EDITORIAL

What a contrast we see continually in this world around us.

In our community, so connected to the countryside around us, we are reminded of the beauty of nature as we rapidly transform through the seasons.

In comes autumn suddenly, with the leaves falling together with the temperature, as we move steadily towards the colder climes of winter beyond.

We live in such a beautiful part of the world and we should appreciate such vivid countryside beauty, particularly when contrasted with the horrific scenes on our television of the devastation of Aleppo and other war-torn communities across the world.

I'm sure your heart goes out to those who have to endure such existences and of course it is the children who are brought innocently into such situations that we are so concerned for.

It is a stark reminder of how quickly mankind can destroy the surrounding beauty and wreck lives.

But then the heart is warmed again by the stories of human kindness and positive endeavour that percolate through.

I was particularly encouraged to see the story of the Brownlee brothers. They were competing in a triathlon in Mexico this week and as the younger brother strived to win and approached the tape, he weakened and stumbled, almost passing out. His older brother was behind him in second place, and without hesitation he put his arm around Johnny and pulled him towards the line. They lost the race, but that didn't matter as one brother caringly supported another as they still strove to reach the tape. Another competitor burst past them and raced to win, not caring for the medical emergency that was developing, and then was visibly amazed that the supporters didn't cheer at his fortunate success.

We need to care more ... to support each other as we strive to run the race. We can't solve every desperate issue that we see in the distance, but we can reach out a hand to those amongst us that need help today.

CHURCH IN SMANNELL & ENHAM

Ramblings from the Rectory ...

October makes us think of the season of mists and mellow fruitfulness ...

October is often the month to celebrate harvest, although in the Church of England, we do have some churches beginning their celebrations at the beginning of September and others still celebrating at the end of October.

And so this year we struck a compromise and used both months, and so had our Evening Harvest Service and Supper at Christ Church at the end of September, and we still look forward to our St George's Harvest Service and Communion on the 2nd of this month at 10am.

Thank you to everyone who has been involved in decorating our churches and in helping to prepare the Parish Harvest Supper, as well as those who donated produce for the Food Bank.

Fruitfulness and harvest go together and it is at this time of year when fruits are ripening in orchards, that we take the opportunity to thank God for all that he has given us. Fruitfulness is something I was talking about at our first Messy Church at Smannell school last month. We also talked about Growth and Togetherness and the theme was, 'Jesus said, I am the true vine.' We made vine bookmarks and did potato printing and also made a giant grapevine frieze, covered in hand prints! The session included the bible story of the true vine as well as some singing, and then we all enjoyed a ploughman's tea, and grapes, together.

It was lovely to welcome 13 families [39 people were registered] to our first Messy Church and we look forward to the next one on the 11th October at 3pm.

In October we also have the Alamein Service, and for this year only, it will

include the Military Wives choir and so will be held at St Mary's Church in Andover. The date is Sunday 23rd October and the afternoon will begin with refreshments and a display to look at from 2pm. Then the service will be held from 2.30pm till 3.30pm. There will follow a concert by the Military Wives choir from 4pm till 5.15pm. For more details please contact Liz Cosgrove.

We also have our Family Service to look forward to in October at the church in Smannell, where we will be taking the theme of light. This is a short, child-friendly service on Sunday 30th October, beginning at 10am, and ending by 10.40am with refreshments. All are welcome ... grans, grandads, aunties, uncles, parents, children, babies and those on their own. It should really be called an All-Age Service as it is for everyone! If you haven't been to one yet, do give it a try.

Our new house groups on Prayer will begin in October, on the last Monday of the month. On Monday 31st October from 2pm to 3.30pm, followed by refreshments, there will be an afternoon group at the Rectory. There will also be an evening group on the 2nd Monday of the month, starting on November 14th, from 5pm till 6.30pm followed by refreshments. You are welcome to come to either group or to both.

So there is lots going on in October in our churches. Maybe this is the month that you try something new? Whatever you do, have a good and a blessed month,

God bless,

Val

Smannell Parish Council

Little London Notice Board

The notice board is suffering from water damage. The council has agreed, following a request from the public, that the board be moved inside the bus shelter. The work will be carried out shortly.

Little London and Upper Enham Roads

Hampshire CC was requested to move the traffic signs on the entry to Little London for them to be easier for drivers to see, and for the 30 mph sign on approach from Frenches Farm to be moved further from the village.

The council was also requested to put in a small area of paving by the Green Lane bus stop for the use of passengers.

Hampshire CC was also asked to consider a 30 mph speed restriction through Upper Enham where the road is narrow and where there are driveways with limited visibility. Accidents have been reported on this section of road.

The Parish Council will hear back from Hampshire CC regarding these requests.

Augusta Park

Test Valley has been asked to increase their surveillance of vehicles parking on double yellow lines. Some parking tickets have been issued but have not, as yet, solved the problem.

The Parish Council is placing park benches and dog bins in Augusta Park. Test Valley are carrying out the procurement and installation on our behalf.

November Council Meeting

The next meeting is planned for 7th November.

Rod Bowker

Chair, Smannell Parish Council

Enham Alamein Parish Council

Your Parish Councillors meet on the second Wednesday of each month and would encourage you to come along and have your say. Good or bad, old and new ideas and comments are most welcome. The aim of the Council is to improve the community in which we all live. Working with local Borough and County Councillors we try to get the best from opportunities to enhance or create new facilities.

The new traffic lights are an example of where a lot of time, effort, communication and good working relationships provided new street furniture that improves safety for all users.

We would ask that you let us know what you would like to see in your village. You will find us at 7.15pm each month at The Cedar Print Room, Enham Resource Centre or please contact us by email at the address: enhamalameinparishco@testvalley.gov.uk.

Enham Alamein Shop and Post Office

The Enham Village Shop & Post Office has been given a first class re-fit.

A brighter more spacious shop has been created using new lighting and refrigeration equipment. Additional shelves provide a larger range of stock including daily essentials and more local produce. A newly fitted kitchen provides fresh bread, pastries, pies and sandwiches daily plus the very popular "fish & chip" Friday.

The Post Office services are more than just post and also support your banking needs. All banks now offer convenient cash withdrawals at the counter and foreign currency, too.

Leslie and Tim invite you to take a look around and offer your thoughts and ideas of how they can keep your shop at its best.

We hope to see you soon.

We Provide More Than Just Customer Service!

Peta Wilkinson CEO

01264 345800

Hello everyone,

Here we are with beautiful autumn now in full swing. As the leaves fall from the trees, I have so much good news to share with you.

I'm delighted to announce that the Morrisons Foundation has made a considerable donation to our exciting plans for 'The Hub'; an internet café and social space for our customers, residents and members of the public. This generous donation will support us in providing a fully wheelchair accessible, vibrant space for everyone to enjoy. My thanks go to everyone involved.

September saw us run a campaign with the M&S Energy Fund; asking the public to vote for us, to secure £12,500 for an Energy Centre. If you would like to, there is still time to vote: www.mandsenergyfund.com/projects/energy-centre-for-enham-trust/.

I had the pleasure recently of completing an exhilarating challenge of a paraglide across the stunning South Downs, to raise funds for our vital cause. It was a thrilling and particularly moving experience. I'm very grateful to all those who supported this challenge, by both donating and wishing me well, which has seen me successfully raise £2000.

As we approach the festive season, if you have any household items you wish to let go, please consider giving them a new home by donating them to our wonderful charity shop in the village.

Our plans for the Cedar Park development were Highly Commended in the Housing Design Awards 2016; a fabulous achievement for our step-changing new services set to open on our historic Cedar Park site next year.

Finally, we are currently recruiting for Personal Assistants. Please visit: www.enhamtrust.org.uk/jobs-at-enham-trust/enham-trust-vacancies.

More information can be found on our website: www.enhamtrust.org.uk

Best wishes,

Who is Ben Cox?

Tell us a little bit about you, and what fills your day?

I live with my family in the wonderful village of Enham Alamein. We are positioned right next to a field with a magnificent view. I have lived here all my life and my parents, Rachel and Phil, have lived in the village for over 30 years. I have a brother and two sisters (Olly, Emily and Maddy), and a beautiful girlfriend called Chelsea who I spend a lot of time with. We also have a family Eurasia dog called Chloe.

What keeps you motivated?

Wildlife has always been a huge interest of mine. However my passion really has always been birds of prey and that leads into the job that I do, as I am an apprentice falconer at the Hawk Conservancy Trust. I work at the Trust five days a week and I absolutely love it. It's what I've wanted to do since I was about 11 years old. A falconer is someone that works and trains with birds of prey, and it's a very rewarding and satisfying job. My apprenticeship lasts three years. If you have never visited the Trust before it is well worth it.

I also have many hobbies, mainly cricket, football and badminton, and I play all of these sports regularly. I am currently playing for Stockbridge Football Club, I really enjoy it and try to play as much as I can when I'm not working.

What are you most proud of?

I am proud of being the cricket district winning captain for Winchester Warriors for three years in a row, when I was aged 12. But I have to say, I am really most proud of what I am doing now, as I get to commentate on demonstrations in front of hundreds of people. That is a real highlight in my short life so far.

What would be the single thing you would like to do differently or see change?

Well there are so many things to see changed, such as world peace, a stop to wars and terrorism and of course a cure for the awful disease that is cancer. However at this moment in time, I would love to see society's perception of vultures change. Vultures are seen as ugly and disgusting creatures, but a world without vultures would be a disease-ridden world and I would really like it if everyone could be vulture lovers.

What makes you tick?

Waking up thinking just how much I enjoy life and how to live every day to its full. I thrive in trying to be kind and caring and also in helping as many people as I can.

What three words would your friends use to describe you?

Hard working, genuine, kind hearted.

Any words of wisdom you would like to share?

Treat people how you would like to be treated. My parents have always taught me to be nice to everyone and manners cost nothing and they go a long way. Just live your life to the full and have no regrets.

 Items for resale 01256-892773

As usual at this time of year, we are once more overrun with kittens. One poor young cat who came in, pregnant with her fourth litter, gave birth to six kittens and collapsed a few weeks later. She was rushed to the vet and against all odds, with great veterinary care, miraculously survived. We were left with a large bill and six kittens to hand rear.

We are still offering neutering for a donation of £10. We are unable to run our popular soft toy tombola due to a shortage of soft toys. If you have some that you no longer need, clean and in new condition, please call our 'items for resale' number.

Bertie, the September cat has found his forever home. Fortunately his friend Belinda doesn't seem too perturbed at being left alone in the pen and is still happily playing with her piece of string.

Minky is a 6 year old tabby with white paws. She is very loving but timid. She gets on very well with her companion Nuzzy, who is a black, two year old female so it would be nice if they could be homed together.
