EDITORIAL

Hello!

By the time the July edition goes to print we won't know the result of the EU referendum, what happened in Euro 2016, how Tim Peakes is adjusting to life back on Earth, how the start of Wimbledon has fared and if Glastonbury was sunny, muddy or indeed both! Avoiding all those areas, what could I possibly write about?!

Well, during the summer we will have the Rio 2016 Olympic Games to look forward to, starting on August 5th, and then from September 7th the Paralympic Games. The Games will be the first ever to be held in South America and during August, Rio will host 206 countries with events in four venues, competing for 4,924 medals across 42 sports. There will be 10,500 athletes and 315 horses in attendance apparently! It seems a lifetime ago that the UK was celebrating hosting the 2012 Games, as I'm sure you will agree!

Of course, if you live your life around the school year then for another group of Year 6 children at our local primary school, the end is in sight and new adventures beckon at "big" school. A lovely poem by Mark C Bird (2009) caught my eye, and I wish all well for exciting new beginnings ...

The Full Stop Day

Last six hours of primary school
Goodbye is getting near
The sums and sentences all done
The full stop day is here

Last five hours of primary school
Where everything's before
The aims and games and crazes
No one's crazy for no more

Last four hours of primary school
Surrounded by a class
Who'll scatter soon and not return
When summer's days have passed

Last three hours of primary school
One final lunchtime play
Instead of chasing friends we try
To chase and catch the day

Last two hours of primary school
The clock hands blur and skid
Signing shirts, remembering
The coolest things we did

Last one hour of primary school
With Sir who understood
And helped me see I could achieve
'Cos he believed I could

Last half hour of primary school
The assembly we all dread
We cannot sing - us Year Six kings
The crown slips from our heads

Last ever second of primary school
The full stop rings in our ears
But a thousand chapters left to write
We must vacate our childhood site
For time moves on and time is right -
To leave our wonder years

CHURCH IN SMANNELL & ENHAM

Ramblings from the Rectory ...

Well we did enjoy celebrating the Queen's birthday together last month and thank you to all those who helped in any way. The team service for the Queen at Hatherden was superb and we had a lovely lunch together in the school afterwards. The Songs of Praise at Charlton was also delightful and gave us another opportunity to worship as a team of churches and to celebrate the Queen's birthday together.

On the Saturday in Enham we had a wonderful street party with many folks coming and going throughout the afternoon. Again thank you to all those who helped in any way.

And now we are well and truly into the wedding season, having finished with birthday celebrations for a little while, but we also seem to be just as busy with baptisms which is lovely.

It was delightful to welcome some of our baptism families to our first family service at Smannell at the end of May. We are now making plans for our second family service which is going to be at the end of this month on the 31st July at 10am. This will take the form of a pet service, but you can come with or without a pet. It is open to all ages from babies in arms to Grans and Grandads - in fact you could, if you wish, call it an 'All-Age' service.

So you are all welcome, whatever age you are, but there will be a particular emphasis on younger folks, and hopefully it will be a more child-friendly type of service that is accessible to all.

We are also hoping to start a Messy Church in the school in September. Again this is aimed at families but anyone can come along, so it is also open to Grans and Grandads and Aunts and Uncles to come, with or without children. It will be run once a month on the 2nd Tuesday from about 3.30 to 6pm, so

we are planning to start on Tuesday 13th September at 3.30pm in the school hall. There will be a welcome at 3.30pm, followed by crafts from 4pm, and then a celebration at 5pm, with a meal together at 5.15pm, ending by 6pm. So it provides an opportunity for people of all ages to worship together, and it helps them to feel that they belong in a church and to each other. It gives us a chance as a church to have fun and to be creative together, and it is a way of introducing Jesus through hospitality, friendship, stories and worship. Do ask if you want to know more and we will also be looking for people to help. So if you like crafts and children, this could be for you? Or if you like cooking, or you are a treasurer, or a good tea-maker, and would like to be involved, do let me know. We will need at least 5 people to make this work. When we ran Messy Church in our previous parishes, I ran the crafts with a 2nd person and I also led the celebration, we had another person organising the food, and a treasurer to organise the finance, and Philip made the tea! But it would be good to have more than 5 people and indeed others joined us as we grew and developed.

So don't forget the Pet Service at the end of the month and do keep in your prayers our plans for Messy Church. May you have an enjoyable month, whether it is a month of weddings, baptisms and garden parties or just relaxing in your gardens and putting your feet up!

God bless you all,

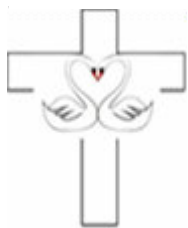

Val

SMANNELL & ENHAM CHURCH OF ENGLAND PRIMARY SCHOOL

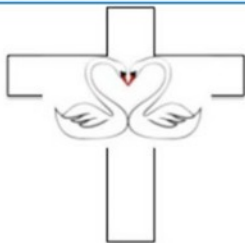

By the time you read this the EU referendum will be over as will our Europe Week. To coincide with the referendum we have decided to try and enable our children to have a greater understanding of Europe. We won't be concentrating on the political agenda but focusing on culture by trying foods, finding out about landmarks as well as exploring the work of some famous European artists. We'll be starting the week by learning just how close or even how far away Europe is. To do this we'll be using balloons. Every child will launch a balloon that will have attached to it our school details. We are really hoping that the wind will be kind to us and perhaps take some of our balloons right into the continent. We'll try and remember to keep you up-to-date with a progress report in future issues about where our balloons ended up.

Alternatively, if you'd like to come and find out all about life in school you are invited to come and join us for a community lunch of fish and chips. This will take place in the school hall on Friday 15th July at 12.45pm for the bargain price of £2.52. Waiter service will be provided by our Year 6 children. If you would like to make a reservation please contact the school office or sign up at Enham shop. For 'technical reasons' we do need to ask for numbers and money by 7th July.

I know that many of you like to read about how we try and keep learning exciting for our children. Our Year 5/6 children in Swallows Class are presently learning all about the Olympic games. To make this come alive they spent a very hot day in late May visiting the Queen Elizabeth Olympic Park in London. Not only did they get to cruise down the river to see such sights as the main stadium and the orbit sculpture but they also had the fantastic opportunity of having an hours BMX coaching that enabled them to ride part of the Olympic track.

Finally, I'm very proud to be able to announce that our Year 5/6 Tag Rugby team ended the Overton Tag Rugby tournament, to which they were specially invited, as champions.

The Smannell and Enham Church of England (Aided) Primary School

To love, to learn, to live ... to leave a legacy

The Smannell and Enham Church of England (Aided) Primary School is currently in need of new Foundation Governors.

Governors are one of the largest volunteer forces in the country and have an important part to play in raising school standards. The role of the governing body is absolutely key to the effectiveness of a school. Ofsted (the national inspection body for schools) has noted that the most effective schools demonstrate effective leadership and management, and that includes the leadership brought by the governing body.

Our school Governing Body is made up of people who come to us through a variety of routes and with a range of different backgrounds, skill and experiences, but they are all volunteers who work together for the benefit of the School and are the link between the School and the community it serves.

The role of the Governing Body is a strategic one and its key functions are to set the aims and objectives for the school; set the policies and targets for achievement; monitor and evaluate the progress the school is making, all this while being a source of challenge and support to the headteacher (a critical friend).

This isn't an application to be taken lightly, as it involves time, energy and a willingness to become involved in the life of the school on a regular basis over at least four years. However, it is very rewarding, as together we can strategically input into the school and see another generation of children growing in knowledge and development within our community. A Foundation Governor represents the Church of England and should be a regular communicant within the Church.

We would be delighted to hear from anyone who has an interest in the performance of the school, but also a willingness to listen and help us make informed decisions to develop the school forward.

Contact Peter Calcraft on 01264 512262 (editor@parishoak.co.uk) or Paul Sexton on 07766 162347 (paul@colvinnet.com) to discuss how you can be involved.

REPORT ON ANNUAL MEETING OF PARISHIONERS AND ANNUAL PAROCHIAL CHURCH MEETING 23rd April 2016 at 6.30pm at The Oak, Smannell

24 Parishioners attended the meetings which were chaired by Rev. Alex Randle-Bissell, who opened the meeting with a reading from an Epistle to the Corinthians and stressed his long-term commitment to the Pastow Benefice. A challenging time lay ahead for everyone involved.

A Benefice Administrator would be appointed at the 'living wage' on a 6-week trial period. The position would be reviewed annually.

Irene Wilson and Emma Kinchenton were appointed Churchwardens at Christ Church and St. George's respectively.

The Minutes of the APCM held on 22nd April 2015 were confirmed and signed as correct by the Chairman and reports of the year's business from the Secretary, Church Electoral Roll Officer, Deanery Synod Representative, Gift Aid Secretary, Treasurer, Churchwarden and Team Vicar were presented to the meeting and unanimously adopted. *(Minutes of the meetings, accounts and all reports are on display at both churches or are available from the Secretary. Tel: 357487)*

The Accounts, which had been prepared by Treasurer Noel and independently examined, outlined the financial position and were unanimously approved. Colin Woods was elected as Independent Examiner of the Accounts; officers and members of the PCC and Sidespersons were elected or re-elected for the following year.

St. Mary's Church had severed all ties with Uganda and it was anticipated that all other links would also come to an end.

Rev. Alex thanked all members of the PCC and officers and members of both churches for their continued hard work, support and efficiency during the year. The Chairman made special mention of the Parish Oak magazine and the support and work performed by so many in the community. 'Enham' continued to look after the churchyard.

Noel Pope then made a presentation to Pete Bowker, thanking her and Rod for all their hard work on behalf of the PCC and the whole community.

The meeting closed with prayer at 7.35pm and Parishioners sat down to enjoy a delicious supper.

Secretary to the PCC, Smannell with Enham Alamein***

Enham Alamein Parish Council

At the meeting held on Wednesday 8th June, Alan Matthews was elected as Parish Councillor. Alan lives in Greenfields and looks forward to meeting residents

On Saturday 11th of June, a street party was held in Landale Close. Although wet in the morning and later that day it was a dry and enjoyable event for those that attended.

The Andover Theatre group provided the entertainment. Diana's group of Enham residents produced the most wonderful cake to mark the occasion and for everyone to enjoy.

Our thanks to the Enham gardening team and especially Liz Cosgrove for her enthusiastic help in organising this community event.

The next meeting will be on Wednesday 13th July.

Hope to see you then.

Enham Alamein Shop & Post Office

It was a glorious sunny day on Friday 27th June for the shop relaunch

Many people attended, and we were honoured with the presence of Mayor Karen Hamilton and also the CEO of The Enham Trust, Peta Wilkinson.

The Mayor kindly cut the ribbon to formally pronounce the shop re-opened, and a good afternoon of tasting and conversation followed. We thank everyone who came along.

We have since received many positive comments about the new shop layout and the increased stock.

We do hope to see you all soon and would appreciate your thoughts and ideas too.

Leslie and Tim.

We Provide More Than Just Customer Service!

Peta Wilkinson CEO

01264 345800

Hello Everyone,

I do hope you're enjoying the start of a wonderful summer; we've been so busy here at Enham Trust, and I can't wait to share with you all our news.

We are honoured to have been made one of The Worshipful the Mayor of Test Valley, Cllr Karen Hamilton's, chosen charities of the year. Beginning this exciting new relationship with a fun and vibrant event in Andover town centre, affectionately nicknamed 'Save the Mayor!', the event saw our wonderful new Mayor asking several local businesses and community groups to pledge their support to the Trust during the course of the year.

June saw us celebrating National Carers' Week (6th – 12th) and the vital work that our invaluable care & support teams do to ensure our disabled clients live lives of choice, control, and independence. I feel extremely proud of everyone who enables us to continue in our mission, and so pleased we were able to mark this occasion.

Our innovative Art Project officially launched during a sun-kissed, and creative event on 24th June; our residents, staff, local community groups, local press, and those who have already contributed to the Project such as the fantastic pupils of Roman Way School, were able to join us for refreshments, an opportunity to create even more vibrant art, and an official unveiling of current completed artwork. If you'd like to get involved in The Art Project, please contact Dorethea Nowack on: dorethea.nowack@enhamtrust.org.uk or 01264 345 800 ext. 2105.

I'd like to take an opportunity to congratulate Enham Trust Work Choice customer Lesley who has successfully gained permanent employment within our Move Programme team as an Administrator, after volunteering for the Programme for a number of months; gaining new skills and building her overall confidence. This is a wonderful achievement for both Lesley and our Employment & Skills team.

I was very proud to be involved in the opening of Leslie & Tim's newly refurbished Post Office and Shop as they are both a huge asset to this community.

More information can be found on our website: www.enhamtrust.org.uk

Best wishes,

Peta Wilkinson, CEO

Who is Kate Apps?

Tell us a little bit about you, and what fills your day?

I moved to Smannell with my husband, Nick, daughter, Beth, and Springer Spaniel, Hector, in 2013. We had been Army nomads (I'm originally from East Sheen, London), however, I was keen to gain family stability. We chose Smannell as a good spot to settle due to its proximity to a number of military bases, Andover town centre, good schools and dog walking woods. Nick now works as a financial services management consultant, while I have decided to retire from the Army after 12 years service, to pursue a project management career. This enables me to support Beth as she starts school, and to pursue a lifelong love of the National Trust. I am now a volunteer at the Sandham Memorial Chapel, the only UK memorial to WW1's Salonica Campaign.

What keeps you motivated?

With a young child, dog and full-time job, my day is hectic. Sometimes it's a case of head down and go for it! I love the Smannell lifestyle - whether painting my house any colour other than magnolia, obsessively dead heading the roses, losing myself in the woods for hours with the dog, or rushing Beth to her 0800hrs Saturday swimming lesson. I love bringing Beth up in this environment – whether throwing sticks in the woods, travelling to Finkley Farm or being nagged to take her to her first riding lesson.

What are you most proud of?

My current work in the Army, even though I'm about to leave! I'm part of a team which works to ensure that all Army staff get every opportunity to fulfil their potential, no matter their background, religion, gender or personal needs. It is exceptionally satisfying when you see that something you have done has made a real difference in the ability of someone to achieve all that they can in their career.

What would be the single thing you would like to do differently or see change?

I would really like people to stop speeding through our village! We have a school and family pub – as well as a wonderful playground in Little London. I'm often left muttering under my breath as I walk Beth to Little London in the summer and people come hurtling past at a dangerous speed.

What makes you tick?

Beth waking me up at 0630hrs every morning demanding her Kindle, followed by Hector giving me doggy eyes by our kitchen door – his way of demanding a walk!

What three words would your friends use to describe you?

Driven, loyal and incisive.

Any words of wisdom you would like to share?

I only learnt this recently, and very much the hard way: don't let life drive you – know what you want and control your own life, you only get one!

After our report about feral cats last month an extremely pregnant feral was caught in a trap and brought in by one of our supporters. She is now in care awaiting the birth of her kittens. Hopefully, they can be tamed and go to homes and she will be released back to her food source.

Two of our fosterers attended the Open Day at Strathmore Vets in May. It was an enjoyable afternoon and we have received a cheque for £103.75 from them, which was part of the money raised. Thank you Simon and all at Strathmore vets.

This is **Hobo** who was found straying in Tidworth. He is ginger, about eight years old and has beautiful golden eyes. He has a chatty and friendly nature and would love to find a family home where he will get lots of attention.
