

Quick Cake-Mix Cookies

Everyone has days when fast is best. With this recipe, you can easily convert your favorite cake flavor (German chocolate, spice, lemon, orange, etc.) into soft drop-cookies with a minimum of ingredients.

- 1 box cake mix**
(any flavor cake mix, the size that makes two 9" rounds)
- 3 eggs**
- ½ cup water**
- ½ cup vegetable oil**
- ¾ cup all-purpose flour**
- ½ teaspoon baking soda**

Preheat oven to 350 degrees. Bake for 9 minutes.

In a large bowl, using an electric mixer, combine all ingredients until well blended and creamy (about 1 minute). Drop by tablespoons onto a greased cookie sheet. Bake 9 minutes at 350 degrees. Makes about 4 dozen. Store in a covered container.
