

Vaglio Chango 2016

This is a blend of 65% Malbec, 20% Tannat, 15% Cabernet Sauvignon. The Malbec and Cabernet Sauvignon are from Altamira and the Tannat is from Cafayate. The nose is layered with aromas of bright bruised red fruit, orange peel or grapefruit peel, sandalwood, dill, and sage. The palate is soft and smooth with notes of chocolate covered cranberries and bing cherries and a brine quality that leads into a earth driven, mocha finish.

VAGLIO

Vaglio is owned and operated by José Lovaglio Balbo. In 2013 he started to rent an old, small gravity fed concrete winery in Tupungato and refurbished it to meet his needs. He produces single vineyard wines, from different sub regions and soil types, that are all vinified in the same way with minimal intervention and oak contact. Jose aims to showcase the different microclimates of Northern Mendoza through terroir driven wines. José is also one of the head winemakers at Dominio del Plata and the son of Susanna Balbo. Each of Jose's wines represent different stages of his life. We believe that Jose has a bright future with his burning desire to dig deeper and push limits compounded with his access to the logistics and infrastructure of his family's winery.
