

# Takeaway Gift Box

If you're planning on giving somebody a small gift, these little boxes are an excellent way to present them. Simply line them with tissue paper and fill with treats.

## You will need

- Tracing paper
- Pencil
- Scorer
- Scalpel
- Ruler
- Bone folder
- PVA Glue
- Ribbon
- Cutting mat
- Paper
- Brush
- Scrap surface

1

Trace the templates and lay it face down on your paper. Rub to transfer.

2

Cut around the edges then carefully score along the lines.

3

Use a bone folder to neatly fold along the scored lines.

4

Make a hole in the four sides using one corner of a hole punch.

5

Fold the box inward, then apply glue to the corner folds as shown.

6

Apply glue to the inside corners.

7

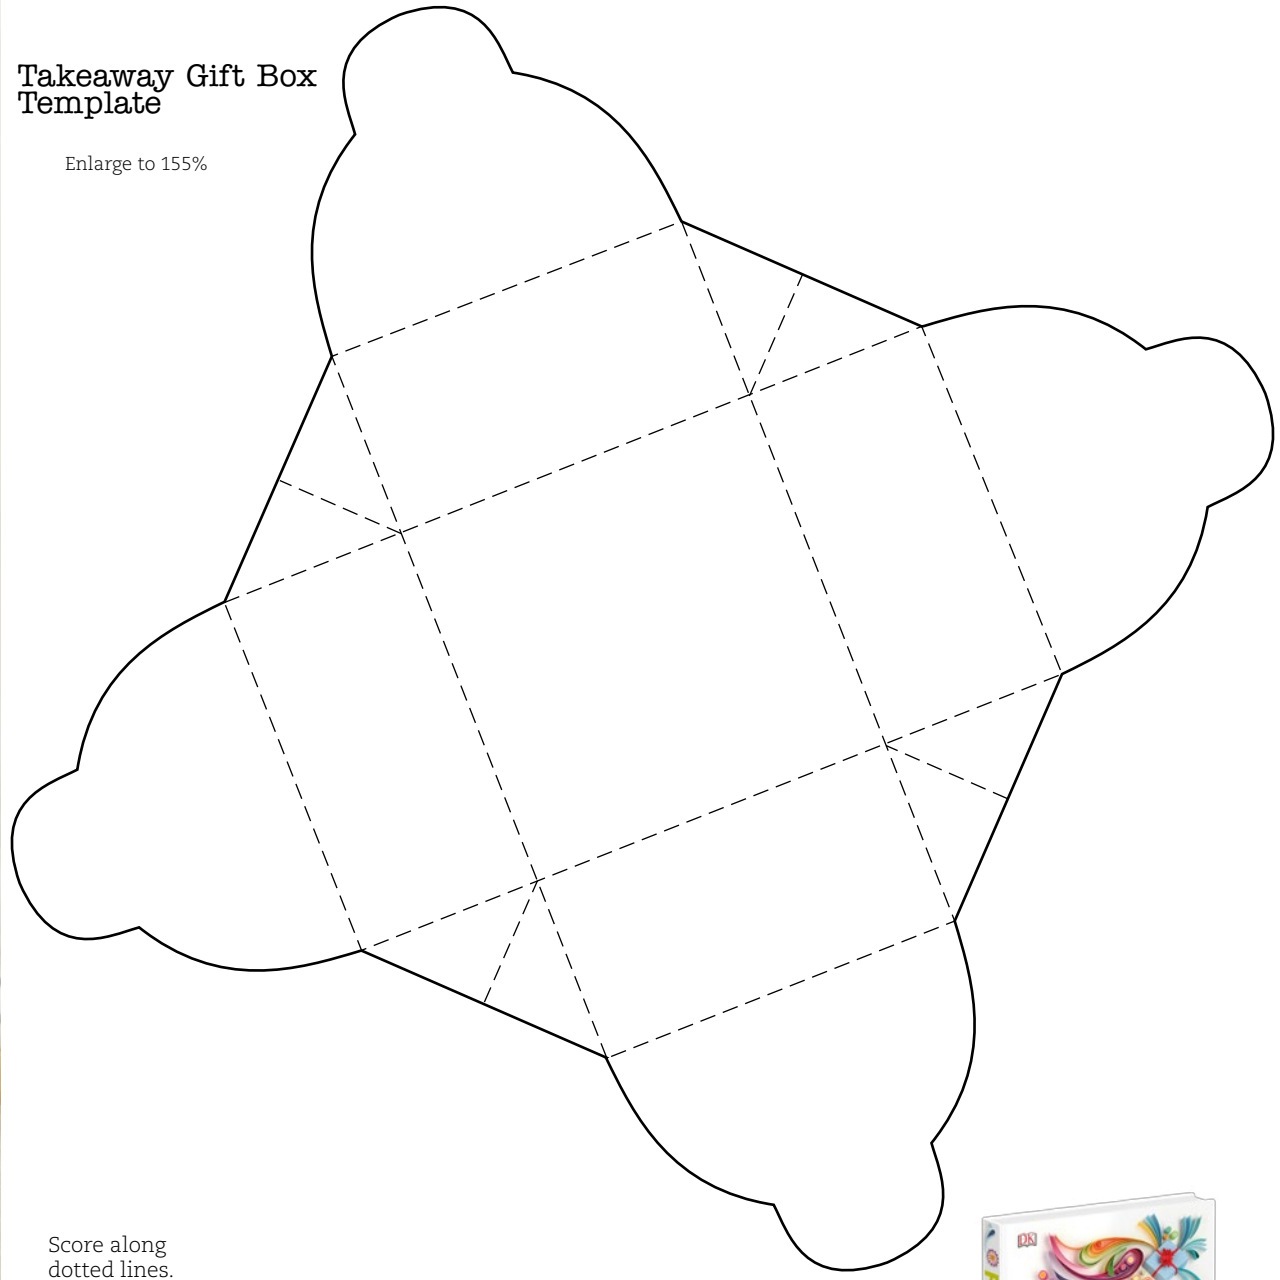

Thread a strand of ribbon through the holes to finish.
