

Visual Edge

Angled Perception Hidden Dimension

Change your perspective with Visual Edge, a new take on hierarchy and structure that creates a flowing graphic pattern derived from nature. This biophilic hexagonal design comes in two plank styles that layer elements and change scale to guide you through space, similarly to a bird's eye view of the ground below. Patterns in a space can shrink or grow in scale to adjust to the changing formats of space in the built environment.

Technology & Features

DECLARE RED LIST FREE

GH Commercial fully embraces sustainability with the Mohawk Group brand and is leading the industry in product transparency through programs like Declare and the Living Building Challenge. Our carpet tiles hold current and relevant certifications and labels that illustrate our commitment to creating healthy indoor environments. The Visual Edge collection is Declare Red List Free, with all ingredients disclosed on the Declare 'nutrition label', eliminating the mystery of product ingredients and giving you total product transparency.

COLORSTRAND® CARPET FIBRE

For over 15 years, Colorstrand fibre has continually exceeded the demanding expectations of our customers for their projects. With the design flexibility and colour intensity of solution dyed fibre, Colorstrand delivers lasting beauty and value. And, Colorstrand has the added benefit of third party SCS Global Services certified 30% recycled content.

ENVIRO BAC® CARPET TILE BACKING SYSTEM

Enviro Bac® is a dimensionally stable, breathable carpet tile backing system offering exceptional performance features. Made locally in Australia, Enviro Bac® is a healthier carpet backing solution that has been trusted in commercial buildings around the country for over 20 years. Enviro Bac® simplifies floor preparation and installation and greatly reduces sub-floor moisture concerns.

Installation Instructions:

All carpet tiles and planks must be installed in accordance with AS2455 Parts 1 & 2 (latest version) and the GH Commercial Carpet Tile/Plank Installation Instructions.
Chair pads are recommended under office chairs with roller castors to preserve appearance retention, act as a deterrent toward delamination and to prevent premature or accelerated wear. Walk-off tiles from the Tuff Stuff II Collection are recommended at entryways to reduce soiling.
Specifications and colourations are subject to manufacturing tolerances. As part of the GH Commercial continuous improvement program, specifications may be changed or colours deleted without notice. For current and complete specifications please visit ghcommercial.com
Images do not seek to duplicate the exact visual appearance, but serve merely as a guide or point of reference. While all care is taken, product images may vary in colour due to possible printing process and/or light variations.

^{*}Test results are available on request.
[#]Minimum order quantity may apply. Contact your GH Commercial Account Manager for information.
^{*}These guarantees/warranties are in addition to any rights consumers may have under Australian and/or New Zealand consumer laws.
^{*}Terms and conditions apply - for full information in respect to the scope of the warranty please contact your GH Commercial Account Manager or our Head Office.
