# Seating plan & ticket prices

For Festival 2018 we have four price bands, dependent on the day of the week and the repertoire. The numbers 1, 2, 3 and 4 next to the name of the opera in the Performance Schedule (pages 24-27) indicate the price band for each performance; please refer to the table when booking your tickets. **The colour coding in the seating plan below correlates directly with the colours on the table opposite on page 29.**

## Sightlines and Supertitles

The Glyndebourne auditorium is a 'horseshoe' shape. As a result, some of our seats have a restricted view of varying degrees of the stage; and restricted or no view of the supertitles. Tickets for these seats are priced accordingly. However, if supertitles are important to your enjoyment of the performance, please tell the Box Office when applying for your tickets.

## Foyer Circle sides and Circle sides

As there are a very limited number of these seats available, please give alternative options when booking.
