The client is responsible for paying for the total cost of the original confirmed guest count. If attendance is greater than the confirmed guest count, the client will be responsible for the additional charges. Please note that any excess food resulting from a family-style or a buffet catered event is not allowed to be packaged for take-home. Due to liability concerns, all food must be disposed of by Pappas Restaurant to prevent any instance of foodborne illness.

A \$100.00 deposit is required on all private booked reservations and will be deducted from the total of your event's final bill. Each banquet reservation is allowed four hours for their event. All parties exceeding the four-hour reservation time limit will be charged \$50.00 per hour or pro-rated accordingly. Please note that certain peak hours during the week and holidays may require a food and beverage minimum. Please ask your banquet coordinator for details.
