FLIGHTS

123 TEQUILA FLIGHT	30	REY CAMPERO FLIGHT	42
Founder David Ravandi was inspired to design a brand specifically with wine enthusiasts in mind. The delicate floral aromas and complex mineral flavors are the result of artisanal, small-batch distillation and estate hand bottling.		One of the highest quality Mezcales on the market, Rey Campero is composed of entirely wild-harvested agave, from only six agave varietals. These Mezcales were created to re appropriate agave back into the wild and create jobs for villagers.
