# Nyhavn Table

Finn Juhl 1945

H: 72,5 cm  
W: 85 cm  
D: 170/190 cm

Finn Juhl designed a diverse range of furniture with frames of steel pipe during his working life.

This was also the theme of the work tables for his first studio at Nyhavn 33, Copenhagen. As Finn Juhl in 1957 moved the studio to Sølvgade 38, these tables were still in use.

We have decided to relaunch this simple and very stable table originally made of burnished steel tabletops linoleum or plywood. Frames and toes match in either walnut, teak or oak.
