

## VOLUNTEER MEETING

Volunteer meetings are a great way to meet new people, hear about upcoming volunteer opportunities and learn something interesting from an exciting lineup of guest speakers. Meetings take place at 7 p.m. in the Winton Centre Auditorium, unless otherwise noted. Coffee and tea are provided. Bring in your favorite baked goods to share. No need to RSVP, just come and enjoy!

**May 21** – Melinda Hartong from Hartong Digital Media will be on hand to show us how to compose photos and get the perfect shot using our cell phone cameras. She'll be sharing some quick and easy tips and, if the weather cooperates, we may head outside for some hands-on learning.

**Jul 16** – Stay tuned!

**Sep 17** – Stay tuned!

When recording your hours in VIC for volunteer meetings, log them under [Volunteer Meeting \[Training\]](#) [Volunteer Services](#). Training hours may be doubled. Drive time to and from the training may be included but not doubled.

# Farewell Jack

## Jack's Farewell

On January 3, 1989, a young landscape architect sent a letter and resume to express his interests in working for the Hamilton County Park District. Now, 30 years later, we are celebrating his career and sending him off on a new adventure. Active staff and volunteers are invited to help us honor Jack Sutton on Wednesday, May 15 from 3–6 p.m. at the Mill Race Banquet Center. Small bites, soft drinks and a cash bar will be available. No RSVP needed. Let's send Jack off with a fond farewell!

## Volunteer Spotlight

### Ann Griessmann

**What is your favorite volunteer activity?** Adopt-A-Trail. I love to do trail maintenance on heavy rain days. It's a way to quickly see the results of your work.

**When you're not at Great Parks, where can we find you?** When I'm not volunteering at Great Parks, I'm playing at Great Parks. I love trail running with my dog. You'll mainly see me on the Badlands Trail. Otherwise, I'm orienteering (running through the woods again) with Orienteering Cincinnati.

**What is something that might surprise us about you?** I'm a Bridge Inspection Engineer. I spend my career climbing bridges and inspecting them for a living.

**What is your favorite Great Park and why?** Miami Whitewater Forest because I am absolutely in love with the topography that exists in the woods. There are so many beautiful features that I think many people don't stop and notice while on the trails.

**What is your life motto?** Enjoy life, nature and your family. Pay no attention to what others think. Enjoy what you enjoy.

## Try Something New!

## Sticker Mania!

Kimberly Whitton, Public Engagement Coordinator

Wow...nearly 9,000 Event Guides were labeled in just four hours by 20 incredible volunteers! Everyone arrived at the Winton Woods warehouse as the sun started to shine. With a little sugar rush from donuts, caffeine kick from coffee and laughter from Dale's jokes, the whole operation ran like a well-oiled machine. A big thanks goes to the volunteers who spent their Tuesday morning peeling, sticking and boxing up the guides!

## A BIG Golf Ball Party Thanks!

Mike Uffman, General Manager MWF Golf Course & Matt Starr, PGA Head Golf Professional ML&GA

On March 19 at Miami Whitewater Forest, volunteers gathered approximately 8,000 balls and popped an additional 3,000 out of the soft turf. There were so many balls recovered, we didn't have room to store them all! On March 26 at Meadow Links & Golf Academy, volunteers collected an estimated 17,000 range balls. That's a savings of approximately \$5,550 in park assets. Thank you to everyone who participated in this very important inventory recovery effort.
