

SAFETY DATA SHEET DISHWASHER DEODORANT

1. IDENTIFICATION OF THE SUBSTANCE AND MANUFACTURER

Name: CITRON SUN/LIGHT
Product code:61621
Identification of the company: Resett Engineering srl

Utilization of substance/preparation:
For cosmetic industry and perfumery

2. COMPOSITION/INFORMATION ABOUT INGREDIENTS

Harmful substances representative:
(This preparation does not contain any harmful substance of this category)
Other unsafe substances:
Any known substance of this category is present.

Substances present at a concentration below the minimum danger threshold:

INDEX	CAS	CE	Name	SYMB.	R:	%
017	112-31-2	203-957-4	ALDEHYDE C10	Xi	38 52/53	0←x%<10
086	2436-90-0	219-433-3	CITROLIME	Xn	52/53 65	2.5←x%<10
192	123-35-3	204-622-5	MYRCENE	Xn	10 65	0←x%<2.5
560	88-41-5	201-828-7	2-TERT- BUTYLCYCLOHEX YL ACETATE VERDOX	N	51/53	0←x% <2.5

Other substances with limit value of professional exposition:
Not present.

3. IDENTIFICATION OF DANGERS:

This product is not classified as inflammable.
This preparation has not been classified as dangerous for health by directive 1999/45/CE

RESETT ENGINEERING SRL

Sede Legale Via Balbo, 35 - 60044 Fabriano AN - Stab./Amm. Via Piani di Marischio 38 - 60044 Fabriano AN
tel. 0039 0732 73551 – fax 0039 0732 73473 P.IVA 02220740423 cap. soc. € 10.000,00

4. FIRST AID

In case of doubt or with persistent symptoms, always consult doctor.
Don't let unconscious people ingest anything.

In case of inhalation:
Move person to fresh air and keep him warm.

In case of eye contact:
Flush eyes with copious amount of water for 15 minutes with eyelids held opened.

In case of skin contact:
Rinse immediately with water and soap.
Do not use any solvents or diluents.

In case of ingestion:
If the quantity is not so relevant, rinse mouth with water and call a doctor.

5. FIRE FIGHTING MEASURES

Not relevant

6. ACCIDENTAL RELEASE MEASURES:

Individual precautions:
See points 7 and 8

Environmental protection measures:
Keep away from drains, surfaces, ground waters and soils.

7. MANIPULATION AND STOCKAGE

Manipulation:
Manipulate in adequately ventilated area

Prevention of fire:
Do not let unauthorised people get in contact with the substance.

Storage:
It is recommended to stock the substance in a impermeable area, in a hermetically closed container in a dry place.

RESETT ENGINEERING SRL

Sede Legale Via Balbo, 35 - 60044 Fabriano AN - Stab./Amm. Via Piani di Marischio 38 - 60044 Fabriano AN

8. EXPOSURE CONTROL/PERSONAL PROTECTION:

Use personal protection according to the Directive 89/686/CE

Respiratory equipment not requested in well-ventilated areas

Eye protection: not required/avoid contact

Hand protection: it is recommended to wear chemical product-proof gloves.

9. PHYSICAL AND CHEMICAL PROPERTIES

Generic information:

Physical appearance: viscous liquid

Important information about health, safety and environment:

pH of the substance: neutral

Point of boiling: not classified

Steam Pressure: /

Density: > 1

Hydro solubility: soluble

10. STABILITY AND REACTIVITY

Exposed to very high temperature, the substance can emit harmful decomposition products, such as monoxide and dioxide of carbon and azotes oxide.

Approx. duration of stability: 6 months

Conditions to avoid: very high temperature, flames and other firing sources.

Harmful decomposition products: any.

11. TOXICOLOGICAL INFORMATION

Some data about the substance is not available.

The exposition of the vapours of the solvents contained in the preparation over the exposure limits brings harmful effects on health such as:

Irritation of mucous membrane and respiratory system, kidney, liver and central nervous system affection.

The symptoms could be under form of headache, dizziness, weariness.

Extended contact with the substance can remove natural fat of the skin and cause non allergic dermatitis.

RESETT ENGINEERING SRL

12. ECOLOGICAL INFORMATION:

Under normal conditions of use environmental problems are not expected.

13. INFORMATION ABOUT DISPOSAL:

Avoid contamination. Do not pour in drains and in water streams.

Disposal:

Recycle or eliminate according to legislation in force.

Package:

Completely empty the container. Hold the stickers on the container.

14. INFORMATION ABOUT CARRIAGE

Exempt from transport classifying.

Carry the product according to disposition of ADR about transport on road, of IMDG for sea carriage and ICAO/IATA for air transport (ADR 2007- IMDG 2006 ICAO/IATA 2007)

15. REGULATORY INFORMATION

The classifying of this substance has been carried accordingly to the Directive 1999/45/CE and its adaptations and to the directive 2004/73/CE (harmful substances)

This substance has not been classified as harmful for health by the directive 1999/45/CE

This product has not been classified as inflammable.

This product complies with European Community Regulation on chemicals and their safe use. (R.E.A.C.H.)

16. OTHER INFORMATION

The product should not be used for other purposes different from those specified in this sheet.
