We were fortunate that the weather cooperated although the forecast did not sound so great for that evening. We had well over 35 attendees and about 25 of our beautiful four wheeled friends in attendance, including a couple of sweet 2022 GT3s. As we all know, those are some of the more easily available Porsches right now,...not.

Skybrook Country Club provided us with a perfect Porsche Corral (please see photo). We had a great time socializing around our four wheeled friends while enjoying refreshments purchased at the indoor bar which is close to the parking area. Skybrook CC management arranged for a great covered outdoor seating area for us, and we were able to order our food a la carte.

Our speaker Tom Crowley educated the audience on the science behind paint, such as paint matching using a scanner for example. He demonstrated the importance of the light source when assessing paint as well as explained that not all colors are created equal. Without going into too much detail, Tom gave us a good idea of the complexity of paint jobs.

Thanks again Tom.

Lake Norman Area continued...

Our first drive of the year organized by Jeff Finkelstein was on April 9<sup>th</sup>. Undeterred by inclement weather in Blowing Rock (it snowed that night), Jeff quickly switched the drive east to Uwharrie National Forest, Badin Lake, and Lake Tillery plus lunch at a country club. We all had a blast driving with him – again thank you Jeff! In addition, I would like to point out that Jeff really exemplifies what PCA stands for, when he ensured that Steve and his 1978 911 SC were taken care of when the fan bearing failed in his Porsche (also thank you Quentin for your expert help and Don for driving Steve home). As Steve said, it's not just the cars (and they are great), it's the people that make PCA so special!!

LKN PCA members place first, second, and third in their Porsche classes at the PYC Car and Boat Show.

### **LAKE NORMAN AREA** **MEETINGS & EVENTS**

#### **NEXT AREA MONTHLY MEETING – MAY 12<sup>th</sup>**

Our next meeting will be on Thursday, May 12<sup>th</sup> at 6:00 pm at RK Motors. This is a special event that Spencer with Hagerty put together for the combined Metrolina and LKN areas. There was so much demand (registration closed fairly quickly) for this event that I suspect that we will have to do a follow up event. For our June meeting we will be back at Skybrook CC.

Sincerely,  
Christian Roedlich - Carolinas Region PCA  
Lake Norman Area Director

### **Triangle Area By Jim Proper**

Monthly Meeting: Fourth Thursday of Month  
Nantucket Grill  
5925 Farrington Rd Durham NC  
Contact Jim Proper, Area Director  
[triangle-ad@carolinas-pca.com](mailto:triangle-ad@carolinas-pca.com)

Please accept this introduction from your new Triangle Area Director, Jim Proper of Chapel Hill, effective for April, 2022.

Since purchasing our first Porsche in Upstate NY, 2003 Ann & I have been PCA members. We have enjoyed PCA adventures from Maine to Florida, Colorado, Utah, Montana & at several Parades. One-at-a-time we have owned four 911 cabriolets from 1992 C2 to 2004 C4S, to 2006 C4S to 2013 C4S.

Passing the baton to Jim Proper, new Triangle Area Director, taking over the area from Adam Morrison.

### **TRIANGLE AREA** **MEETINGS & EVENTS**

Jim Proper will lead a Driving tour Saturday, May 21, 2022 From our CnC, Panera Bread, 3603 Witherspoon Blvd, Durham, NC, departing at 10:30 am to Hillsborough BBQ Company, 236 Sk. Nash Street, Hillsborough, NC. Ending at 2:30 pm.

Sincerely,  
Jim Proper - Carolinas Region PCA  
Triangle Area Director

Future PCA Member

## Hickory Area By Michael Vittorio

Meeting: Second Tuesday each month at 6:30 PM  
Refer to Monthly Area Report for Location/Detail  
Contact Michael Vittorio, Area Director  
[hickory-ad@carolinas-pca.com](mailto:hickory-ad@carolinas-pca.com)

### The Ladies - April 5

Our Ladies in Porsches (LIP) group met in Hickory for lunch at DaVinci's Italian Grill. Eight ladies gathered to enjoy a good meal and engage in a little social "catching up". Their next meeting will be on Tuesday, May 3 at 11:30. The meeting will take place at Fresh Chef restaurant, 1825 N. Center Street, in Hickory. Please RSVP to Jane Vittorio ([Janeann.vittorio@icloud.com](mailto:Janeann.vittorio@icloud.com))

### Monthly Membership Meeting - April 9

Over the years, I have spoken to numerous Porsche owners who express interest in someday restoring a classic Porsche. Sadly, for most of us, this is only a romantic fantasy. Not so for Cody Bowman. He has spent much of his adult life building and restoring classic cars and has, more recently, built a very successful business restoring vintage Porsche automobiles. In 2019 he moved his shop, Bowman Vintage Restorations from Denver, North Carolina to Hickory. So, when he agreed to host our April meeting, we were very excited and eager to see examples of his work. Be assured, none of the 50+ attendees at the event were disappointed.

Though the exterior of BVM is, by design, very nondescript, inside are found more than 20 repair and/or restoration projects in varying stages of completion - most of which are Porsches. Following introductions and a little "Club business", Cody personally conducted a guided tour of the shop and provided descriptions of many of the projects along the way. To our benefit, he encouraged questions and was most generous with his answers.

Chip Perry, Don Trexler and friends braved the snow to bring their beautiful 356's from Blowing Rock. Chip was, of course, accompanied by his little dog Mousey who was a big hit with the ladies. See front cover of this month's issue. Following the tour, participants were provided a light lunch

compliments of BVM. As per our usual practice, door prizes were awarded and a 50/50 charity raffle was held. Winner Mike Kelly donated his prize to Crossnore School for a total contribution of \$325. The generosity of our Members is truly amazing.

As a coda to our visit, Cody directed the group to his engine dyno where he fired up a newly rebuilt 2.8 liter Porsche flat six. Truly, nothing sounds like a screaming flat six! Music to our ears and a fitting way to conclude a memorable visit.

Hickory Area continued...

Afterwards, a few of the more die-hard participants proceeded to Silver Fork Winery to sample a bit of their product and participate in the winery's ninth anniversary celebration. Unfortunately, the weather was not particularly cooperative so their visit did not last long. Perhaps better luck next time.

### **HICKORY AREA** **MEETINGS & EVENTS**

Our **next meeting** will be held on Tuesday, May 10 at Fresh Chef Fresh restaurant, 1825 N. Center Street, in Hickory. The meeting will begin at 6:30 and will feature a speaker from our chosen charity, The Crossnore School. Please join us to learn more about this wonderful organization and why we have elected to give them our support.

If you plan to attend, please register using the following link:

<https://www.signupgenius.com/go/508044DAEAA22ABFB6-maymembership1>

Sincerely,

Michael Vittorio - Carolinas Region PCA  
Hickory Area Director

### **SANDHILLS AREA** **MEETINGS & EVENTS**

Of course, our local focus is on Sandhills Motoring Festival at end of May. Excellent event registration promises a great time for all. The Sunday concours is free and open to all spectators. Over 150 cars will fill the streets of the Village of Pinehurst.

In July we have been invited to Rockingham Drag Strip by owner, and Sandhills member Steve Earwood. We will run against each other for FTD bragging rights. The hardcore drag folks love to see the Porsches run.

Our two C&C events each month are very popular! The Pinehurst Village event draws 50-60 cars of all varieties. Our Sandhills C&C brings out 25-30...mostly Porsches. In July and September we will combine C&Cs with tech sessions at local venues.

Also planning another drive & lunch in August to Holden Beach with Cape Fear Area Hurricane guys.

Enjoy The Ride!

Marty☐

### **Sandhills Area By Marty Barrett**

Meeting: Fourth Tues. of the month at 6:30 PM  
Rotating Location - See report below  
Contact Marty Barrett, Area Director  
[Sandhills-ad@carolinas-pca.com](mailto:Sandhills-ad@carolinas-pca.com)

Spring is off to a fast start! Several of us spent two days at VIR with Ferrari Club in early April. Forty drivers plus a few instructors on the full course. At least ten Porsches and a few Corvettes joined the Italian Mob. Just two run groups with thirty minute sessions. Great weather made things close to perfect, but one Ferrari had an engine fire on course.

### **Upstate Area By Jeff Price**

Meeting: Second Tues. of the month  
see 'Meetings & Events' for exact location/time  
10 Chrome Drive Greenville SC  
Contact Jeff Price, Area Director  
[upstate-ad@carolinas-pca.com](mailto:upstate-ad@carolinas-pca.com)

Spring is trying to arrive in the Upstate Area and we are getting our Porsche's out and having some fun!

On Tuesday, April 12th we held our monthly meeting at Quaker Steak & Lube, 10 Chrome Drive, Greenville. The beautiful weather brought out a large group, with over 55 members in attendance. Many folks enjoyed our "Meet & Greet" session in the parking area, reviewing members cars and discussion Porsche topics.

Upstate Area continued...

Once the meeting moved inside, members enjoyed a meal and more socializing with their fellow PCA members. EPM Detailing in Taylors, SC presented the differences & benefits of Paint Protecting Film versus Ceramic Coating, along with the benefits of Window Tinting and general Paint Correction for your car. Kevin & Jeff from EPM Detailing fielded many questions on these topics along with the services that EPM Detailing can provide. Plus they offer all PCA Members a 10% discount!

#### Past Events

April 9th Drive & Dine;

On Saturday April 9th we held a Drive & Dine from Easley, SC, over some great Back Country roads, up route 276 past Caesar's Head State Park, and thru the DuPont Forrest Recreation Area on our way to Pisgah, NC for lunch at the Hawg Wild BBQ. 12 Cars and 20+ members participated in the drive.

After Lunch, 2 car continued north up Rt 276 to the Blue Ridge Parkway as a round about way home..... Unfortunately, we got as far as the Pisgah Inn for a quick rest stop, when the Park Service closed the Park Way heading east as it had started snowing..... Oh well, we backtracked our way home and still had a great drive.

#### UPSTATE AREA MEETINGS & EVENTS

Notable Future Area Events (that are still open or have yet to be opened....)

Cars and Coffee of the Upstate is back! Their next event will be on Saturday, May 28th, from 8:00am till 11:00am at Michelin's Headquarters off Pelham Road & Exit 54 of I-85.

May 20th Drive & Dine to Phil's BBQ in Black Mountain, NC. Registration for this Drive & Dine is on Eventbrite. The Tour will be limited to 24 participants so sign-up now if you are interested. (Use Link above) There will be a waitlist, and please do not sign-up if you do not plan on attending.

July 30th Upstate Area Summer BBQ Party. Save the Date for our Upstate Area Annual Summer BBQ Party - Saturday, July 30th @ Riverain Farm Event Venue.

#### Upstate Area Charity Raffle

We ended the meeting with our 50/50 Charity Raffle. Many thanks to Andy S. for selling the tickets this meeting. The pot total was \$300, so \$150 to our Charity (St Vincent DePaul) and a \$150 Prize. EPM Detailing also provided several discount coupons as prizes in our raffle, Plus we had several bottles of Car Car products and a \$25 Gift Certificate to Quaker Steak & Lube! Our raffles keep getting better & better, so remember to bring some cash to the meeting and participate - it's also fun to win something!

The final item is a reminder that our May monthly meeting will be held on Tuesday, May 10th at Rocky's Hot Chicken, 420 Laurens Rd, Greenville, SC. Our usual Parking Area "Meet & Greet" will start around 5:30pm, and Rocky's has set aside their covered outdoor patio for our meeting. This is a new meeting place for us, and is in response to your request for some variety in our meeting locations, so come out on Tuesday, May 10th and check out Rocky's Hot Chicken Shack !

Sincerely,  
Jeff Price - Carolinas Region PCA  
Upstate Area Director

Greetings friends and soon to be friends of the Carolinas Region HPDE program! First of all, a shout out to everyone who makes the program what it is.....Shane Tisdale as our Chief Instructor, Andy Shoun & Maurice Perea as our Registrars, Jerry Widner as our Classroom Instructor, Les Stabler in charge of Technical Inspections, and Jay McArdle as our Track Ambassador. There are others who help out on a regular basis who you've seen or interacted with if you've been to an event recently.....Rodney Fossum, Herbert Boehm, Bobby Cranford, Gerald Stabler, and others who've stepped up at events over the past couple years. An enormous Thank You to everyone who has been involved.

That brings me to something I've been thinking about since the middle of 2021. The program needs a co-chair. It takes significant time and energy to bring this program to life, and there are so many more things that we can be doing to support the larger Carolinas PCA community. Some of those ideas include an off-road component, skid pad time, and training to accompany the VIR event in November. All these things could be brought to our members if there were more minds and hands among which to spread the effort. So my ask of each of you who attends the events as drivers, think on whether your time and talents are available to help grow our already stellar program. While you're at it, don't forget the free track time!

Speaking of time and talents....the end of March was an extremely busy time for me and things haven't really slowed down. Our March event was a resounding success, even if there was a four letter word involved Saturday.....and a different four letter word on Sunday. Yes, it did rain on Saturday. One of the things I love about driving on a wet track is that everything happens just a little slower. You don't actually want to drive through standing water, but a wet track can be an excellent teacher that allows you to experience the limits of traction at a considerably slower pace. Unlike some tracks (ahem...Mid Ohio) there isn't really a "wet line", but there are things you learn early on with wet weather driving...like stay off the paint. It's amazing how slippery it gets applying a lubricant to an already smooth surface. Those who toughed it out were rewarded with a drying track and much better conditions in the afternoon.

Sunday....well what can I say....we've had snow in the past few years, fog so thick you couldn't see turn 10 from the start/finish line, and rain blowing sideways in years past. All that said, 24 degrees F is usually reserved for VIR in November, not Kershaw in March. It was COLD Sunday morning.....so cold that in prep I drained the straight water out and put in antifreeze. I went out in my unheated car Sunday morning and lasted 9 minutes before I couldn't feel my fingers in my gloves. Despite that we had a great time Sunday as well with mostly clear skies and an eventual warm up to something tolerable.

It was also good to see some Macans join us on track.....Porsche doesn't really make a road vehicle you can't track. I had my Cayenne Turbo at VIR for a few laps and you really can't explore what these cars have to offer on public roads. I was frankly floored by the SUV's capabilities, and it was great to see others exploring what their SUVs can do on track.

We're into the slow time of year for all of us, as our next event is September 10-11 back at Carolina Motorsports Park, but as mentioned before there are a lot of things we'd like to do that we just aren't quite staffed to accomplish. We're working on the details around a solo only DE in conjunction with the upcoming Club Race so stay tuned into ClubReg for details and registration. As always, I appreciate your time and look forward to seeing you at the track!

# President's Project Page

Aging Out, After 121 Years

Phillip Evans

I continue sharing YOUR Story, YOUR Passion for your Porsche(s) from around the Region. Many thanks to those that have stepped up and shared with all of us, here in the President's Project Page. For this month we have a tale of the times... age, in this case. I know that as we grow older, and obviously much wiser (right??), circumstances change the way we do things. Many throughout the Region are experiencing or have experienced what Phillip and Carol have. We only get one shot at this thing called "life" ...ENJOY it...EMBRACE it... make a difference! Read their story and I know you will smile often...I certainly DID! Please ENJOY!

## "Aging Out, After 121 Years"

Porsches have been in the Evans family for generations. My Grandparents owned several, my dad has owned two and I've owned two. Carol and I have been PCA Club members for a combined 35 years and my Mom and Dad, Ruth and Phil, have been members for a combined 86 years. Between the four of us, not counting my grandparents, we have 121 PCA membership years and as a family probably over 200 combined years of Porsche ownership. But an interesting thing happened this year, we sold our **CARS**.

Grandfather and Grandmother with their 356 – 1960's

"Aging Out" as defined by my Porsche Hickory salesman, Bob Smith, is a phenomenon whereby a "more mature" Porsche owner begins to have trouble getting in and out of the sportscar and desires a more luxurious/comfortable ride as compared to the sportiness of most Porsches. He has witnessed it time and again with 911/356 owners trading in their cars, often having owned them for 20 years or more.

At age 40, my first Porsche was a red "hand-me-down" 1965 356 Cabriolet that my dad bought when I was 10. Carol and I went on our first date in the 356 when we were High School seniors. My daughter and her husband drove away from their wedding reception in it. It was a part of our family. Carol and I enjoyed that car immensely. I became a regular at club autocrosses for a few years and even won my class a year or two in the Carolinas Region.

The 356, while not restored, was a "5-footer": It looked good from 5 feet away. I entered it in various shows, and it usually was a respectable representation. It never competed well with fully restored cars, but it still had the horsehair insulation under the floor mats and the exterior was in reasonable shape. It had been repainted once or twice over its forty-year run in our family and really deserved a complete restoration.

Me and my 356 cab, my first Porsche

In giving me the 356 for my 40th, my Mom no longer had a Porsche in the family. She was sullen, to say the least, it was like there had been a death in the family. "Something" was missing.

1969 912 Daily driver

Fortunately, within days of getting the 356, I was able to locate a 1969 912. It was the 12 Volt system and a 911 style body down in Birmingham, AL. It was bright yellow and had a bashed in front headlight. The previous owner had wrecked it on a rainy road, driven it home and parked it in his garage. It remained untouched for a decade or longer. It was a classic "barn find".

Remarkably there was no rust on the yellow car, the wiring harness was fully intact, and the engine "started". Dad bought it and we trailered it home. My mom who had gone quickly into "Porsche withdrawal", immediately fell in love with the little 912.

Dad spent a couple of years sourcing original parts, having the body work redone and having it repainted. When Dad bought it, it was a bright

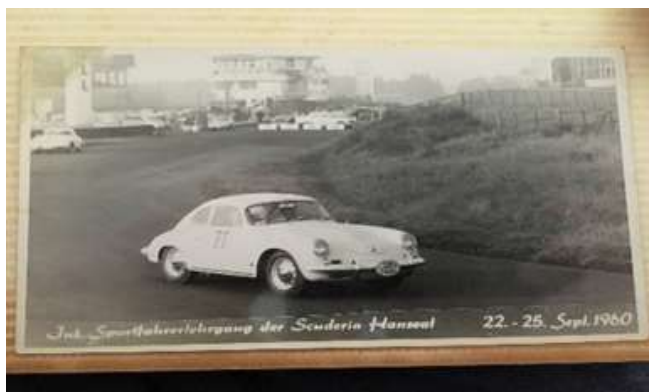

yellow color, however, when we removed the front license plate cover the original “Bahama Yellow” color was determined; a much richer, deeper color. The car was correctly repainted and placed into service as a daily driver and driven for 25 more years.

Then something happened: after returning from an unsuccessful autocross on a hot August evening, I decided to sell the 356. The car was hot, it had no A/C, and it had developed vapor lock after I spun out; as well, it wouldn't start with the 6-volt battery. After an embarrassing push start in front of my autocross friends, I decided that I was ready to sell the car and buy something else. I had aged out of the red 356.

I sold the 356 to a friend and very capable Porsche restoration expert, Tim Hermann. Tim does national level restorations on primarily older Porsches in his shop in Hickory. (See [carreramotorsport.com](http://carreramotorsport.com) for more information.) After digging into the “Evans” 356, Tim decided to “preserve it” and drive it himself. It'll be repainted and worn parts will be selectively and carefully replaced.

I liked the two-seater convertible feel that the 356 offered. To me, that's a true sports car. My grandfather had owned several 356's. He and my grandmother would travel to Germany, buy their car, and tour Germany. Then they'd have it shipped back to the States and imported as a “used” car. I have a few grainy black and white photos from the 1960's of him in his white 356, including one of him driving through the carousel on the Nürburgring. There's just something “honest” about a two-seater sports car.

After not much thought, I decided to replace the 356 with a Boxster. My wife had seen a Boxster at the grocery store, a beautiful blue color with “red brakes”. She loved the color combination. I told her that she'd seen a Boxster S and we'd never be able to afford that. But, after selling the 356 to Tim, finding the right car became the main challenge.

My Grandfather at the Nürburgring

exactly what it was designed to do. But, as I approached my Medicare age of eligibility, I was noticing that the Boxster “seemed” to be getting pretty low to the ground. I found getting in and out of the car was taking a whole lot more effort. Often, I would find myself literally rolling out of the car and onto the garage floor. The lack of events due to Covid, my 65<sup>th</sup> birthday approaching, and “rolling” out of the car after a spin in the Boxster led me to again think: “I have aged out of this car.” What next? Am I done with Porsches? I decided to sell the Boxster: it was a sobering thought. Then Carol came up with a crazy idea: “What if we sold the Boxster and your daily work driver to buy a Cayenne? It's a Porsche!”

Sell TWO cars and get a Cayenne?? That might just be a *wonderful, brilliant, crazy* idea! It comes in an E-Hybrid model and that intrigued me. A Cayenne would be easier to get in and out of, plus, we could take trips together and have actual luggage space. Most importantly, I could drive a Porsche every day!

Hmmmm...a Cayenne? But is it really a “Porsche”? Caleb Pletcher, the former General Manager at Porsche Hickory explained that the only people who think a Cayenne is NOT a Porsche are those who have never driven one. The Cayenne, Macan and Panamera are the cars of choice for folks like me that have “aged-out” of the “sportscars” but still want to drive a Porsche. And it's a fine point; but the Cayenne turns out to be a sportscar that “looks” like an SUV versus an SUV “trying” to be a sportscar.

We discussed our options with Porsche Hickory, and they acknowledged it was common for “more mature”

Me and my Dad with our Porsches

I scoured the online classified ads ([cargurus.com](http://cargurus.com)) and found a likely candidate at a FORD dealership. Honestly, I'm not sure they knew what they had. After a bit of back-and-forth negotiations, I secured the 2011 Metallic Blue Boxster S with the “pretty” red brake calipers. I enjoyed driving the Boxster, auto crossed it once coming in second in my class and even went on a few tours with the Carolinas Region Hickory Area. Carol liked having an air-conditioner and I liked being able to travel with the top down.

Carol and I even developed a routine with another couple our age with a red two-seater convertible. He would map out a route using back winding country roads that would lead us to a small rural town that conveniently had an ice cream shop and usually an adjoining coffee shop. It was a wonderful way to enjoy the Boxster and do

Carol and I at Christmas...waiting on our Cayenne

Porsche owners to move into a Cayenne, Macan or Panamera. Their knowledgeable staff and tax incentives led us to decide on getting a new Cayenne E Hybrid. It has "Porsche" performance with a 0-60 in the 4.7 sec range and the economy of a hybrid at 40+ EM PG.

With any options added the car can quickly approach or exceed six figures. That was more than I intended to spend, but Carol wanted a newer Cayenne with the new large infotainment center and piano black console. (I tried to talk her into a used one, but she "made" me opt for a new one.) So, we decided to special order our own Cayenne and we got to pick our options. Carol picked the color: Cashmere Metallic Beige.

Again, Covid/Supply Chain issues hit and alas, our car was backordered waiting on both parts and a slot on a ship. We ordered it in early Aug of 2021 its scheduled arrival was delayed from Nov to Dec: just in time to arrive around our Anniversary (Mid-Dec), Christmas, or my Birthday in early Jan.

As of writing this, our Cayenne has arrived, and we love it!

It gets decent mileage (I can drive to work and back on the battery only), has amazing acceleration and it is comfy to ride in. We especially love that we can turn the car heat (or A/C) on with my cell phone app and have the e-hybrid battery warm (or cool) the cabin before we get in.

So, (from my perspective) this is all Carol's fault: I have a NEW Cayenne E-Hybrid! I haven't aged out after all!

Carol tells me "Happy Anniversary, Merry Christmas and Happy Birthday.... for as long as we both shall live."

It's the cars. It's the people.

-----

*I will continue to provide the opportunity to showcase members across the Region, here in the President's Project Page...be ready with YOUR story, YOUR project, YOUR passion. I look forward to travelling around our Carolinas Region to find it. We will put it here!*

*Until next month...*

Contact Doug or Linda in Augusta (803) 443-9900

Former 911 (‘82, ‘85 x 2) owner has these items for sale. These should fit 911 1978 - 1989. Colgan Bra - Black with Fog Light and License openings with all clips and straps in tact (\$100) , Car cover - Autochic - definitely used but still OK - \$25. : Reference Sensor new part, not used - Bosch Part # 0 261 210 005 (\$173. on Pelican) When this fails you will be stranded - \$135. Floor Mat used \$20. Dave Howells, Salem SC Text 518 478 3698 or [david.howellsiii@gmail.com](mailto:david.howellsiii@gmail.com)

(2) Pirelli 245/35ZR20 P Zero tires. 0 miles, new with stickers. 3519 and 0420 date codes. \$550. Email and we can discuss delivery. Joe Carastro, [drjoesc@gmail.com](mailto:drjoesc@gmail.com)

2 classic Fuchs wheels, 15x6, from a 1976 911. Black centers, center caps included. The wheels are true and would make ideal track wheels. They can be used as-is but they are scruffy, or restore them to their former glory. They need to go. \$175 for the pair. Chris Placco, Winston Salem NC, [christopher.placco@gmail.com](mailto:christopher.placco@gmail.com) or text 401-741-1230
