a journey through Italy

arflex programma un percorso che attraversa l'Italia per riscoprire, riassaporare la storia della cultura artigianale del saper fare.

Si relaziona attraverso architetture storiche e moderne, dove incontra persone diverse, che custodiscono esperienze di respiro internazionale.

arflex porta in questo viaggio la sua capacità di sintesi tra design, qualità, uso e cuore, creando luoghi di conversazione, di confronto, di divertimento e tutto diventa subito una grande famiglia.

Arflex plans a journey through Italy to rediscover and savor the history of the know-how artisan culture .

It relates through historical and modern architectures, where it meets different people, who guard experiences of international scope.

arflex brings to this journey its ability to synthesize design, quality, use and heart.

Everything immediately becomes a big family, by creating places of conversation, confrontation and fun.
