

Pelican Chair

Finn Juhl 1940

ORIGIN OF DANISH DESIGN

Pelican Chair

Finn Juhl 1940

H: 68 cm
W: 85 cm
D: 76 cm

The Pelican is a marvellous piece of design which beckons to every beholder. Its organic form is a good example of the way in which Finn Juhl has been inspired by modern "free art". Typical of Finn Juhl, the Pelican is very comfortable and manufactured according to best craftsmanship traditions with hand-sewn upholstery. The legs come in several types of wood.
