Jerry Widner, President

## GET INVOLVED...TAKE PART!

Strike up the band and MARCH your way to one of the many events the Region has to offer! Sure, you might have a little pollen to deal with; but if you are like me – you'll gladly accept it for warmer weather. February is behind us, and we have so many exciting events to enjoy for the remainder of the year.

Happy St Patrick's Day!!!, celebrate wisely!

**Thank you** for the 40+ members that attended our "Intro to High Performance Drivers Education (HPDE)" seminar held at Carolina Motorsports Park. We had a great turnout as well as wonderful weather.

Tech Shed demonstration - CMP

Friendly reminder of the years Drivers Education schedule and that our first event is just under two weeks away. As of me typing this, we are still short about 15 participants...won't you join us?

Great Weather at CMP

### HPDE Schedule for 2023:

Area Director

**SPRING IS ON THE WAY...**

**...Fun is blooming soon !!!!!**

Team Meeting Dinner

Our Feb. 15th meeting was a fun night with 24 members and 1 new member joining us for dinner & fellowship. The enthusiasm to get out and drive and do some fun events was electric.

"Split The Pot" winner Thomas Kazanji

Our 50/50 "Split The Pot" winner this month was Thomas Kazanji, who generously gave back \$100 to the pot benefitting our chosen charity, the 2<sup>nd</sup> Harvest Food Bank in Charlotte. Thomas and Nicholas Melissaris both took home a nice Porsche thermal cup. Congrats guys!

### Upcoming Events:

**March 1**, Spring Tour registration opens up for May 3-4-5 at Harrah's Casino register at clubregistration.net & get more details

**March 11** – HPDE at CMP register at clubregistration.net, be sure to check out the pre-check list for compliance, brake fluid, helmets etc.

**March 15**, Metrolina meeting at John's restaurant 6PM – 8PM

April 1st, RADWOOD CHARLOTTE - Hendrick Hendrick Motorsports 4400 Papa Joe Hendrick Boulevard Charlotte, NC 28262 10 AM – 3 PM

**April 29th**, Luft Wasser Porsche Celebration in Brevard, NC Join 200 Porsche friends for a fun Saturday. . Appalachian Region members will have a chance to register first starting on March 6, 2023. Open registration occurs on March 15, 2023. This event normally sells out within hours so take advantage of the early registration

If you haven't checked out the "YouTube" channel for some great videos on Porsche history, plant tours, car reviews and lots of other great how to DIY projects, please do. Lots of informative information and tips and tricks on working on your Porsche. Also, if you use Real Player you can download the videos for future reference.

NEW WEBSITE: Be sure to check out the newly updated Carolinas Region PCA website ([Carolinas-PCA.com](http://Carolinas-PCA.com)) and also watch for updates on our Carolinas Region PCA Facebook page and in Tobacco Roads.

Looking forward to a great new year in 2023 with more fun events and drives to come.

Thank You for your Support!

Sincerely,

Doug Strait - Metrolina Area Director

Hello PCA Carolinas Region - Upstate Area members;

Monthly Meeting Gathering

The PCA Upstate Area of Carolinas Region held it's February monthly meeting & social on Tuesday evening, February 14th. Even though this was Valentines Day, approximately 35 members attended to socialize with fellow PCA members and discuss club events. A special mention for those PCA members who brought their Valentine's Sweetheart to this meeting for dinner, as it demonstrates their excellent multitasking abilities!

**Previous Events:**

**Love Run Valentines Drive & Brunch**

On Sunday, February 12th, we held our annual "Love Run" Valentines Drive & Brunch. This year the weather did not cooperate, sending us rain and some potential snow flurries at the Venue - Highland Lake Inn, in Flat Rock, NC. We held the event in spite of the weather, yet we changed the route as most folks drove vehicles more suited to potential snowy conditions. 30 members attended and enjoyed a fabulous brunch and time with their Valentine's Sweetheart.

Valentine's Brunch

Lunch at Highland Lake Inn

**Upcoming Events in our Area, Region & Nearby Regions:**

**Upstate Area Monthly Meeting & Social (March):**

Tuesday evening, March 14th, 5:30pm, Quaker Steak & Lube 10 Chrome Drive, Greenville. Come on out and socialize with your fellow PCA members, have a bite to eat, and find out what's happening in our Area & Region.

**Hendrick Performance Center & RK Motors Tour:**

Hagerty Insurance - PCA Tour of Hendrick Performance Center & RK Motors Collection in Charlotte, NC.

Thursday, April 6th, 8:15am - 3:30pm, Drive from Spartanburg up to Charlotte, NC and tour the Hendrick Performance Center, then have lunch, followed by a tour of the cars at RK Motors. Registration on Eventbrite.com is required.

This event is limited to the 1st - 28 members who register, further event details are on the registration site.

**Upstate Area Spring Drive & Social:**

PCA Carolinas Upstate Area Spring Drive and Social at the Point Lookout Vineyards & World's Edge Meadery, Sunday, June 4th, ~9:30am - 3:00pm, The day starts with an exciting 2 hour Drive from Taylors, heading north, along some great back-country roads, past Lake Lure and Chimney Rock to our venue, Point Lookout Vineyards & World's Edge Meadery. Once at our venue, lunch, wine, mead or other beverages will be available for purchase while you enjoy socializing with your fellow PCA members and take-in the wonderful 30 mile views and cool mountain breezes.

If you prefer, you can skip the Driving Tour and drive directly to the venue, yet please register so we have an accurate Headcount!

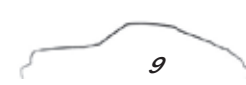

Registration on Eventbrite is required; [Spring Drive & Social Tickets](#), further event details are on the registration site.

**Regional Events:**

**PCA Carolinas Region Spring Tour in Cherokee, NC - May 3rd - 5th.** Drives, Concours, Dinners, Special Entertainment & More...

Registration open on March 1st, at 8am on ClubRegistration.net. This event is limited to the first 45 cars.

Jeff Price - Upstate Area Director

The Triad Area held the February 21st monthly meeting at Kick Back Jacks in Greensboro and we welcomed 52 members, guests and sponsors that joined us. Sadie worked the 50/50 split the pot sales and I gave out door prizes tickets to everyone.

February Door Prize Winners!

Porsche of Greensboro donated some great door prizes along with gift certificates that brought a smile to the faces of the lucky winners.

Singing Happy Birthday to Marilyn

We sang Happy Birthday to Marilyn Cantley and Sandra Vetrano who celebrated their birthday during February and they both were treated to a free "Happy Birthday" desert. Dick Abbott, co-Chairman of the upcoming Regional "Spring Tour" gave the group an update on event details and reminded attendees that registration opens on March 1st. Charlie Massler, Event Chairman for the upcoming Carolinas Region "Summer Blast Party" shared information on planned activities during the event to be held on June 9th -11th at VIR.

"Split The Pot" winner Sadie Kilcrease

After discussing details on upcoming Triad Area hosted events during March, April and May, we held the 50/50 charity split the pot drawing and Sadie had the winning ticket and she elected to donate the money back. Thanks Sadie. And thanks to all that came to the meeting...we hope to see you at the monthly meeting again on March 21st..

Area Director

Sunny, warmer days have increased participation in the Triangle Area at Cars & Coffee gatherings on the first & third Saturdays at Southpoint Porsche & Panera Bread, respectively. On Feb. 4 at Southpoint Porsche, in addition to their catered, full buffet breakfast, we enjoyed their Eighth Annual Concours de Indoors where 20+ members competed for awards by displaying their model cars of various scales, as well as two Porsche-themed, model trains. A good time was had by all.

The response to my opportunity to tour the private car collections of Rick Hendrick & RK Motors has been overwhelming. We have reached the maximum allowed of 30 with a wait list in the case of cancellations. Friday, March 31, is our date. We will gather at 4400 Papa Joe Hendrick Blvd, Charlotte, by 10:50 am where a \$25 per person donation is requested in support of the Hendrick Foundation in support of charitable organizations & causes. After the 200+ Hendrick cars & lunch we will visit the nearby RK collection (no fees) at 2:30 pm. We should be headed for home by about 4:00 pm.

To make up for missing the Amelia Island Concours March 3-5, I plan to tour the scenic Cabot Trail for 186 miles around Cape Breton Island, Nova Scotia, this September 1-15+/- . Among the most scenic drives in the world, according to National Geographic's 500 Drives of a Lifetime, p. 63, & Lonely Planet's Epic Drives of the World, pp. 130-133, the Cabot Trail has been on my bucket list for 40+ years. Every adventurist Porsche driver is encouraged to read up on this destination; canoeing, kayaking & hiking in the Cape Breton National Park; seeing whales, dolphins, otters, eagles, moose, bears, cliffs & waterfalls; enjoying seafood chowder, lobster tails & crab sandwiches; touring the Alexander Graham Bell National Historic Site, museum & his hydrofoil. The Cabot Trail is more than a drive with stunning geography, ocean vistas, wilderness & wildlife. It's also a cultural circuit enriched by colorful inhabitants & centuries-old traditions. Starting in 1497 the natives were joined by the Scottish, Irish, English & Acadians (descendants of the French), all contributing to the Gaelic melange. I plan to

take the cliff-hanging, anti-clockwise route offering the best views. (However, my bride of 51 years is not interested to travel for so long & far in a small car.)

Nova Scotia's notoriously inhospitable Bay of Fundy is home of the world's highest & most powerful tidal surges with more than 160 billion tons of water flowing in & out of the bay daily. This tidal energy resource contains more than four times the combined flow of every freshwater river in the world. In addition to creating the TVA when seeking more electricity to power the arsenal of democracy in WW2, FDR initiated efforts to harness this renewable, kinetic, tidal energy. Tremendous technical & cost challenges are still to be solved; however, current collaborations among America, Canada, England & Germany have renewed promise for success. With water 830 times more dense than air, and the tides flowing nonstop 24/7/365 for "free," the potential for renewable, tidal, electric energy worldwide is game changing. My trip will include a visit to the Fundy Ocean Research Center for Energy (FORCE) in the Minas Passage, Bay of Fundy about 10 km west of Parrsboro, Nova Scotia.

Please be invited to contact me if this trip interests you. Two Porsches are better than one. Adventures are better shared than solo.

Please introduce yourself to me at our Cars & Coffee (CnC) or our monthly meeting. In addition to our Carolinas Region events, we are welcome to participate with our eastern neighbors in the Hurricane Region, as shown at [www.hurpca.com](http://www.hurpca.com)

Enjoy your Porsche & your PCA membership!

Mike Rogers & 1000 HP+

Our first PCA gathering of 2023 was on February 9th since our January meeting had to be canceled due to inclement weather. Spencer and Paul with Hagerty arranged for us to meet at Mike Rogers' private car collection.

Car collection & Spencer

We had a great turn out to kick off the year as about 70 members and friends gathered at Mike's fantastic "Car Mahal" place off Brawley School Road in Mooresville. Hagerty catered pizzas, salad, and drinks for the event – as always much appreciated! Spencer gave us a great preview of the upcoming Amelia Island Concours – truly a spectacular event (please see photo of the "Car Mahal").

Mike has an incredible collection of Datsuns, at least I had never seen that many in one place. Of course, there were many more great cars to admire. After Mike fired up one of his most recent purchases, a "slightly" modified Mustang with over 1,000 HP – I had a ringing in my ears for a little while afterwards... (please see photo of Mike Rogers). Mike also talked shop to the group and shared some incredible stories: e.g., one, when an older technician friend of his – as he described it "a true country boy" – was basically solving Ford racing engineers' enigma of keeping the HP consistent during long-term trials on their Mustangs prior to one of the past Daytona events, because it basically blew off the head gaskets each time. "Country boy" suggested using a different material (brass) to attach the head gaskets thus providing the necessary thermal expansion – and much to the surprise of Ford engineers the problem was solved!

Simon, our raffle winner

Paul Kaperonis entertained the crowd with a few of his popular trivia questions and prizes. During the presentations, we sold our raffle tickets and we were able to raise an incredible \$820 for the children and families at Barium Springs. Thanks again for the generosity of PCA members of LKN. We had many great prizes purchased from Hendrick Porsche such as cups and hats, as well as Porsche backpacks, duffle bags, new Porsche garage signs, several GMP hats, a.s.o. Our PCA member Simon Weber won the great prize, a fantastic Porsche duffle bag and a very nice classic Porsche garage sign (please see photo).

Great news concerning our future gathering spot: the Peninsula Yacht Club has agreed to host PCA again at their fantastic location in Cornelius. A huge thank you to our member Chris Slocum and PYC manager Jeff Barry. As in the past, there will be a "Porsche Corral". Our meetings will be conducted in the first room on the right when entering through the main entrance to the club. We will also be ordering refreshments straight from the bar adjacent to the room. The food that we will be able to enjoy will be the same that PYC is offering that evening to their members, usually they have themed nights such as taco night, hamburgers, etc. This arrangement allows PYC to cut down on the cost (they don't need extra personnel for us as in the past) and allows us to return to this fantastic venue. It is a privilege for us to be able to conduct our meetings at such a great venue in the perfect location (pretty much in the center of our LKN area). Our next meeting at PYC will be on Thursday, March 9th at 6 pm. Spencer with Hagerty will give us a recap of Amelia Island and Hendrick Porsche announced that they intend on bringing some eye candy to the next meeting. For April 13th, we have another "offsite" visit planned. This time at Hotchkis Sports Suspension Systems in Mooresville. More to come, meanwhile please mark your calendars.

Zack Keisler from Moore County Military Missions in Action (MMIA) spoke at our January dinner. They provide an amazing array of services to wounded and disabled veterans and their families. In addition to being a charity we support, a couple Sandhills members will now volunteer on local projects to assist veteran families. And, a big thank you to our generous members, and Porsche Greensboro, for making dinner meeting charity raffles a huge success!

Cars & Coffee

Atlanta Experience Center, Feb 5, 2023

BJ and I visited PECATL in early February...again! I wanted to drive the new addition to the track, and BJ wanted to shop. She was successful, I was not. The new track is finished, but they are waiting for the surface to completely cure before allowing hot laps. We have never seen the facility as busy! It was a Saturday, and you must have reservations to get in, but the place was mobbed. We had 12:30 lunch reservations at 356 Cafe, but there was still a 20 minute wait...so we ate at the bar. Still lots of fun! We will go back in August.

Many cars at the Moore County Airport

The unusually warm weather has been favorable for early spring activities like a couple back roads drives and annual garage maintenance chores. Attendance at dinner meetings has been good, and C&C participation has been excellent! A recent C&C at Moore County Airport gathered over 100 vehicles on a cool, breezy Saturday morning.

Excitement is also building for spring activities, including:

- Open house at Rockingham roval track (new surface) on March 4
- Amelia Island weekend events March 3-5
- CMP DE March 10-12
- Hendrick & RK museum tour on March 14
- C&C and Greensboro tech session March 18
- VIR track days April 10-11, and May 18
- C&C at Sandhills Community College on April 15
- Tour to Shennandowah Nat'l Park April 17-19
- Tour to Pawleys Island May 26-29

Area Meeting Gathering

These activities would not happen without Sandhills Area members support and assistance.

Thank you!

Marty

Snoopy. Thank you, White and Gail for a fun evening.

~ Next Meeting ~

March 14 (Tuesday), 6:30 @ Paramount Classic Cars, 3030 Falling Creek Road, Hickory, NC. Please join us for dinner and a “tech session” compliments of Porsche Hickory. Some of you may remember the 1983 930 Cabriolet that Classic Cars restored last year. This is an opportunity to see the finished product and to unveil their newest Porsche restoration project. To help us better plan for the event, please sign up using the link below if you expect to attend. Sign-Up March Meeting/Tech Session

~ Drive and Dine ~

March 18 (Saturday), 10:00 AM @ Chip Perry's “Barn”. Blowing Rock, NC. Please join us for a very special event. Chip Perry has invited us to visit his Barn and see his collection of vintage Porsche (and other) automobiles. Chip will provide coffee and donuts. He will be on hand to show us around and answer any questions. Lunch (\$22/person) will be served at noon followed by a drive on mountain roads. The group will return to Blowing Rock for refreshments on your own and time with friends. Registration required. For additional details and to register see use the following link: Register: Mar 18 Drive, Dine and visit to Chip Perry's Barn

In February, the Hickory Area held its monthly membership meeting on the 14th. That's right, Valentine's Day. Our usual meeting date has fallen on Valentine's Day before. And we moved the meeting so as not to conflict with member's plans to celebrate the day. However, when attendees of our January meeting were asked about when they would like to meet, they overwhelmingly chose to do so on Valentine's Day. So, twenty-three Members and guests met for dinner at Hickory's Fresh Chef Restaurant. Jane and I were traveling most of the month of February so the meeting was hosted by White and Gail Iddings.

Gail is a very thoughtful hostess so it is no surprise that she made an extra effort to assure the meeting was an appropriately themed celebration of “the Day”. Valentine's Snoopy was on hand to mark the occasion and served as a backdrop to any couple wanting to mark the occasion with a photograph. In addition, a special container of Valentine's Day chocolates was given to each of the ladies present – and men who so desired. Coincidentally, Fresh Chef was offering bottles of select wines at half price – a surprise but welcome treat.

Gail/Snoopy

As usual, we had door prizes and a 50/50 raffle. Ann Lucier won the raffle. She generously donated her “winnings” for a total \$170.00 contribution to Crossnore Communities for Children. Jeff Matthews contributed a hand-made charcuterie board and a leather Porsche key fobs as door prizes. These were won by Tina Dunlap and Alan Barwick, respectively. In addition, Bryson Kiser won a Porsche mug and Ann Lucier won a Porsche license plate frame, all compliments of the Area.

So, perhaps not the “romantic” dinner often associated with Valentine's Day but, all in all, a very pleasant way to spend the evening ... gathering with Porsche friends for dinner, wine, chocolate and a chance to be seen with Valentine's

Chip Perry's “Barn”. Blowing Rock, NC

~ Ladies in Porsches (LIPS) ~

March 7 (Tuesday). 11:30 @ Porsche Hickory. Ladies, mark your calendar. Lunch will be provided compliments of the dealership. Additional details to follow.

# President's Project Page

*"Promise Kept-40 Years Strong"*

by Pattilee Berridge & Thomas Kazanji

*I continue sharing YOUR Story, YOUR Passion for your Porsche(s) from around the Region. Many thanks to those that have stepped up and shared with all of us, here in the President's Project Page. This month I bring to you a promise story; including Datsun trade-in, Hair-Dryers and Snow Plows...40 years strong!*

*Please ENJOY!*

My very first car was a 1969 GTO 4-speed, with my second a stylish little Datsun 240Z which I had for some time. Fast forward to college and I had always told myself that when I graduate Chiropractic School, I would drive a Porsche. Graduating in 1983 saw me going to Legend Porsche in Brooklyn, NY and ordering my very own 1983 Porsche 911 SC Coupe, triple black, sunroof, 3.0 L, 5-speed and a whale tail, (yes, you could order a whale tail back in the day - I have the paperwork with option 473 to prove it).

Back in The Day!

At the time I went to take delivery of my new Porsche I had decided to trade in my 240Z. I recall telling the salesman "I will miss my Datsun" and vividly remember his response of "not when you drive this". Nothing could have proven to be truer. At that time, the Porsche was my only means of transportation to my business in Long Island, NY from my home on the North Shore of Long Island.

I had lived on an estate there with the Porsche safely kept; although it had never been garaged at that time and was driven in the rain, snow, sun, for work, shopping and going out. At times I would put a car cover on it to help protect it. There was one winter night it had rained and then

the temperature dropped so much that the car cover had frozen. That morning when it was time for me to get to work the car cover would not come off. I did not want to pull the paint off the Porsche, so I got my hair dryer from the house with a long extension cord and 2 hours later I had melted all the ice and off to work I drove.

About 1987 I had a custom home built on the North Shore of Long Island, this time with a 2-car garage (unfortunately this also came with a very steep and long driveway). Funny story, but with the driveway being so long and steep, getting the trash to the street was a huge task, so I would put the trash bags on the whale tail and drive down to the curb, drop them off, and then head on to work. During the New York winters it was difficult to get the Porsche up the icy driveway, so I bought a Jeep Wrangler with a plow painted to match the Jeep. I would use it to plow my driveway as well as my office parking lot.

For many years, when the weather was nice, I used the Porsche as my daily "going to work" car. In 1997 I moved up to Westchester NY, where I kept the Porsche in the garage, but still used it for work. In 2000 I met my husband Thomas who owned a noted restoration facility and took pride in taking care of the Porsche with me as well as some of his muscle cars.

...Continued

About 2001 I began limiting the use of the Porsche with us going to local Concours events in Connecticut and Long Island. We would go to Americana Concours, Driven to America-Tribute to Max Hoffman, Great Marques-Old Westbury Gardens to name a few; always taking an award in the original/unrestored class and getting offers from attendees to purchase the car.

Award Winning Unrestored 911 SC

That's a Whale of a Tail!

The car is ALL original, interior, exterior as well as the paint. Only exceptions are the muffler, AC compressor (nobody makes a rebuild kit), and the radio. There weren't too many women 40 Years ago that were going out to buy a Porsche, but..."that's what I told myself", and I kept my promise AND my Porsche.

Don't make 'em like this anymore

**There is no substitute.**

*I will continue to provide the opportunity to showcase members across the Region, here in the President's Project Page... be ready with YOUR story, YOUR project, YOUR passion. I look forward to travelling around our Carolinas Region to find it. We will put it here!*

Until next month...
