

SKiN, a seating system, is the result of the collaboration over many years between Jean Nouvel and Molteni & C. A design which aims to combine research, technology, design and workmanship at the highest levels.

SKiN offers innovative technology, such as its supporting frame in tubular pretensioned aluminium, with foam rubber inserts which act as the base for the structure cover in leather or double face felt, featuring self-modelling geometric incisions.

The cover cannot be removed.

Types

Sofas

w. 210 – d. 96 – h. 67 cm
w. 82^{5/8}" – d. 37^{3/4}" – h. 26^{3/8}"

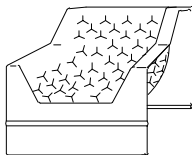

w. 247 – d. 96 – h. 67 cm
w. 97^{1/4}" – d. 37^{3/4}" – h. 26^{3/8}"

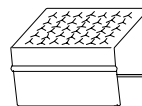

Armchair and Pouff

w. 77 – d. 77 – h. 81 cm
w. 30^{3/8}" – d. 30^{3/8}" – h. 31^{7/8}"
Armrest: h. 54 cm / 21^{1/4}" from floor

w. 56 – d. 56 – h. 39 cm
w. 22" – d. 22" – h. 15^{3/8}"

Use and maintenance

The product was designed for domestic use only; never stand on structural parts. Avoid doing maintenance on components of products yourself, contacting your retailer with regard to any problem that may arise. Any odours given off by the product when unpacked are not toxic and disappear when exposed to aired surroundings. When the product must be moved, keep it up off the floor to avoid damage to parts that rest on the floor.

Foot care

For ordinary care, use a soft, dry cloth to remove dust. For greasy dirt (fingerprints), we recommend the use of standard glasscleaning detergents containing ammonia. Once a month, treat the surfaces with metal cleaner/polish. Avoid products containing solvents and/or spirits and cloths with hard fibres (synthetic/linen) as they could ruin and/or scratch the surfaces.

Maintenance - Covers

See covers information sheet (in the download section on the web site www.molteni.it).

Disposal

Once discarded, neither the product nor its components should be abandoned in unauthorised areas.
