AND CONTRIBUTE TO THE  
FUTURE OF OPERA AND  
BALLET TOGETHER

# ABOUT

**F**EDORA - The European Circle of Philanthropists of Opera and Ballet is a non-profit organisation that was created in Paris in 2014 under the presidency of Jérôme-François Zieseniss, as a tribute to Rolf Liebermann.

This European initiative supports artistic innovation and creativity in opera and ballet. It leads the way in advocating new complementary funding models for the performing arts, by matching innovative new artistic creations with international funding opportunities to contribute to the future of the cultural heritage of opera and ballet in Europe.

## BENEFITS OVERVIEW

### FUNDING OPPORTUNITIES

Members can apply for the FEDORA Prizes:

- FEDORA - GENERALI Prize for Opera at €150,000
- FEDORA - VAN CLEEF & ARPELS Prize for Ballet at €100,000
- FEDORA Education Prize at €50,000
- FEDORA Digital Prize at €50,000

### VISIBILITY OF YOUR ARTISTIC WORK

The FEDORA Platform offers visibility for the shortlisted and nominated projects for the FEDORA Prizes. The online voting and donating activities contribute to the accessibility of opera and ballet by encouraging the general audience to discover and support their favourite projects.

### FUNDRAISING & CAPACITY BUILDING ACTIVITIES

Members can take on an active role by participating in FEDORA's annual General Assembly (budget & project plan vote) and can attend the Fundraising Forum organized in collaboration with Opera Europa, which is dedicated to peer-learning and the sharing of best practices in the field of philanthropy in Europe and beyond. Together we build skills and methods to enhance transnational giving in Europe.

### SERVICES FOR DONORS ACROSS EUROPE

Your organisation has the possibility to reserve packages for Special Events organised by FEDORA in collaboration with opera houses and festivals in Europe. As a member, you can also reserve tickets for your donors through our VIP Ticket Service so they can benefit from a special access to opera houses within FEDORA's network.
