[View Offers](#)

For new vehicles sold from May 2021, Kia offers, per vehicle, two free-of-charge updates of the maps in the vehicle's navigation system and of the Head Unit software using the so-called "over-the-air" method ("OTA Updates"). Once the two free-of-charge OTA Updates have been consumed, you will be able to get updates of the maps in the vehicle's navigation system and of the Head Unit software only (i) by accessing the following web page [update.kia.com/EU/E1/Main](http://update.kia.com/EU/E1/Main) or (ii) at a dealership.

[Build your XCeed](#)

Range figures are determined according to the standardized EU measurement procedure (WLTP). Individual driving style and other factors, such as speed, outside temperature, topography and the use of electricity-consuming devices/units, have an influence on the real life range and can possibly reduce it.

# Discover EV with Kia

## Questions about switching to electric?

If you're thinking of switching to an electric car, but want to know more, then it's time to Discover EV with Kia. You can get expert advice about living with an electric car at your local dealership.

Living with an EV

Charging & Range

Technology

You'll also be able to explore our award-winning electric range, including the Kia EV6, the Kia Niro EV, and UK Car of the Year - the Kia EV9.
