### Abbinamenti delle finiture struttura/ ante-cassetti:

- con struttura laccata a poro aperto color Moka o tinta a poro aperto color Tabacco, le ante e i cassetti possono essere laccati lucidi nei colori Sand, Celadon, Fango, Granito o Moka oppure rivestiti in pelle Glove colore 04 Testa di Moro o in pelle Nappa colore 781 Mastice;  
- con struttura laccata satinato color Fango, le ante e i cassetti sono sempre in rovere tinto a poro aperto color Tabacco. La finitura interna della struttura, delle ante e dei cassetti segue la finitura esterna dell'elemento. Il bordo delle ante e dei cassetti segue la finitura della struttura ad eccezione dell'anta in rovere tinta Tabacco che avrà il suo bordo sempre in finitura Tabacco.

I mobili orizzontali a giorno con vano passante hanno la spalla fianco-vano in tinta con la finitura dell'anta.

### Attrezzatura interna:

- ripiani in vetro Grigio Fumè, spessore 10 mm.

Gli elementi orizzontali a giorno con vano passante sono dotati di un contenitore strutturale in vetro Grigio Fumè.

**Structure:** 20 mm wood, top assembled at 45° to the sides panel. Doors and drawers in 30 mm wood. Metal handle, glossy Pewter finish. Drawers with Blum Motion guides.

**Floor base:** 12 cm high wood floor base, Pewter color glossy lacquered finish.

**Floating base:** 30x40 mm rectangular section metal frame with a matt Pewter lacquered finish and Ø 25 mm conical-section feet, 12 cm or 25 cm high, glossy Pewter finish.

### Structure finishes:
