

Dear Local Schools, Groups & Organizations:

Mark your calendars! The 2019 Kids Outdoor Adventure Expo will be held on Friday, July 12 from 9:30 a.m. – 3 p.m. at Winton Woods!

This event is the largest FREE outdoor water safety and environmental education event for children in the Midwest. Bring your group and spend the day at Winton Woods Harbor discovering the outdoors with more than 60 exhibitors and interactive activities. Listed below is just a sampling of some of the activities available at four themed activity stations:

Let's Move

Get up and get your body moving! Many activity areas will teach kids about exercise, nutrition and health. Take a turn on Great Parks' climbing wall and inflatables.

Let's Explore

Get outside and discover! Get up close and personal with nature and wildlife. Take a journey and discover what you can find in your backyard and on a farm.

Let's Splash

Fish, paddle and make waves on Winton Woods Lake! Ride in a raft or on the Winton Queen and try your luck at hooking a fish. Be prepared to possibly get wet!

Let's Be Green

Get dirty and see how you can make a difference. Discover how you can become a better steward for the environment and learn life skills that emphasize the three "Rs": Reduce, Reuse and Recycle.

Attached is the group registration form to help prepare for your group's participation. A limited number of buses are available to help transport groups that are facing financial hardship and would otherwise be unable to attend Kids Outdoor Adventure Expo. Please complete and return the Group Registration Form by May 24, 2019. If you are applying for bussing assistance, complete and return the Transportation Application along with your Group Registration Form by April 26, 2019.

To learn more, watch for the Kids Outdoor Adventure Expo website at greatparks.org/kids-expo. Or if you have any questions, please don't hesitate to reach out to me.

Hope to see you in July!

Sincerely,
Robert L. Frey
