**Compatibility and functions may vary due to the model year of mobile device and the version of software installed

Depending on the OTA updates on your vehicle, your vehicle may not be equipped with all features or may not operate exactly as described.

All technical data and technical specification are expected targets, pending further development and homologation. All figures are subject to change. All figures are subject to change to change.

Note 1: Preliminary data shown may be subject to change.

For new vehicles sold from May 2021, Kia offers, per vehicle, two free-of-charge updates of the maps in the vehicle's navigation system and of the Head Unit software using the so-called "over-the-air" method ("OTA Updates"). Once the two free-of-charge OTA Updates have been consumed, you will be able to get updates of the maps in the vehicle's navigation system and of the Head Unit software only (i) by accessing the following web page update.kia.com/EU/E1/Main or (ii) at a dealership.

*The range was determined according to the standardised EU measurement procedure (WLTP). The individual driving style and other factors, such as speed, outside temperature, topography and the use of electricity-consuming devices/units, have an influence on the real-life range and can possibly reduce it.

*In order to achieve the maximum charging speed, EV3 must be charged at an 400-volt electric vehicle charger that delivers at least 150kW of electricity. EV3 must use an 400 volt electric vehicle charger that delivers at least 150kW of electricity.

Kia Warranty

Over the years, Kia has become one of the most successful car manufacturers in Europe. The key to our success? We give our customers that little bit extra: better service by qualified technicians, regular product innovation and superior warranty coverage.

7 Year vehicle warranty

Our high quality standards are what make superior warranty coverage possible: 3 years / unlimited mileage and 4-7 years / 100,000 mile manufacturer's warranty. For full warranty coverage including terms and exclusions please refer to your Kia dealer.

12 Year anti-perforation warranty

Your EV3 comes with a 12 year/ unlimited mileage anti-perforation warranty. A body work inspection is required every two years, for which a charge may apply.

Preliminary data shown may be subject to change.
