### UN NUOVO CONCETTO DI COMFORT A NEW CONCEPT OF COMFORT

Il sistema di sedute Granville è frutto di un'attenta ricerca sulla forma libera: il progetto è incentrato su un gioco di curve, di tratti marcati e leggeri. I moduli, diversi per forma e dimensioni, dialogano tra loro e si completano a vicenda, mentre i braccioli e gli schienali definiscono articolate zone relax, offrendo modalità differenti di seduta.

Granville si presenta sia come sistema divano nell'accezione più tradizionale, sia in una veste più flessibile e articolata di isole aggregabili tra loro, prive di schienali e braccioli fissi, ma dotabili di uno schienale amovibile, con una forma curva originale. Perché Granville non è un semplice lavoro formale, ma l'occasione per riflettere sul divano come spazio da vivere e condividere, espressione di uno spirito giovane e contemporaneo. Così, lo spessore dello schienale, l'aggiunta di un elemento chaise-longue, la presenza o l'assenza di braccioli sono un invito a vivere il divano in modi diversi, a seconda del numero degli ospiti, delle proprie esigenze, del momento della giornata.

Un sistema che offre un nuovo concetto di comfort e ridisegna il paesaggio del living.

A result of the careful research on the free-form, the Granville seating system focuses on a game of curves and of marked and light strokes. The modules, which vary in shape and size, interact with each other, while the armrests and backrests define articulated relaxation areas with different seating modes. Granville is available both in the traditional sofa option and as a more flexible and articulated solution of detached islands. Joinable together, the various elements come without fixed backrests and armrests and are characterised by the original curved shape of the removable backrest. Developed not as a simple formal exercise, but instead as an opportunity to reflect on the sofa as a space to be lived and shared, Granville is the expression of a young and contemporary spirit. The thickness of the backrest, together with the addition of a chaise-longue element and the detachable armrests are an invitation to live it in different ways, depending on the number of guests, their needs, or the time of the day.

A system that offers a new concept of comfort and that redesigns the living room landscape.

Das Sitzprogramm ist Ergebnis einer akkuraten Analyse der freien Form: Im Mittelpunkt des Projekts steht ein Spiel mit Kurven, mit stark markierten und schwerelosen Linien. Die Module, mit verschiedenen Formen und Dimensionen, verbinden und ergänzen sich gegenseitig, während die Arm- und Rückenlehnen spezifische Entspannungszonen definieren, indem sie zu unterschiedlichen Sitzpositionen einladen. Granville präsentiert sich als ein Sofa-Programm in absolut traditionellem Sinn, oder aber in einer flexibleren Form, untergliedert in, untereinander kombinierbare Inseln, ohne feste Rücken- und Armlehnen, aber mit einer abnehmbaren Rückenlehne in originell gekurvter Form. Granville beinhaltet nicht einfach nur den Entwurf einer Form, sondern die Möglichkeit, das Sofa als eine Zone zu konzipieren, die gelebt und geteilt werden will, Ausdruck einer jungen, modernen Mentalität. Und so werden die Dicke der Rückenlehne, eine hinzugefügte Chaiselongue, die Präsenz oder das Fehlen von Armlehnen eine Einladung, das Sofa auf verschiedene Weise zu leben, je nach der Anzahl der Gäste, der eigenen Erfordernisse oder der Tageszeit. Ein Programm, das ein neues Konzept des Komforts bietet und unsere Wohnlandschaft neugestaltet.

Fruit d'une recherche minutieuse autour de la forme libre, le système d'assise Granville s'exprime par un jeu de courbes et de lignes légères et décidées. Les modules, qui varient en forme et en taille, interagissent les uns avec les autres, tandis que les accoudoirs et les dossiers définissent des zones de relaxation articulées offrant différentes utilisations. Granville est disponible en canapé traditionnel ainsi que dans une forme plus flexible composée d'îlots détachés et modulables sans dossiers et accoudoirs - mais pouvant être équipés d'un dossier amovible à la forme incurvée originale. Plus qu'un simple exercice formel, Granville est l'expression d'un esprit jeune et contemporain au sein duquel le canapé joue le rôle d'espace de partage. L'épaisseur du dossier, l'ajout d'un élément lounge et les accoudoirs amovibles sont autant d'invitations à la vivre différemment au gré de ses besoins, selon le nombre d'invités ou l'heure de la journée. Un système qui présente un nouveau concept de confort et qui redessine le paysage du salon.

**Struttura:** in legno multistrato con molleggio garantito da cinghie elastiche ad alta componente di caucciù. Preparazione della struttura sedile in poliuretano espanso a quote differenziate ad alta densità con sede concava per accogliere il cuscino migliorandone sofficià e durata. Braccioli e schienali realizzati in metallo e annegati in schiuma poliuretana ignifuga, ulteriore rivestimento in fibra termolegata traspirante accoppiata con tela di cotone bianca anallergica che conferisce morbidezza.

**Cuscinatura:** imbottitura cuscini schienale e sedile in piuma d'oca canalizzata (certificata Assopiuma, Etichetta Oro) con inserto centrale in poliuretano espanso a quote differenziate ad alta resilienza.

**Sfoderabilità:** cuscini sedile, cuscini schienale e struttura completamente sfoderabili in tutte le versioni (tessuto e pelle).

**Piedi:** in alluminio pressofuso verniciato lucido anti-touch color Peltro.

Scivolante protettivo in SEBS di colore nero.

Per agevolare la sfoderabilità e la consegna, i braccioli e gli schienali sono sfilabili dalla base tramite un sistema di innesto e sgancio rapido.

### AVVERTENZE SULLA CONFEZIONE DEI CUSCINI SCHIENALE

Tutti i cuscini schienale presentano un bordo perimetrale in ecopelle.

L'azienda si riserva di scegliere il colore del bordo in ecopelle coordinandolo con la variante del tessuto scelto per il rivestimento dell'elemento. In caso di rivestimento in pelle, il bordo perimetrale dei cuscini verrà realizzato nella medesima pelle.

**Structure:** in plywood with suspension provided by high-rubber-content elastic webbing. The seat structure is coated in high resilience, variable density polyurethane foam with a concave contour to accommodate the cushion, maximizing softness and durability.

Armrests and backrest are made of metal coated in flame-resistant polyurethane foam, an additional casing in breathable heat-bonded fiber laminated to white, hypoallergenic cotton fabric lends added softness.

**Cushions:** channeled goose down padding in the backrest and seat cushions (Assopiuma certified, Gold Label) with high resilience, variable density polyurethane foam core insert.

**Covers:** seat cushions, backrest cushions and structure covers are completely removable in all versions (fabric and leather).

**Feet:** die-cast aluminum, varnished polished Pewter colour with anti-fingerprint finish.

Black protective SEBS glides. To facilitate transport and the removal of covers, the armrests and backrests can be removed from the base through a quick set and release coupling system.

**INFORMATION ABOUT TAILORING OF THE BACKREST CUSHIONS** All of the backrest cushions have perimeter trim in eco-leather. The company reserves the right to choose the colour of the eco-leather trim, matching it with the upholstery fabric or leather chosen for the piece.

**Gestell:** Schichtholz mit Federung durch elastische Gurte mit hohem Kautschukinhalt.

Aufbereitung der Sitzstruktur mit unterschiedlich dick geschäumtem, hochdichtem Polyurethan mit konkaver Sitzfläche, um das Sitzkissen aufzunehmen und den Sitz weicher und robuster zu machen.

Arm- und Rückenteile aus Metall, eingebettet in feuerfesten Polyurethanschaum, dann bezogen mit atmungsaktiver, thermofixierter Faser, kombiniert mit weißem, antiallergischem Baumwolltuch, das besondere Weichheit vermittelt.

**Kissen:** Polsterung des Rücken- und Sitzkissens aus kanalisierten Gänsedaunen (Gold Label, zertifiziert von Assopiuma) mit zentraler Einlage aus unterschiedlich Stärken, federndem hochdichtem Polyurethanschaum.

**Abziehbarkeit:** Sitz- und Rückenlatten, sowie Struktur in allen Varianten (Stoff- und Lederbezug) vollkommen abziehbar.

**FüÙe:** Aus Aluminiumpressguss, glänzend zinnfarbig lackiert mit Anti-Fingerprint-Beschichtung. Schwarzer Schutzkappe aus SEBS.

Um das Abziehen und den Transport zu vereinfachen, sind Arm- und Rückenlehnen über ein praktisches, schnelles Stecksystem mit dem Grundgestell verbunden.

### ANMERKUNGEN ZU DEN RÜCKENKISSEN

Alle Rückenlatten sind mit einer Umrandung aus Kunstleder versehen.

Die Firma behält es sich vor, die Farbe der Kunstlederumrandung auf den, für den Stoffbezug gewählten Farbton abzustimmen. Im Fall von Lederbezug wird die Umrandung im selben Leder hergestellt.

**Structure :** en contreplaqué, suspension assurée par des sangles élastiques à haute teneur en caoutchouc. Préparation de la structure d'assise en polyuréthane expansé à densité différenciée et haute densité, avec logement concave pour accueillir le coussin et en améliorer le moelleux et la durée.

Accoudoirs et dossiers réalisés en métal et noyés dans de la mousse de polyuréthane ignifuge, revêtement supplémentaire en fibre thermoliée respirante, doublée de toile de coton blanc anallergique qui apporte de la souplesse.

**Coussins :** rembourrage du coussin de dossier et d'assise en plume d'oie canalisée (certifiée Assopiuma, Etiquette Or) avec insert central en polyuréthane expansé à densité différenciée haute résilience.

**Déhoussage :** coussins d'assise, coussins de dossier et structure entièrement déhoussables dans toutes les versions (tissu et cuir).

**Pieds :** en fonte d'aluminium peint brillant anti-traces couleur Étain.

Patins glisseurs en SEBS noir. Pour faciliter le déhoussage et la livraison, les accoudoirs et les dossiers peuvent être démontables de la base grâce à un mécanisme d'enclenchement et déclenchement rapide.

### AVERTISSEMENTS SUR L'EMBALLAGE DES COUSSINS DE DOSSIER

Tous les coussins de dossier sont bordés de simili cuir.

La société se réserve de choisir la couleur du cordon en éco-cuir afin de l'assortir au tissu choisi pour le revêtement de l'élément. Dans le cas d'un revêtement en cuir souple, le cordon des coussins sera réalisé dans la même couleur de cuir souple.
