The cast is set for the Young Vic Production of Arthur Miller's "A View From the Bridge" produced by Center Theatre Group at the Ahmanson Theatre. Directed by Ivo van Hove, "A View From the Bridge" will begin previews on September 7, with the opening set for September 14, 2016. Performances continue through October 16.

The cast includes, in alphabetical order, Danny Binstock, Catherine Combs, Alex Esola, Andrus Nichols, Howard W. Overshown, Dave Register, Thomas Jay Ryan and Frederick Weller. The scenic and lighting design is by Jan Versweyveld, costumes are by An D'Huys and sound is by Tom Gibbons. The production stage manager is David S. Franklin.

In the 2016 Tony Award-winning production of "A View From the Bridge" (Best Revival and Best Direction), Eddie Carbone (Weller) is a Brooklyn longshoreman obsessed with his 17-year-old niece, Catherine (Combs). When Catherine falls in love with a newly arrived immigrant (Register), Eddie's jealousy erupts in a rage that consumes him, his family and his world.

"A View From the Bridge," said Ben Brantley of The New York Times, "... must be what Greek tragedy once felt like, when people went to the theater in search of catharsis ... You also feel ridiculously blessed to have been a witness. ..."

"Breathe, everybody, breathe!" said Marilyn Stasio of Variety. "Audiences really need to be reminded of that at the end of Ivo van Hove's magnificent production. ..."
"The tension never dips as the show heads toward the kind of mind-blowing climax that's the stuff of Broadway legend," said Elisabeth Vincentelli of the New York Post.

This production of Miller's classic was first presented at the Young Vic in 2014 then transferred to the West End in 2015 and was awarded three Olivier Awards (Best Actor, Best Revival and Best Director). Lyn Gardner of The Guardian called it "... a menacing, meticulously conceived production ... It's like watching a runaway train hurtle

towards you. ...” The production opened on Broadway in November 2015 for a limited run and closed this past February.

Following the run at the Ahmanson Theatre, Center Theatre Group will tour this production to the Kennedy Center for an engagement in the Eisenhower Theater which will play from November 18 through December 3, 2016.
