EDITORIAL

Walking my black labs, Poppy and Maisie, is always a pleasant chore, but our walks at the moment, with the sea of bluebells scattered around the woods, is just lovely. The scent and the colour are quite something. It's also that time of year when we get stuck into the garden, clearing out all the old pots, and planting new. It's looking beautiful. Spring has arrived!

It seems with each new week or so, there is the news of yet another celebrity death. There have been so many since Christmas alone, familiar faces we all grew up with. David Bowie and Ronnie Corbett were my favourites. I remember being in a theatre in London some years ago and Ronnie Corbett was sitting in the row in front of us. There was definitely no problem of us not being able to see the stage above his head!! I can still hear my mum roaring with laughter watching The Two Ronnies. Pure, unadulterated Saturday night viewing.

Our neighbour James Nash, has had a busy few months. Last year he spent time in Nepal, helping to organise, and participating in an art workshop in Kathmandu (Chit Wan, its meaning; heart of the jungle), painting indigenous wildlife. As a result of the art workshop, an exhibition was held in Kathmandu in March this year. It was opened and attended by various Nepalese government officials and endorsed by the World Wildlife Fund. I think James will hold that memory close to him as a wonderful experience, and perhaps for another reason ... while painting a wild elephant, two rhinos suddenly charged from the grasslands, destroying his painting. James ran pretty quickly, too!

The lighter evenings are a joy! Happy summer to all!

Lou Bushell

CHURCH IN SMANNELL & ENHAM

Ramblings from the Rectory ...

As we come into the month of May, we begin to think about summer holidays and hope for warmer weather.

It makes me think of going on a pilgrimage ... and I do know that one person from the Pastrow team of churches is currently undertaking a pilgrimage to Santiago de Compostela.

I walked a small part of that journey in 2013 and it was an amazing experience. Arriving at the cathedral at Santiago was all that I imagined it might be ... if I had been a medieval pilgrim having journeyed on a pilgrim boat across the channel and walked for months through France, finally arriving at Santiago, I guess that I might have been even more amazed.

But even though we had only walked for a few days, finally arriving at the cathedral after our months of planning and preparation, was still a wonderful moment. The sight of the main altar is certainly dazzling - the richness of the gold and silver is really quite breathtaking.

But you might wonder why people from medieval times to the current day would want to travel this pilgrimage route of the Camino de Santiago. People from the first century onwards have travelled on pilgrimages, but to begin with they journeyed to Jerusalem or Rome.

Santiago became a favoured destination after the discovery of St James' body nearby. It is thought that St James came to this area of northern Spain, Galicia, in the first century. The story goes that he made 7 or 8 disciples and then went back to Jerusalem and was martyred. His body apparently found its way back to this area and was discovered much later in a cave on a hillside after someone saw stars twinkling above it. So the name Compostela means field of stars [Campus stellae] and Santiago means St James, of course. When I said to someone that I was making a pilgrimage to Santiago, they thought I was going to Chile ... we'll have to leave that journey for another time perhaps!

But the real point about a pilgrimage is the journeying together - the companionship and fellowship along the way. We learnt a lot about each other as we travelled along and ate together and worshipped together. I also gained a sense of being a part of something greater as I walked in the steps of thousands of pilgrims who had walked the same way before. It was a humbling and a liberating experience, and I felt a stronger connection to the sheer greatness of God. I could discard the fripperies of modern living and just walk on this path like people had done for centuries past.

Pilgrimages can help us to grow spiritually and in my previous churches we undertook a pilgrimage journey each year in Lent. We travelled to Iona, the holy wells of Wales, and discovered some of the Cornish saints together, as well as walking on part of the Camino de Santiago. If you are interested in pilgrimage do let me know, as it may be something we could explore together as a team of churches.

Have a good month wherever you journey, both near and far, and may God go with you on all your paths.

SMANNELL & ENHAM CHURCH OF ENGLAND PRIMARY SCHOOL

I am sure that you will remember that in the last edition of The Parish Oak we were waiting excitedly for our space seeds to arrive. At the time of writing this article we have received confirmation that the seeds have returned to Earth and are on their way to us. Our green-fingered growers are making sure that everything is ready for them to be planted.

As we are planting seeds it must mean that summer has officially arrived. One of the highlights of summer for our children is being able to make full use of our lovely environment. As well as planting seeds from space we are this year restarting a school gardening club. The children will be growing vegetables with the aim of selling them later in the season. As well as the edible crops they will be trying to brighten up the grounds with summer colour.

We are increasing the number of afterschool sports clubs that we are running this year. Athletics, cricket, rounders, multi-sports as well as the ever popular football will be taking place at the end of the school day during this summer. Complementing the sporty clubs are our craft club and choir, our latest musical venture is the ukulele. This is proving to be very popular; as a performing group they made their debut at our Easter service in Christ Church in Smannell.

There is however plenty of academic learning taking place. We are just about to enter 'SAT season'. This year the children in Years 2 and 6 will be sitting a new range of tests. We are sure that in doing so they will be able to display our school Christian value of 'Courage'.

Enham Alamein Parish Council

The Parish Council is constantly working with Hampshire Police and Hampshire County Council to try and reduce the speed through the village.

The recent media regarding the "fake" speed camera has proved that there is a speeding issue. After a series of monitoring exercises with both a road device and then with police presence, Hampshire Police decided it was too "high risk" for us to carry out our own Speed Watch programme as had been previously committed to. The police are now using a mobile unit when possible and the Parish Council are purchasing a speed indicator device to make drivers aware of the 30 mph limit. We have also requested that the speed limit approaching the village is reduced to 40 mph. There will also be new village signs at each road entrance and a new updated pedestrian crossing is also being installed with more extensive lighting.

You can be assured that we will continue to work towards road safety within our community. We would like to remind readers that, through a previous campaign, a few years ago, we were successful in getting the main A343 speed limit reduced to 30 mph.

There is a vacancy for a Parish Councillor. If you are interested please contact any of the present parish councillors or come to the next meeting

The Annual Parish Assembly and AGM will be held at 6-30 on Wednesday 11th May at the Enham Resource Centre. The monthly meeting will then follow at 7.15 pm.

Please do come along for an informal chat and to have your say and then stay for some refreshments.

Leslie Francis

Chairman, Enham and Alamein Parish Council

Enham Alamein Shop and Post Office

You are invited to come along to our Grand Re-launch on Friday, 6th May from 11 am until 4 pm.

We would be delighted if you could join us to see the improvements to the Village Shop & Post Office, to meet local producers and also to taste their products.

It is an opportunity, too, for you to let us know what you would like us to stock and give us your feedback.

there will be fun activities on the day and a competition, too.

It has been our desire to offer more local produce and we look forward to expanding this in the coming months especially with seasonal varieties.

We do hope to see you soon and particularly on the 6th May.

best wishes

Hello Everyone,

Looking back over the last few weeks, we have so much good news to share with you.

We have had many fantastic local businesses raising awareness and funds for our vital cause; these include The Chillies, who kindly held a curry night on our behalf, raising £500 for us, and Webkick, an Andover digital marketing agency who raised £150 towards our work. Alice Holt Forest in Farnham has donated £5000 towards our accessible bicycle project, after working with us to support some of our clients to try out some specially-adapted bikes, promoting exercise, raising confidence, and maintaining mobility. This is such a special gift and I thank those involved wholeheartedly.

Our demolition and development of our Cedar Park site has reached a particularly exciting time, as the old building has now gone! In its place a Neuro-Rehab Unit will be erected, supporting those with acquired brain injury during every stage of their recovery.

We were delighted to welcome MP Mims Davies to our Eastleigh-based Social Enterprise, Mount Industries, in March. We would also like to share with you the fantastic news that we now have a new contract in North Somerset – Pathways to Adulthood – a service for young people aged 14-25 to help them smoothly transition between children and adult services.

More good news comes from our Employment & Skills dept. as we recently supported 29-year-old Richard who has learning difficulties to gain employment for 2 days a week with Hampshire Hospital's NHS Trust Stores Dept.; a great achievement!

More information about any of the above can be found on our website: www.enhamtrust.org.uk

Best wishes,

Have your say on Hampshire Hospitals services

DON'T miss the chance to have your say on the services provided by Hampshire Hospitals NHS Foundation Trust.

The trust, which runs Basingstoke and North Hampshire Hospital, Royal Hampshire County Hospital, in Winchester, and Andover War Memorial Hospital, is carrying out an engagement programme to help it plan for the future.

Visit bit.ly/HampshireHospitals to complete an online survey. The closing date for responses is 13 May 2016.

Mary Edwards, chief executive of Hampshire Hospitals, said: "We are continually listening to the public and this survey gives us another way to understand people's views of our services and our plans. It will help us shape what we do in the future."

If you would like to know more about the trust, you can watch short films featuring interviews with senior clinical staff talking about the services they run, the challenges they face and their plans for the future are available at hampshirehospitals.nhs.uk/news-events/news/public-engagement-spring-2016.aspx.

NEIGHBOURHOOD WATCH

FRAUD

This information has been sent on behalf of Action Fraud (National Fraud Intelligence Bureau).

Fraudsters are targeting members of the public who are expecting to make a payment for property repairs. The fraudsters, via email, will purport to be a tradesman who has recently completed work at the property and use a similar email address to that of the genuine tradesman. They will ask for funds to be transferred via bank transfer and once payment is made the victims soon realise they have been deceived when the genuine tradesman requests payment for their services.

Protect Yourself

Always check the email address is exactly the same as previous correspondence with the genuine contact.

For any request of payment via email verify the validity of the request with a phone call to the person who carried out the work.

Check the email for spelling and grammar as these signs can indicate that the email is not genuine.

Payments via bank transfer offer no financial protection; consider using alternative methods such as credit card or Paypal which offer some protection and avenue for recompense.

If you believe that you have been the victim of fraud you can report it online or by telephone at: 0300 123 2040

NOTE: At least one such fraud attempt has been made on our parish.

Richard Budge

Who is Jenny Rasbeary?

Tell us a little bit about you, and what fills your day?

Hello, I am the Deputy Head at the local Primary School. My interests include good food and drink, cross stitch and walking. Moving down to the area three years ago, from Richmond, North Yorkshire, has meant we have enjoyed many local walking spots. My husband and I love walking with our dog, Riley, to local pubs to enjoy the delicious local produce.

What keeps you motivated?

My parent's pride and dedication to help me in my career has always had a massive influence. I hate letting people down and I always try to make sure I fulfil commitments. At the school, seeing the children enjoy something keeps me motivated and is my main reason for being in the profession.

What are you most proud of?

To those out there that aren't pet owners, this may seem a silly answer, but I suppose I am most proud of my dog. My husband and I put a great amount of energy into training him, and though our initial strict rules may have slipped, Riley is truly a wonderful addition to our little family. Now our close relatives fight over looking after him, as he is such a cutie and so well behaved!

What would be the single thing you would like to do differently or see change?

I would love to pick my family and friends up and have them live down here. We love living in the area, however, I do miss being able to nip to my mum's to borrow some milk or being able to take my nieces and nephews to the park.

What makes you tick?

Going on adventures! I love taking a mini break to a city I haven't visited before or a day trip to a local lake that someone just happened to mention. I am a sucker for guidebooks and love seeing some obscure statue that has some local interest, much to the frustration of my husband!

What three words would your friends use to describe you?

I had to ask my husband this one as I found it so hard to pick. After some careful deliberation(!) he picked "dedicated, enthusiastic and caring".

Any words of wisdom you would like to share?

A plaque in my house always helps me remember what is important and reads ... PLAY like there are no winners, GIVE like you have plenty, SMILE till your face hurts.

Microchipping for dogs became compulsory last month. Although the microchipping of cats is not covered by law it is a good idea to get yours done. It is not expensive and will be of enormous help should your cat go missing. Talk to your vet about it.

We spent an excellent fortnight in the Whitchurch Charity Shop and raised £2215. Thank you to everyone who helped, donated or purchased goods. We shall be back in September. We are at Pets at Home in Andover for three days, the first weekend in June. Come and talk to us and find out what we do. We are a friendly group who are always looking for new volunteers.

LOU LOU is a very pretty, pale ginger, longhaired cat who came to us when her owner went into a care home. She is not used to other cats, dogs or small children, so is seeking a quiet home. She is very confident and affectionate and craves attention. She would make an excellent companion for a retired person.
