## EDITORIAL

Glorious June is here!

With a promise of glorious sunshine to enjoy street parties and hog roasts and barbeques a plenty. Well let's hope the rain does keep away for those particular days.

It is quite something to celebrate 90 years, and it is a heartfelt doff to Her Majesty as we join together on Saturday 11<sup>th</sup> June, at the street party in Enham to celebrate her birthday.

Many of us will be meeting a week later, on Friday 17<sup>th</sup> June, for the Hog Roast at Michael and Bregje Dawson's home at Finkley House.

Two opportunities to meet someone new who shares residence in these lovely villages.

And then a week later, on the 23<sup>rd</sup> June, we all have to decide whether we want to remain in Europe or sail totally our own future as an island nation.

June will be quite a momentous month for all of us, one way or the other!

We all need to consider our precious vote carefully and bring our collective wisdom to bear in deciding the way ahead.

So here's to the Queen!

Here's to our community here in North East Hampshire!

And ...

Here's to our future, whichever way the vote takes our lives forward.

***Peter Calcraft***

## **CHURCH IN SMANNELL & ENHAM**

### **Ramblings from the Rectory ...**

Well perhaps June is the best month in the garden with lots more flowers coming out and vegetables ready to be eaten. We have already had some home-grown broccoli from the Rectory veg patch, and the greenhouse is overflowing with delights.

But June is also a month of birthdays and barbeques and celebrations.

There will be many celebrations over the weekend of June 11<sup>th</sup> and 12<sup>th</sup> for the Queen's birthday.

In Enham there is to be a street party on the 11<sup>th</sup> ... please see the Street Party advert for further details.

And then on the 12<sup>th</sup> June the Pastrow team of churches will be celebrating. There will be a team service, open to all, to celebrate the 90th birthday of the Queen at the Hatherden Church at 10am on Sunday 12<sup>th</sup> June. Then at 6.30pm there will be a Songs of Praise at Charlton Church.

We will not be holding any services in Smannell or Enham on that day as we hope to encourage everyone to go to either Hatherden in the morning or Charlton in the evening. There will be a list in church to sign up if you can either offer a lift or if you need a lift, for either of these services.

Then do not forget our Parish Barbeque on Friday 17<sup>th</sup> June, kindly hosted by Michael and Bregje Dawson at Finkley House ... more details elsewhere in this issue.

But there are also various fetes, etc, in the Pastrow team in June ... and at one of these you could see your parish priest attempting to keep fit!

And hopefully I will continue to keep fit by getting out and walking a little more this month ... and enjoying the footpaths of our lovely part of Hampshire. We also need to attend to our spiritual fitness and with so much happening this month, we all need to make a special effort to take time out to be with God.

I have recently attended a Quiet Day at St Columba's Retreat House in Woking. It was focused on the Examen (and no it is nothing to do with exams - although there may be a lot of those going on this month in our schools).

The Examen is a way of praying in the evenings; of spending time with God and of asking yourself each evening, 'What has been good about today? Where have I felt God near to me? And also what has been my biggest sorrow or struggle today? What has happened that has taken me away from God today?'

It helps us to release those things we are struggling with to God, so that we don't bottle them up; and also to celebrate with God our moments of joy.

You can buy a book called 'Sleeping with Bread – Holding What Gives You Life' which will tell you a lot more about this way of praying. Please talk to me about it if you would like more details.

Have a joyful month with all the celebrations, as well as the delights of your gardens, but try to take some time out each day to be still and to thank God for the good things, as well as acknowledging the bad things.

God bless,  
Val.

## **SMANNELL & ENHAM CHURCH OF ENGLAND PRIMARY SCHOOL**

If you drove past the school a few Fridays ago and your first thought was that there must be a real emergency there because of the fire engine on the playground, and your second thought was about the size of the fire fighters, then don't worry, you weren't imagining things!

Our Year 1 and 2 children in Puffins Class had a fabulous visit from the Hampshire Fire Brigade education team. The mini firefighters that you saw were the children dressed up ready to fight the fires. They had a fantastic time and learnt a massive amount about staying safe. I hope that the photos below give you an impression of just how good it was.

As I write, a number of prayer stations are growing around the school. Working with Rev. Val, we've been thinking about what the Lord's Prayer means to us all. Each of our four classes have taken part of the prayer and created it as a prayer station. So now there are kingdoms appearing on windows, baskets of daily bread in corridors, as well as our thoughts about Power and Glory.

Finally, I just wanted to share with you, as well as asking for your patience, that as we are currently trialling new systems of car parking in and around the school. Our aim is of course to make sure that the children are safe on the school site. We are very hopeful that our car parking will not extend too far around the village. We are very grateful that the pub allows us to use their car park in the morning.

# What else happened 90 years ago?

As the Queen celebrated her 90<sup>th</sup> Birthday in April, official celebrations are planned for Saturday June 11<sup>th</sup> with the annual parade "Trooping the Colour". With that in mind, what else happened of notoriety in 1926? Well, amongst many other things...

**Winnie-the-Pooh** is published by Author A.A. Milne

**John Logie Baird** conducted the first public demonstration of a television

**Gertrude "Trudy" Ederle** became the first woman to swim the English Channel.

There was a **General Strike** in the UK which lasted for 9 days and the BBC broadcast 5 news bulletins a day as there were no newspapers published due to the strike.

**Robert Goddard** launched the first liquid-fuelled rocket in Auburn, Massachusetts.

The aerosol spray can, was patented by **Erik Rotheim**, a Norwegian chemical engineer

**Stanley Baldwin** was Prime Minister, with **Calvin Coolidge** as the US President.

The first **British Grand Prix** was held at the Brooklands circuit near Weybridge.

## **Enham Alamein Parish Council**

### **Retiring Chairman's report – May 2016**

It honestly does not seem that a year has passed since my last retiring chairman's report.

Even though it has passed really quickly we have achieved many positive things.

When we were awarded joint winners in the Hampshire Village of the Year award I had hoped it would focus our attention on improvements within the village and community. We are currently working on immediate areas, i.e. highways – paths, speeding and pedestrian crossing. The play areas will have an upgrade and we will celebrate the Queen's 90<sup>th</sup> birthday with another street party.

The challenges that the Enham Trust face are far outweighed by the desire to assist people and improve our village too. By working together we can achieve many things and I hope this year will demonstrate that again.

I would like to thank my fellow councillors for their time, effort and support along with our parish clerk. With busy professional and personal lives it means that the time given is an extra effort and much appreciated. My thanks too to our County and Borough Councillors. Many of the things we have achieved have been made easier with their assistance.

We look forward to hosting the Village of the Year competition in September – let's see if we can win this time!

***Leslie Francis***

***Chairman, Enham and Alamein Parish Council***

PS: I am delighted to have been voted Chairman for the coming year.

The next meeting is Wednesday 8th June 7.15 pm in the Cedar Print room at the Enham Resource Centre.

We hope to see you there.

## We Provide More Than Just Customer Service!

Peta Wilkinson CEO

01264 345800

Hello Everyone,

So much has happened within the last month! Looking back, House of Colour's vibrant and glamorous fashion show at Audley's Wood in Basingstoke raised an incredible £9,000; seeing 200 people come together to be entertained and pampered. Our thanks go to everyone involved – including M&S, Phase Eight, Honeysuckle, Debenhams, and Hope who all kindly donated such a range of beautiful clothes!

Nine incredible supporters took part in the London Marathon, raising over £15,000 to ensure our disabled and disadvantaged clients can continue to live the lives they choose. A selection of our staff and clients had the great honour of being invited to the Queen's garden party at Buckingham Palace! It was a wonderful time, and Paul – who lives in one of our on-site care homes – had the opportunity to wish Her Majesty a very happy birthday.

You may be aware that last year we incorporated the national flagship disability project The MOVE Partnership; supporting children & adults with disabilities and complex needs to gain independence. Now MOVE is evolving! With a new name – The Move Programme from Enham Trust – and new ambitions; currently developing online training for the delivery of Move within the NHS.

I am delighted to be taking part in a paraglide in the coming weeks; if you'd like to sponsor me, please feel free to do so via:

<http://uk.virginmoneygiving.com/PetaWilkinson> or I will leave sponsorship forms in the Enham village shop.

Did you know that you can support us by shopping online? We're part of Give as You Live, an online service which allows you to shop at thousands of retailers while raising vital funds for our cause. More information can be found on our website: [www.enhamtrust.org.uk](http://www.enhamtrust.org.uk)

Best wishes,

## Who is James Nash?

### **Tell us a little bit about you, and what fills your day?**

My wife and I moved from Bristol in 2013 where we both worked for Airbus as Aerospace Engineers. My wife chose to stay in engineering and I went back to my roots becoming a full-time wildlife artist and conservationist.

I am resident artist at the Hawk Conservancy Trust at Andover where I manage the artwork on display and also sit on the management team for Art for Nature, Nepal.

Based in Kathmandu we strive through art to raise awareness of conservation issues and also give the Nepalese artists opportunity to work in the wildlife parks and to sell their work abroad.

I also sit on the local Enham Parish Council.

### **What keeps you motivated?**

My day is never the same. whether it be running a drawing workshop, organising our efforts in Nepal, teaching the importance of a creative mind in schools or climbing a mountain. One thing I do make sure of though is that I go for a walk every morning, having grown up in the Dorset countryside I am at home here, and the wildlife, both flora and fauna, provides constant inspiration and motivation.

### **What are you most proud of?**

Being compassionate and able to help others, whether human or not. Also seeing my artwork and greetings cards displayed and for sale at the Hawk Conservancy Trust and the Tea Cosy at Hurstbourne Tarrant.

### **What would be the single thing you would like to do differently or see change?**

That the UK realises that creativity is imperative to the progression of not only technology, but the human race. Creativity is not just "painting" but the conceptualisation of everything that we take for granted. Creativity, supported by the likes of maths and science has led to the world in which we live today.

### **What makes you tick?**

Looking out of my lounge window at 7.30 every morning to see a barn owl fly past at eye level ... you can set your watch by him!

### **What three words would your friends use to describe you?**

Intelligent, driven, humble.

### **Any words of wisdom you would like to share?**

Life does not exist in books and pictures or on the net ... life is out THERE and much of it is disappearing from our world. Learn to question, question to understand, understand to create the new and protect and preserve the old.

We are beginning to get reports of feral cats beginning to breed. These cannot be taken into care and unless kittens are handled very early in their life they will never become tame. All we can do is neuter and return. If you have feral cats on your property please let us know before things get out of hand.

Please note that our helpline telephone number has changed to 0345 260 1501. This is the number for all calls relating to cats. If there is no reply leave a message and we will get back to you ASAP.

Lou Lou, last month's cat, has gone to be companion to an elderly lady in a lovely rural home. This is Blossom who was found straying in Andover. It is thought her owners moved house and left her behind. She is a confident, friendly, affectionate cat, good around children and could possibly live with another cat.
