

Rogue Vine Jamon Jamon 2016

This 100% skin fermented Moscatel is from Guarilhue region of Itata. The nose shows orange peel, white flowers, peach, and orange blossom with savory undertones of sage and toasted almonds. The palate shows notes of quince and marzipan with honeysuckle and a hint of black pepper spice. The finish is held long by the bright acid of the wine.

ROGUE VINE

Leo Erazo and Justin Decker started Rogue Vine in 2011 in Concepcion, Chile. Leo is also the winemaker for Altos Las Hormigas in Mendoza, Argentina and Justin is an expat from Indiana who got bit by the wine bug and started a family in Chile. At Rogue Vine, they make wines from the Nipas and Guarilhue subregions of the Itata Valley. All the vineyards are composed of hillside, dry-farmed bush-vines that are a minimum of 60 years old, with some older than 300. The soils are primarily composed of granite with a mix of clay and quartz. The winemaking is simple and employs native yeast, old barrels, no corrections, with minimal or no sulfur prior to bottling. Itata Valley's viticulture is primarily practiced through horse plowing and hand farming. Part of Rogue Vine's focus is to promote the rich culture and history of this long neglected and rural farming community.
