

Revolver Chardonnay 2016

This 100% Chardonnay is from a high elevation vineyard in the Gualtallary region of the Uco valley. The nose shows white flowers, pear, apricot with lifted notes of nutmeg, mace, and a flinty mineral quality. The restrained palate shows honey suckle, pear, toasted almon paste, with light hints of whipped honey butter. Bright acid and with a hint of creamy oak shine through on this tiny production Chardonnay.
