

RED SWEATER PROJECT

TRANSFORMING COMMUNITIES BY EMPOWERING YOUTH

RED RHINO TOURS SERVICE SAFARI ITINERARY

SCHOOL VISIT, VIL LAGE TOUR & SAFARI
2018 | 15 DAYS / 14 NIGHTS

ITINERARY

- DAYS 1-2** : Arrival and transport to Mungere village
- DAYS 3-10** : Mungere School, Service project and cultural exploration
- DAYS 11-15** : Safari of Lake Manyara National Park, Serengeti National Park & Ngorongoro Crater Conservation Area

ARRIVAL, TRANSPORT & THE MUNGERE SCHOOL

DAY 1 : Kilimanjaro Airport – Arusha

Your private guide will greet you at Kilimanjaro International Airport (JRO) and transport you to your accommodation in Arusha for a good night's rest following travel. **Overnight: Arumeru River Lodge or similar (bed & breakfast)**

DAY 2 : Arusha – Mto wa Mbu

After breakfast, head west from Arusha and arrive at lodge accommodation in Mto wa Mbu town in the afternoon, viewing local attractions along the way, including an animal sanctuary and Maasai cultural museum. Receive cultural orientation from local Red Sweater Project staff members. **Overnight: Wildlife Manyara Luxury Lodge or similar (full board)**

DAYS 3-10 : Mto wa Mbu Town & The Mungere School

Enjoy an authentic East African experience in Mungere Village, spending eight days interacting with students, staff and community members at the Mungere School, a successful development education project. Engage your volunteer group on an important service project, which could include classroom construction, garden development or other enhancement to the rural campus. Join a student football (soccer), volleyball, or basketball game, hike to nearby waterfalls on the Great Rift Valley escarpment, and visit our neighbors by taking a village home tour lead by Mungere's tri-lingual students. Be sure to take time to enjoy the local life around you, taking in the sights, sounds and smells of African village life. **Overnights: Wildlife Manyara Luxury Lodge or similar (full board)**

SAFARI : LAKE MANYARA NATIONAL PARK, SERENGETI NATIONAL PARK & NGORONGORO CRATER CONSERVATION AREA (5 DAYS | 4 NIGHTS)

DAY 11 : Mto wa Mbu – Lake Manyara National Park

Embark on your African safari adventure after breakfast by heading into Lake Manyara National Park. At the base of the Great Rift Valley escarpment, the scenery is as stunning as the exotic wildlife, including the park’s famous tree-climb-ing lions. Plentiful herds of elephants, water buffalo, giraffe, zebra, and the mysterious leopard are found around this lake, covering 89 square miles. With over 10,000 in number, Tanzania boasts more bird species than any other country in Africa, including flamingos, pelicans, vultures, and various cranes. **Overnight: Wildlife Manyara Luxury Lodge or similar (full board)**

DAY 12 : Mto wa Mbu – Serengeti National Park

Pick up from the lodge after breakfast and drive through Ngorongoro Crater Conservation Area to Olduvai Gorge to see the famous work of paleoanthropologists Louis and Mary Leakey and their many discoveries in the region, including the remains of *homo habilis*, the first known ancestors of modern humankind at over 2.3 million years old. Continue game driving to the heart of Tanzania’s outback by heading west, toward the Serengeti Plains. **Overnight: Wildlife Seronera Luxury Lodge or similar (full board)**

DAYS 13-14 : Serengeti National Park – Central Serengeti (Seronera)

Spend the next two days in the center of Serengeti, home to millions of ungulates. This pristine and unique sanctuary will give you a glimpse into “the world as it was in the beginning.” Relish the vastness of the *serengeti*, “the land that flows on forever,” coupled with some of the best game-viewing all of Africa has to offer. After game driving for the day, head back to your lodge for a nice sundowner and a swim before dinner and some relaxing local entertainment. Optional air balloon safari each morning. **Overnights: Wildlife Seronera Luxury Lodge or similar (full board)**

DAY 15 : Serengeti – Ngorongoro Crater CA – Crater Floor Service

After an early breakfast, enjoy your final day of wildlife game drive viewing by entering the Ngorongoro Crater, a geological marvel boasting several vegetation zones from lakes to forest to savannah. The Crater is home to about 30,000 animals, despite its tiny size of only 10 miles in diameter. **Transport back to Kilimanjaro Airport for departure.**

Package includes:

- All transportation
- All accommodation inside and outside the National Parks
