

Spring 2026 Ladies Team League

Team Rosters

Teams will have a minimum of 8 players on their roster.

Teams will be established via random draw with at least 2 players from each level on a team.

No player may “play down” Ex; a level 4 player can’t play on the level 3 court; however, a player can play up.

Once Teams are established someone will have to step up to be captain. The captain will be responsible for match lineups, collecting league fees and setting up practice.

Play Format

4 courts play each match – Example: Team 1 vs Team 2, courts 1, 2, 3 and 4. Team Captains must place players in their lineups as follows; Each Level partnered to play on a court.

In GPN the AWAY Team should add their lineups at least 4 days prior to play. HOME Team can respond anytime after that. If the AWAY Team needs to make a change and the HOME Team added their lineup already they need to contact the HOME Team to make them aware.

Each court shall conduct an independent coin toss. The visitor will call the toss. Winner will choose side or serve.
