

LAWRENCE / THE SEATING SYSTEM

RODOLFO DORDONI DESIGN

ESPRIT CLASSICO-MODERNO / CLASSIC-MODERN FLAIR

Un sistema di sedute caratterizzato da un esprit classico-moderno che si sviluppa attraverso l'aggregazione di volumi generosi e tuttavia rigorosi che disegnano linee marcatamente orizzontali. A questa personalità forte e decisa, Lawrence unisce una varietà di elementi che lo rendono particolarmente versatile e che consentono di realizzare delle composizioni dal carattere trasversale, che si inseriscono con misurata eleganza in ambienti di gusto diverso. Gli elementi Lawrence "Clan" disegnati da cuciture dal carattere grafico e moderno conferiscono un ritmo più dinamico alle configurazioni e consentono di realizzare soluzioni per lo spazio living di gusto più fresco e contemporaneo.

A seating system with a classic-modern spirit, built upon a clustering of generous yet sleek shapes that describe distinctly horizontal lines. Lawrence embraces its bold, self-assured personality and adds to it an array of pieces that make it extremely versatile and allow for the creation of multi-functional compositions that bring understated elegance to settings that reflect different tastes. The Lawrence "Clan" elements feature modern, graphic stitching designs that lend a more dynamic rhythm to compositions and invite the creation of living room decor with a fresher, more contemporary vibe.

Ein Sitzprogramm mit klassisch modernem Esprit, das sich über eine Folge von großzügigen, aber rigorosen Volumen entwickelt, die eine eindeutig horizontale Linienführung unterstreichen. Neben dieser ausgeprägten, starken Persönlichkeit bietet Lawrence eine Vielfalt von Elementen, mit denen das Programm besonders vielseitig verwendbar wird, so dass Kompositionen mit transversalem Charakter realisiert werden können, die sich mit schlichter Eleganz in Räume verschiedener Geschmacksrichtungen einfügen. Die Elemente Lawrence "Clan", charakterisiert durch ihre graphisch modernen Nähte, geben den Kompositionen eine dynamischere Note, so dass für den Wohnraum frische, aktuelle Lösungen realisierbar werden.

Un système de sièges à l'esprit classique et moderne qui s'articule autour d'un assemblage de volumes généreux mais rigoureux dessinant des lignes nettement horizontales. À cette personnalité forte et déterminée, Lawrence allie une variété d'éléments qui en font un canapé particulièrement polyvalent et permettent de créer des compositions au caractère transversal, s'intégrant avec une élégance mesurée dans des pièces de style différent. Les éléments Lawrence "Clan" dessinés par des coutures au caractère graphique et moderne, donnent un rythme plus dynamique aux configurations et permettent de réaliser des solutions d'un style plus frais et contemporain pour le séjour.

BRACCIOLI E CUSCINI / ARMRESTS AND CUSHIONS

Lawrence è previsto nella duplice versione con bracciolo alto e con bracciolo basso, che corrispondono a soluzioni estetiche differenti. Il bracciolo alto presenta uno spessore più contenuto, mentre il bracciolo basso, oltre a presentare uno spessore maggiore, consente di appoggiare il cuscino, per potersi sdraiare comodamente sul divano. Per assicurare un giusto supporto alla schiena e regolare la profondità del divano a seconda delle esigenze individuali, è previsto un cuscino poggiaresi, contraddistinto dalle medesime cuciture che caratterizzano gli elementi Lawrence "Clan". Il cuscino optional con bottone centrale di forma quadrata, disponibile nelle misure cm 50x50 e cm 43x43, aggiunge una nota di moderna decorazione all'insieme.

Lawrence comes in two versions, with either a high or low armrest. Each one correlates to a different design aesthetic. The high armrest is thinner than the low one which, in addition to being more substantial, is the perfect place to rest the cushion in order to lie comfortably on the sofa. A lumbar cushion is included to ensure proper support to the back and adjust the depth of the sofa to suit individual needs. It features the same stitching motif that appears on the Lawrence "Clan" elements. The optional cushions, which measure 50x50 cm and 43x43 cm and have a square center button, add an overall note of modern flair.

Lawrence ist mit hoher oder niedriger Armlehne erhältlich, zwei unterschiedliche, ästhetische Lösungen. Die hohe Armlehne ist weniger dick, während die niedrige massiver ist, damit ein Kissen aufgelegt werden kann, um sich bequem auf dem Sofa niederzulegen. Um dem Rücken die rechte Stütze zu geben und die Tiefe des Sofas auf individuelle Bedürfnisse hin zu regulieren, ist ein niedriges Rückenkissen erhältlich mit den gleichen Ziernähten, die auch die Elemente Lawrence "Clan" kennzeichnen. Diese, auf Wunsch erhältliche Kissen, in den Maßen 50x50 cm oder 43x43 cm, mit einem quadratischen Knopf in der Mitte, fügen eine Note moderner Dekoration hinzu.

Lawrence existe en deux versions, avec accoudoir haut et avec accoudoir bas, qui correspondent à des solutions esthétiques diverses. L'accoudoir haut est d'une épaisseur assez fine tandis que l'accoudoir bas est plus épais et permet de poser un coussin afin de pouvoir s'allonger confortablement sur le canapé. Un coussin cale-reins, reprenant les mêmes coutures que les éléments Lawrence "Clan", est prévu pour assurer un bon appui du dos et régler la profondeur du canapé en fonction des besoins individuels. Les coussins en option, 50x50 cm ou 43x43 cm avec bouton central carré, ajoutent une touche déco moderne à l'ensemble.

DETTAGLI CHE FANNO LA DIFFERENZA / DETAILS THAT MAKE THE DIFFERENCE

L'elegante cornice perimetrale in metallo colore Black-Nickel sottolinea il rigore estetico che caratterizza il divano Lawrence, mentre una base perimetrale arretrata realizzata in lega metallica verniciata in colore nero mantiene il divano sollevato da terra e gli conferisce un aspetto flottante. Questo dettaglio di grande ricercatezza assolve anche alla funzione di proteggere la parte inferiore del divano.

The elegant metal perimeter frame with Black-Nickel color finish emphasizes the formal aesthetic of the Lawrence sofa, while a set-back perimeter base in metal alloy with painted black finish supports the sofa and gives it the appearance of floating above the floor. This eminently sophisticated detail also performs the function of protecting the lower part of the sofa.

Die elegante black-nickelfarbige Metallumrahmung in betont die enge Ästhetik, die das Sofa Lawrence kennzeichnet, während eine etwas zurückliegende Umrandung der Bodenaufgabe aus schwarz lackierter Metalllegierung das Sofa vom Boden abhebt und ihm einen schwebenden Aspekt verleiht. Dieses besonders raffinierte Detail dient auch zum Schutz des unteren Sofateils.

L'élégant cadre périmétrique en métal couleur Black-Nickel souligne la rigueur esthétique qui caractérise le canapé Lawrence, tandis qu'un piètement en retrait réalisé en alliage métallique peint en noir, maintient le canapé soulevé du sol et lui donne un aspect flottant. Ce détail particulièrement sophistiqué remplit également la fonction de protéger la partie inférieure du canapé.

Al fine di mantenere una corretta posizione del cuscino e la sua perfetta stabilità nel tempo, la struttura del sedile è dotata di sedi concave appositamente progettate per accogliere i cuscini di seduta.

Cuscini sedile completamente reversibili, con imbottitura in piuma d'oca canalizzata e inserto centrale in poliuretano espanso a quote differenziate ad alta resilienza rivestito da un ulteriore strato di Memory Foam.

In an effort to maintain the proper position of the cushion and its stability over time, the seat structure is equipped with concave areas designed specifically to accommodate the seat cushions.

The seat cushions are completely reversible, with channeled goose down padding and core insert made of high resilience, variable-density polyurethane foam wrapped in an added layer of Memory Foam.

Um das Kissen in der richtigen Position zu halten und seine Stabilität über die Zeit hin zu garantieren, ist die Sitzstruktur mit muldenartigen, konkaven Vertiefungen versehen, die die Kissen aufnehmen sollen.

Die vollkommen reversiblen Sitzkissen sind gefüllt mit kanalisierten Daunen und einer zentralen Einlage aus verschieden hoch geschäumtem, hochdichtem Polyurethanschaum, umgeben von einer weiteren Schicht von Memory Foam.

La structure de l'assise comprend des parties concaves spécialement conçues pour accueillir les coussins d'assise, de façon à ce qu'ils restent bien en place et parfaitement stables au fil du temps.

Coussins d'assise entièrement réversibles, avec rembourrage en plume d'oie canalisée et insert central en polyuréthane expansé à densité différenciée, haute résilience, recouvert d'une couche supplémentaire de mousse à mémoire de forme.
