

## Carlstadt Public School

May 25, 2016

Dear Carlstadt Family,

We have some exciting news! We are pleased to announce that Carlstadt Public School is the grand prize recipient of the Eat Right, Move More Grant sponsored by the New York Jets and the NJ Department of Agriculture. Carlstadt was chosen for its creative efforts to encourage students to eat healthier and engage in an active lifestyle. Our district will be awarded \$15,000 to be used in Physical Education and Food Services Departments.

To celebrate this honor, all Carlstadt students will participate in a program on Friday June 3, 2016. Attending will be Jets kicker Nick Folk, NJ Secretary of Agriculture Douglas Fisher, other elected officials, and the press.

Various press organizations will be documenting our event. If you do not want your child photographed by the press, please contact the main office no later than Wednesday June 1, 2016. If no communication is received from you, this notification will serve as your permission for your child to be photographed.

In honor of the event, please have your child wear green or white (Jets colors) to school on Friday June 3, 2016. We are excited the students of Carlstadt Public School will be able to participate in this fun event, celebrating their hard work and healthy habits!

Sincerely,

Kenneth Foy

Principal

Allison Evans

Supervisor of Curriculum & Instruction
