### 3. Video: To read or to e-read?

Watch the video. For his personal reading, what format does the speaker generally use for each type of book? Match them below.

1. Harder, more demanding books
2. Easier fiction (e.g., sci-fi) for fun
3. Lighter non-fiction (e.g., personal finance)

- A) Audiobook
- B) Physical book
- C) E-reader (like a Kindle)

Watch the video again and list the main arguments (pros) for each format that the speaker mentions.

| Physical books                                                                       | E-readers                                                                            |
