THE WORLD PREMIERE OF **"QUACK"**
OPENS **AT CENTER THEATRE GROUP'S KIRK DOUGLAS THEATRE**
"Quack" Will Run Through November 18, 2018

The world premiere of "Quack" by Eliza Clark will open at Center Theatre Group's Kirk Douglas Theatre on Sunday, October 28 at 6:30 p.m. Directed by Neel Keller, "Quack" is currently in previews and continues through November 18, 2018.

The cast includes, in alphabetical order, Dan Bucatinsky ("Second Act," Emmy winner for "Scandal"), Jackie Chung ("different words for the same thing"), Nicholas **D'Agosto** ("Trial and Error," "Gotham"), Jessalyn Gilsig ("Scandal," "Glee") and Shoniqua Shandai ("I Am the Night").

The creative team includes set design by Dane Laffrey, costume design by Raquel Barreto, lighting design by Elizabeth Harper, sound design by Robbin Broad and compositions by Michael K. Hooker. The production stage manager is Maggie Swing.

Millions of women across America rely on Dr. Irving Baer (played by Bucatinsky) and his daytime talk show to help them lose weight, manifest their destinies and take their health into their own hands. Then, a take-down piece of journalism goes viral leaving his career hanging in the balance, his marriage on the rocks and his carefully maintained public persona in peril. In the frenzy of crisis management that follows, one thing becomes clear: if Irving Baer is going to fall from grace, he's bringing everyone else with him. Eliza Clark's hilarious new comedy exposes the shaky foundations of the wellness industry, the fleeting nature of 21st-century fame, and the relationship between the powerful men who dole out advice and the women who are supposed to receive it with a smile.

"Quack" was developed in Center Theatre Group's L.A. Writers' Workshop and is the recipient of an Edgerton Foundation New Play Award.

Eliza Clark has developed plays at Manhattan Theatre Club, the Studio at Cherry Lane Theatre, Page 73 Productions, Ensemble Studio Theatre and others. She has received commissions from South Coast Repertory and Yale University's O'Neill Studio. Clark was a member of Ensemble Studio Theatre's emerging writers group, Youngblood and was the 2010 Page 73 Playwriting Fellow. Most recently, she was a member of Center Theatre Group's writers group, the L.A. Writers' Workshop. Her play, "Edgewise," was co-produced by Page 73 and The Play Company in 2010 and her play, "Recall," was produced by Colt Coeur at The Wild Project in 2012. Her play, "Future Thinking," was featured on The Kilroy's List and commissioned and produced by South Coast Repertory in spring 2016. "Edgewise," "Recall" and "Future Thinking" are published by Samuel

French. Clark also has written for television including AMC’s “Rubicon” and “The Killing.” She is a writer and co-executive producer on “Animal Kingdom” for TNT.
