## **EDITORIAL**

The summer is with us and the cooking is easy! You are probably still enjoying your most recent barbecue as you read the Parish Oak this month.

The summer has indeed been a long and lovely season so far, with prolonged sunshine and warm muggy weather. I wonder if that will all change now that the children are out from school and no doubt quickly bored, exclaiming that there is simply nothing to do.

I can remember my own school summer holidays ... spent in Jamaica, so many years ago. They seemed to be taken up with long days playing cricket or football with local village children (and adults too!!). They really were halcyon days spent in the warm tropical sun.

Well there are of course lots of events and activities in our vicinity to enjoy, though I don't think our temporary replacement Andover swimming pool will make it in time for this summer!

But why not simply enjoy the beautiful countryside more with rambles and walks during this glorious month? I think I am particularly guilty in not using our God-given resources more often ... we really are surrounded by the most beautiful natural scenery.

Of course many of you will be travelling away for your holidays ... no doubt visiting Spain and France, Italy and Greece to soak up the sun in even hotter climes at this time of year. The TV news reported that last weekend was the busiest ever for airport travel in the UK.

So enjoy yourself during this carefree season of leisure, but do remain vigilant for any potential dangers - natural or mankind initiated. We are living in times when it is prudent to be aware of unexpected dangers in unanticipated settings.

Autumn will soon roll in, so enjoy the balmy weather while we can.

## **CHURCH IN SMANNELL & ENHAM**

### **Ramblings from the Rectory ...**

Our granddaughter who lives in Buckinghamshire is going to be confirmed this September, on the 24<sup>th</sup> of the month, and her Mum asked me if I knew of a suitable book that might help her.

I do have one by Margaret Withers and I eventually found it. It's called, 'Welcome to the Lord's Table.' I shall take it to her so that she can borrow it.

But it started me thinking as to how we welcome people to the Lord's table and in fact how welcoming are we as churches to the communities that we serve? There are many ways in which the church can be there for the community in offering Sunday services so people have the opportunity to worship regularly together, but also in being available for weddings, baptisms and funerals, etc.

There may be many more things that you can think of where the church could be more available to the community. If you have an idea, I would love you to share it with me.

Liz Hall gave us such an idea last year when she told us all about the Bishop's walk that took place 160 years ago this year, and so we celebrated this event in June. Please see the separate article about this. It gave us a reason to get together as a community with the village and the school and the church, and an enjoyable day was had by all who were involved in this.

So do let me know if you have an idea that you think might help us to come together more for the good of the community.

Jesus talks about community when he talks about the Body of Christ [see 1 Corinthians, chapter 12]. We are told that each of us has a unique gift to give and that each one of us can play our part in building up the body. The ear can only do what the ear can do, but it is just as important as the eye, which can

only do what the eye can do. Everyone can be important in helping a community to grow.

And if you are someone who doesn't go out very much, you may say, what can I do? But your prayers could be the best thing that you can give.

Please pray for our school, for our churches, for our Messy Church initiative and for all who live in our villages and at the Enham Trust.

Prayer has been our special focus this year in 2017, and we would welcome any of you to please help us by praying for our whole community here in Smannell and Enham and Little London. You could also pray for all the parishes of the Pastrow Benifice, as we try to grow more united as a team, including the villages of Hurstbourne Tarrant, Vernham Dean, Linkenholt and Faccombe.

One particular event for your prayers in August please, would be our Summer Holiday Messy Church event in Hatherden Church on the 8<sup>th</sup> August, from 10.30 to 12.30. Do join us if you are a family with children, or if you would like to come and help, you would also be most welcome. But your prayers would be especially appreciated too please. Thank you.

Whatever you get up to in this holiday month of August, whether you are away or at home, I pray that this will be a month of blessings for you and that you will enjoy some rest and recuperation, and time simply to be.

God bless,

Val

## **SMANNELL & ENHAM CHURCH OF ENGLAND PRIMARY SCHOOL**

Our sports day has been run, Dream On (a musical version of Midsummer Night's Dream) has been performed, the disco has been danced. In short we've reached the end of another school year and all of the traditional features have taken place.

Our 11 Year-6 children are ready to fly away from Swallows Class and begin their secondary education. This year they will be moving onto four different schools where they will undoubtedly make new friends and prosper. We hope that Smannell and Enham will always hold a special memory for them and that they will be able to live the values we have provided for them. They have achieved a great deal academically and socially. Interestingly they specifically asked, as their treat, that they be able to try something challenging. Tackling an indoor climbing wall in Romsey proved to be the result of that conversation. I am sure that recognising such challenges can be taken on will help them in this time of transition.

In September we'll be welcoming 15 new Reception children to our school. They've all been in to visit us and I know that they are very excited about wearing their new school uniforms for the first time.

One new tradition we've added in this year is to support a charity called Sal's Shoes. They collect shoes that children have grown out of but still have plenty of life in and send them on to children in other parts of the world who don't have such basics. In some cases, this enables those children to be able to go to school which seems like a fantastic idea. On the last day of the year children were asked to bring their old shoes with them as a donation.

We'll try and remember to let you know how we get on with this.

Hope you all have a great summer.

## **SMANNELL PARISH COUNCIL**

### **Note from Smannell Parish Council regarding Broadband**

Following representations to Hampshire County Council from our Test Valley and County councillors and our MP we have been informed that Smannell will be one of the first communities in Hampshire to be upgraded to a full Fibre to the Premises (FTTP) solution which will provide some of the fastest broadband speeds in the country. Unfortunately this will not be until the end of this year at the earliest. This is far from ideal and Hampshire County Council has written to current fast broadband users explaining the situation and suggesting some solutions.

### **PARISH BBQ**

The one hundred supporters who came to the parish BBQ, held this year at Frenches Farm, enjoyed pork sausages, lamb steaks, delicious salads and strawberries and cream. The expert BBQing team was led by our kind hosts Anna and Charles White.

A big thank you to all those who helped with the transport, setting up and taking down of the marquee, tables and chairs and to those who provided and helped with the buying of the food.

We made over £1,100 for our two parish churches.

Hello everybody,

As we approach the month of August – a month of holidays, summer fetes, and warm evenings spent enjoying the final throws of sunshine – we have so much to share with you from all of us here at Enham Trust.

We were delighted to host an official launch of our new, accessible bike on our main site here in Enham Alamein; a chance for us to invite key funders of the project, staff, volunteers, and local Councillors here to see, first-hand, the incredible difference the bike has made to the lives of our customers.

We purchased the bike, which is fully accessible and adaptable for people with physical disabilities, together with our physiotherapy partners, Hobbs Rehabilitation, after almost £11,500 in funds was raised last year, as a way of ensuring our customers can maintain their mobility and increase their strength. For many of our customers, the accessible bike has given them a brand new source of exercise; some now able to experience the joy of riding a bike for the very first time!

I would like to thank everyone who attended on the day – including the Worshipful, the Mayor of Test Valley, Cllr Carl Borg-Neal, and Cllr Phil North.

Special thanks also go to the Hobbs team, our benefactors, and those members of staff who made the purchase of the accessible bike possible.

As a final thought, I'd like to share with you the news that our wonderful care team – Enham Care – is recruiting in the Andover and Alton areas; looking for caring, compassionate, and hardworking individuals to take on the role of Personal Assistant to customers in our care homes, and those using our Care at Home service. If you're interested in applying, or know anyone who is, please visit: [www.enhamtrust.org.uk/care-jobs](http://www.enhamtrust.org.uk/care-jobs)

More information about any of the above can be found on our website: [www.enhamtrust.org.uk](http://www.enhamtrust.org.uk)

Best wishes,

**Heath Gunn, CEO**

We have experienced some very hot weather this summer and there are ways you can help to keep your cat cool. Provide shady areas, both in and out. Freeze a bottle of water, wrap in a towel and place in an area your cat frequents. Encourage your cat to drink. Avoid plastic water bowls, use glass, ceramic or metal instead, and place well away from the food. Bowls with a large surface area are best.

Vera has now found her forever home but poor Clyde is still in care.

This is Duchess. She is three years old and very pretty. She is looking for a home where she can be the only cat as she was bullied by cats in her previous home, but she wouldn't mind older children or a dog.

## **The Bishops Walk**

We were blessed with wonderful weather for our walk with Bishop David on the 17<sup>th</sup> June. The event began with maypole dancing on the school field in Smannell and much fun was had by all. We were well supported by staff, parents and friends of the school, who came out in force!

Some of this goodly crowd joined us for the short re-dedication service inside Christ Church with the bishop. Then we set off on the walk, ably supported by Rod and his marshalls at Smannell. Andrew and the bishop took the lead while Philip and I walked at the back to pick up any stragglers or any needing first aid ... of which thankfully there were none!

We proceeded along the Cinder track from Smannell to Enham, which had thankfully recently been cleared of nettles (many thanks to those concerned). Irene and her marshalls met us at the Newbury road and saw us safely across.

We followed the path up the side of the charity shop and thence through the wood, connecting with Hungerford Lane, and walked up to Charlton Down. So we arrived at the Hare and Hounds where Rod had thoughtfully asked the owner to open up and supply us with lovely cold water. Chris and his marshalls took over at this point to see us all across the road.

We walked along the lane towards Hatherden before cutting across the fields and a welcome committee met us near the road by the church with more cold water supplies and then we were at our journey's end. There was just time for more cold drinks outside the church before joining the bishop for a re-dedication service at Christ Church, Hatherden. Lunch followed in the grounds of the church. For the energetic among us Karen was leading a game of rounders on Hatherden school field and some folks even had enough energy to tackle the walk back the other way!

It had indeed been a wonderful day. We achieved our objective of re-enacting the walk of a bishop 160 years ago, who had originally dedicated both churches on the same day. We completed this same walk again with a bishop, albeit at a warmer time of year! We had a great deal of fun while doing so and I feel the two churches have grown together in fellowship a little more as a result. Thanks are due to all those who helped to make it a success, the planners and the walkers and all who helped on the day. Special thanks go to Liz whose idea it was. We nearly had Claire Balding join us...now that would have been something!

All good wishes and many thanks to all those involved,

**Val Gagen**
