The background of the entire page is a close-up, high-angle photograph of several white ceramic plates stacked on top of each other. The plates are slightly offset, creating a series of concentric white rings that spiral towards the center. The lighting is soft and even, highlighting the smooth texture of the ceramic and the clean lines of the plate rims.

DINING ROOM

The dining room is one of our favorite spaces. It is a place where family and friends gather. A place where memories are made.

Each Piet Boon dining collection piece conveys our love for rich and natural materials, generous proportions, typical shape and eye for extraordinary detail.

The entire line is designed to enrich and complement your dining space by adding a strong sense of elegance and sophistication to any luxury interior; creating memories for years to come.
