

The new Transporter

Panel van and Kombi brochure

Commercial
Vehicles

The icon, evolved

The new Transporter improves on its award-winning predecessors in every way that matters.

It delivers a larger load compartment and heavier payload – making light work of substantial loads without compromising on manoeuvrability.

A larger cabin and new digital cockpit make for a more comfortable driving experience. But its headline features are a new range of powertrains featuring plug-in hybrid (eHybrid) and all-electric (e-Transporter) options.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

Bigger loads, better performance

A more spacious load compartment, higher maximum payload and increased towing capacity mean the new Transporter is ready to do some serious work. The increased length makes it easy to stow Euro Pallets.

Increased load compartment of **5.8 m³** (6.8 m³ on longer wheelbase model)

Up to **1.28 tonnes** maximum payload (for TDI models and up to 1 tonne for BEV models)*

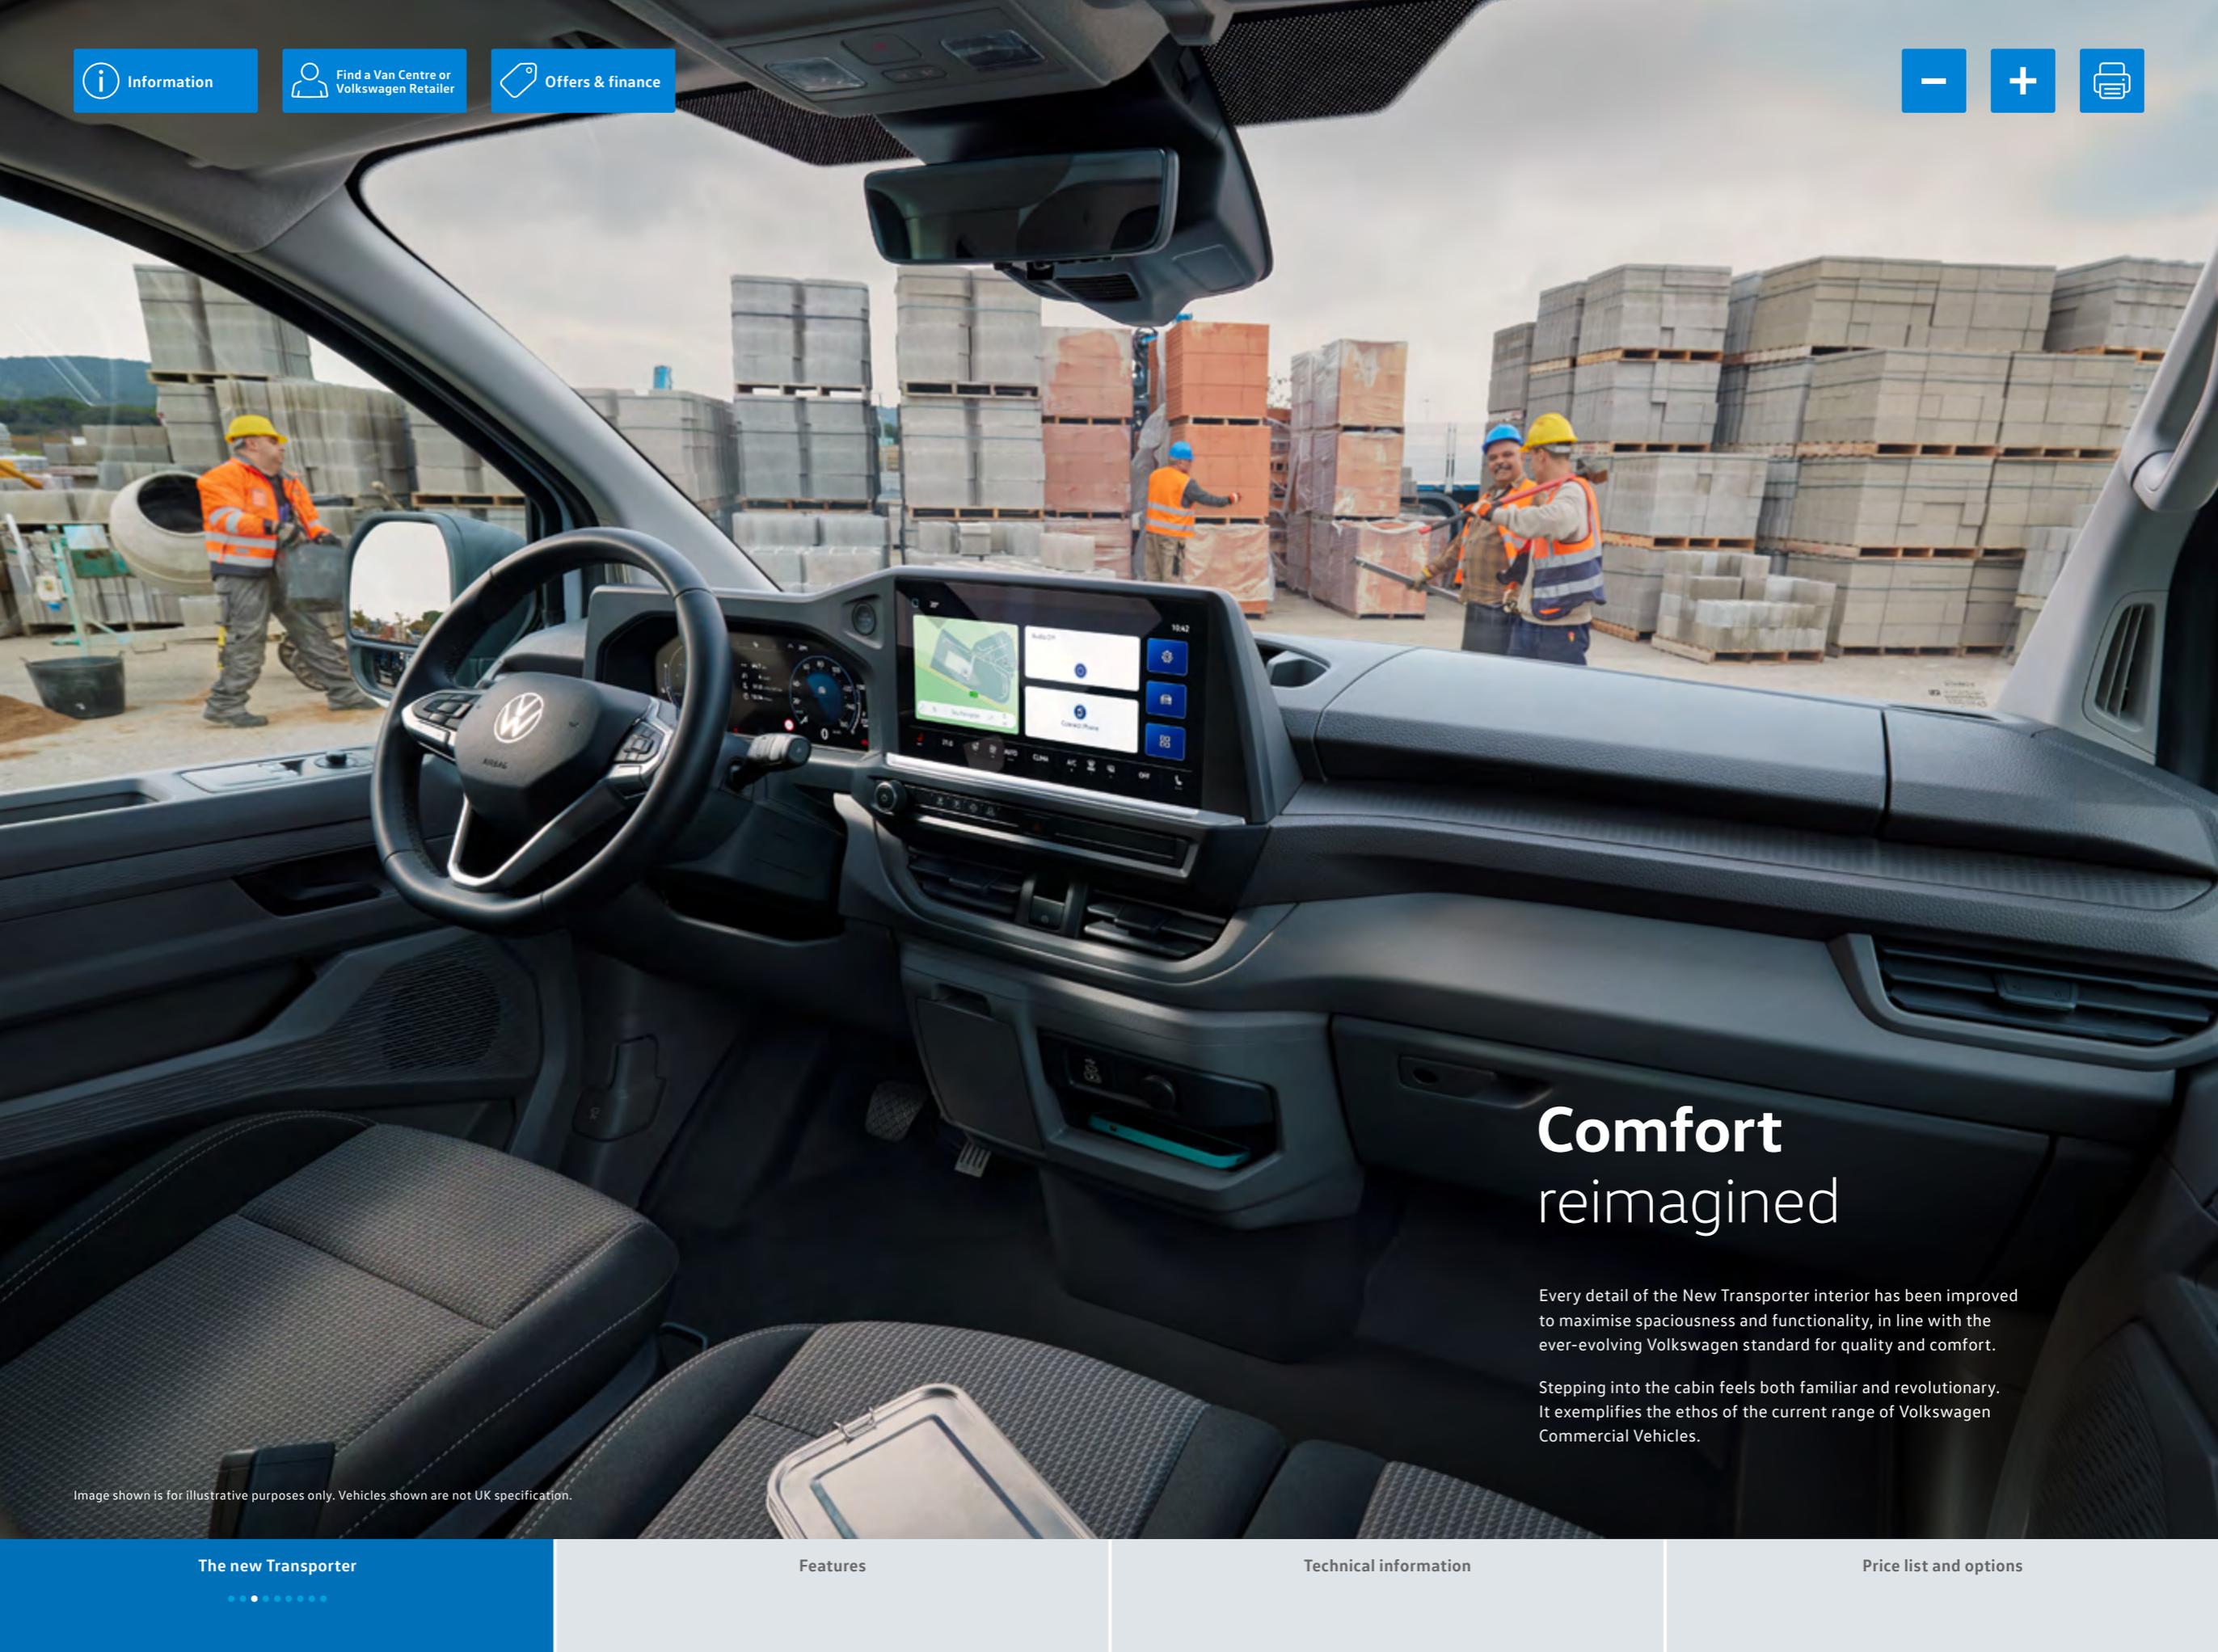

Towing capacity of up to **2.8 tonnes** (up to 2.3 tonnes for BEV)

60mm longer load compartment (SWB models) and 128mm wider than the Transporter 6.1

Interior can be customised with partition walls to your needs

Choose between a tailgate or wide-opening wing doors

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

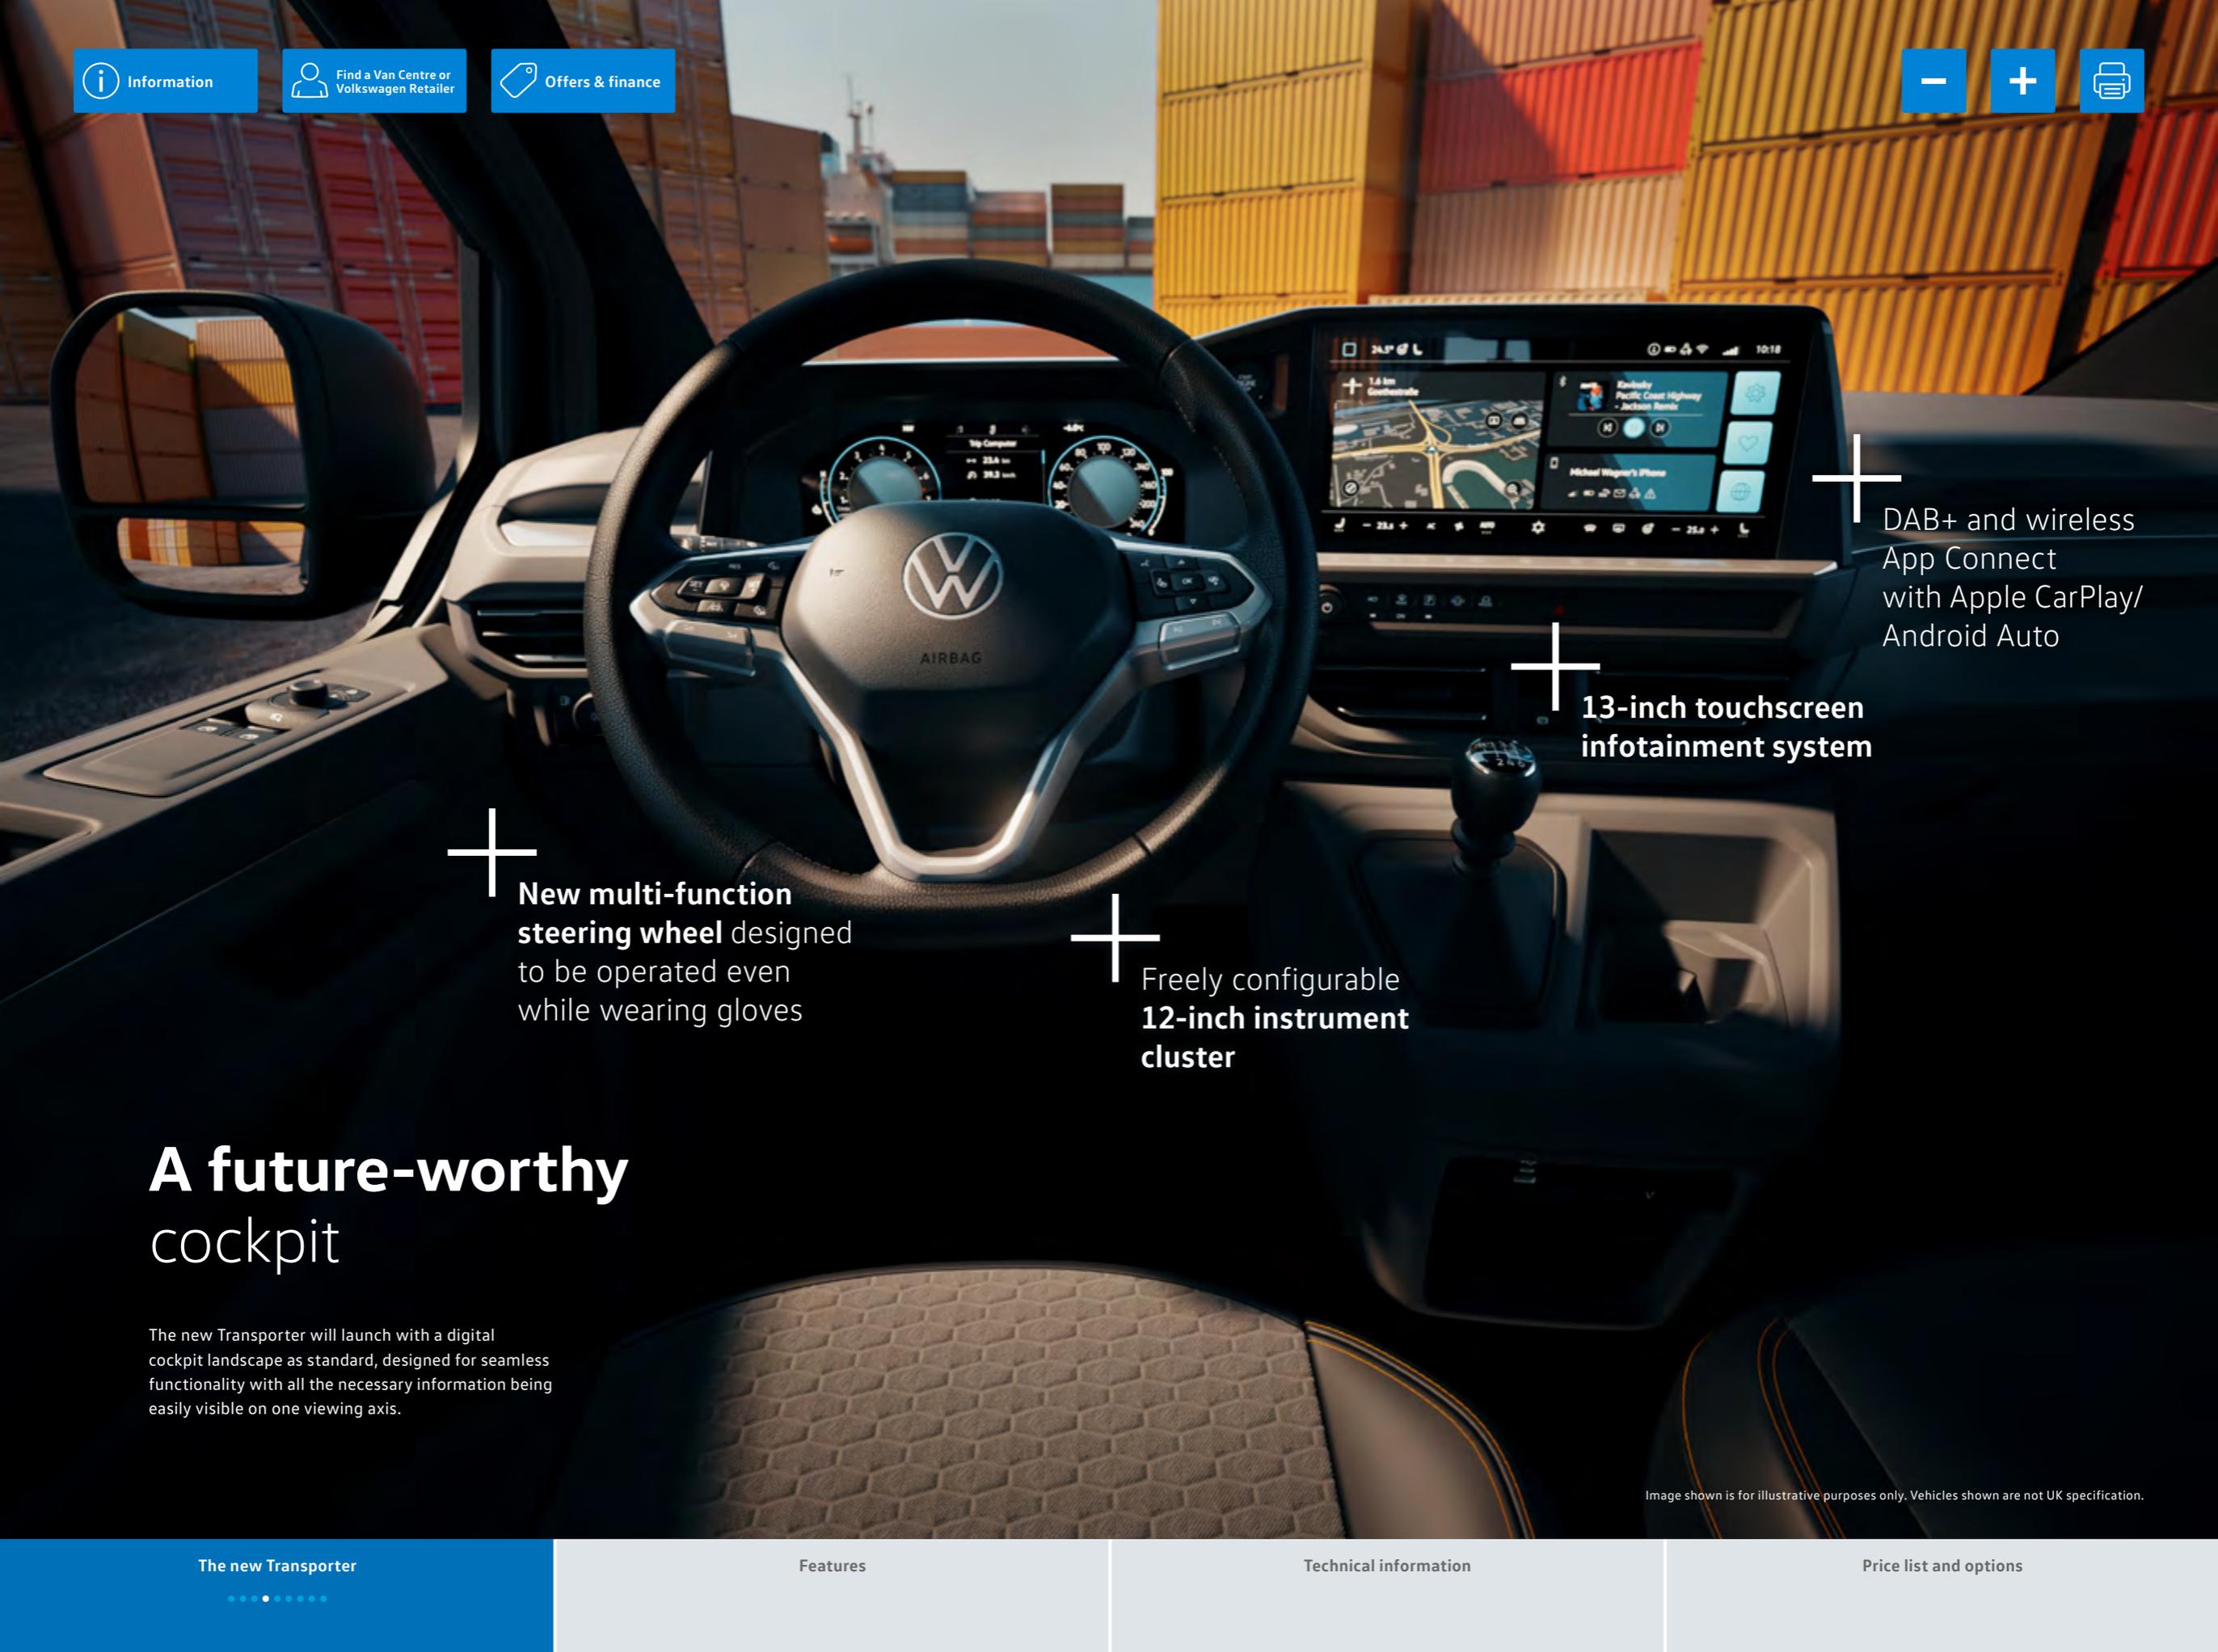

Comfort reimagined

Every detail of the New Transporter interior has been improved to maximise spaciousness and functionality, in line with the ever-evolving Volkswagen standard for quality and comfort.

Stepping into the cabin feels both familiar and revolutionary. It exemplifies the ethos of the current range of Volkswagen Commercial Vehicles.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

+ **New multi-function steering wheel** designed to be operated even while wearing gloves

+ **Freely configurable 12-inch instrument cluster**

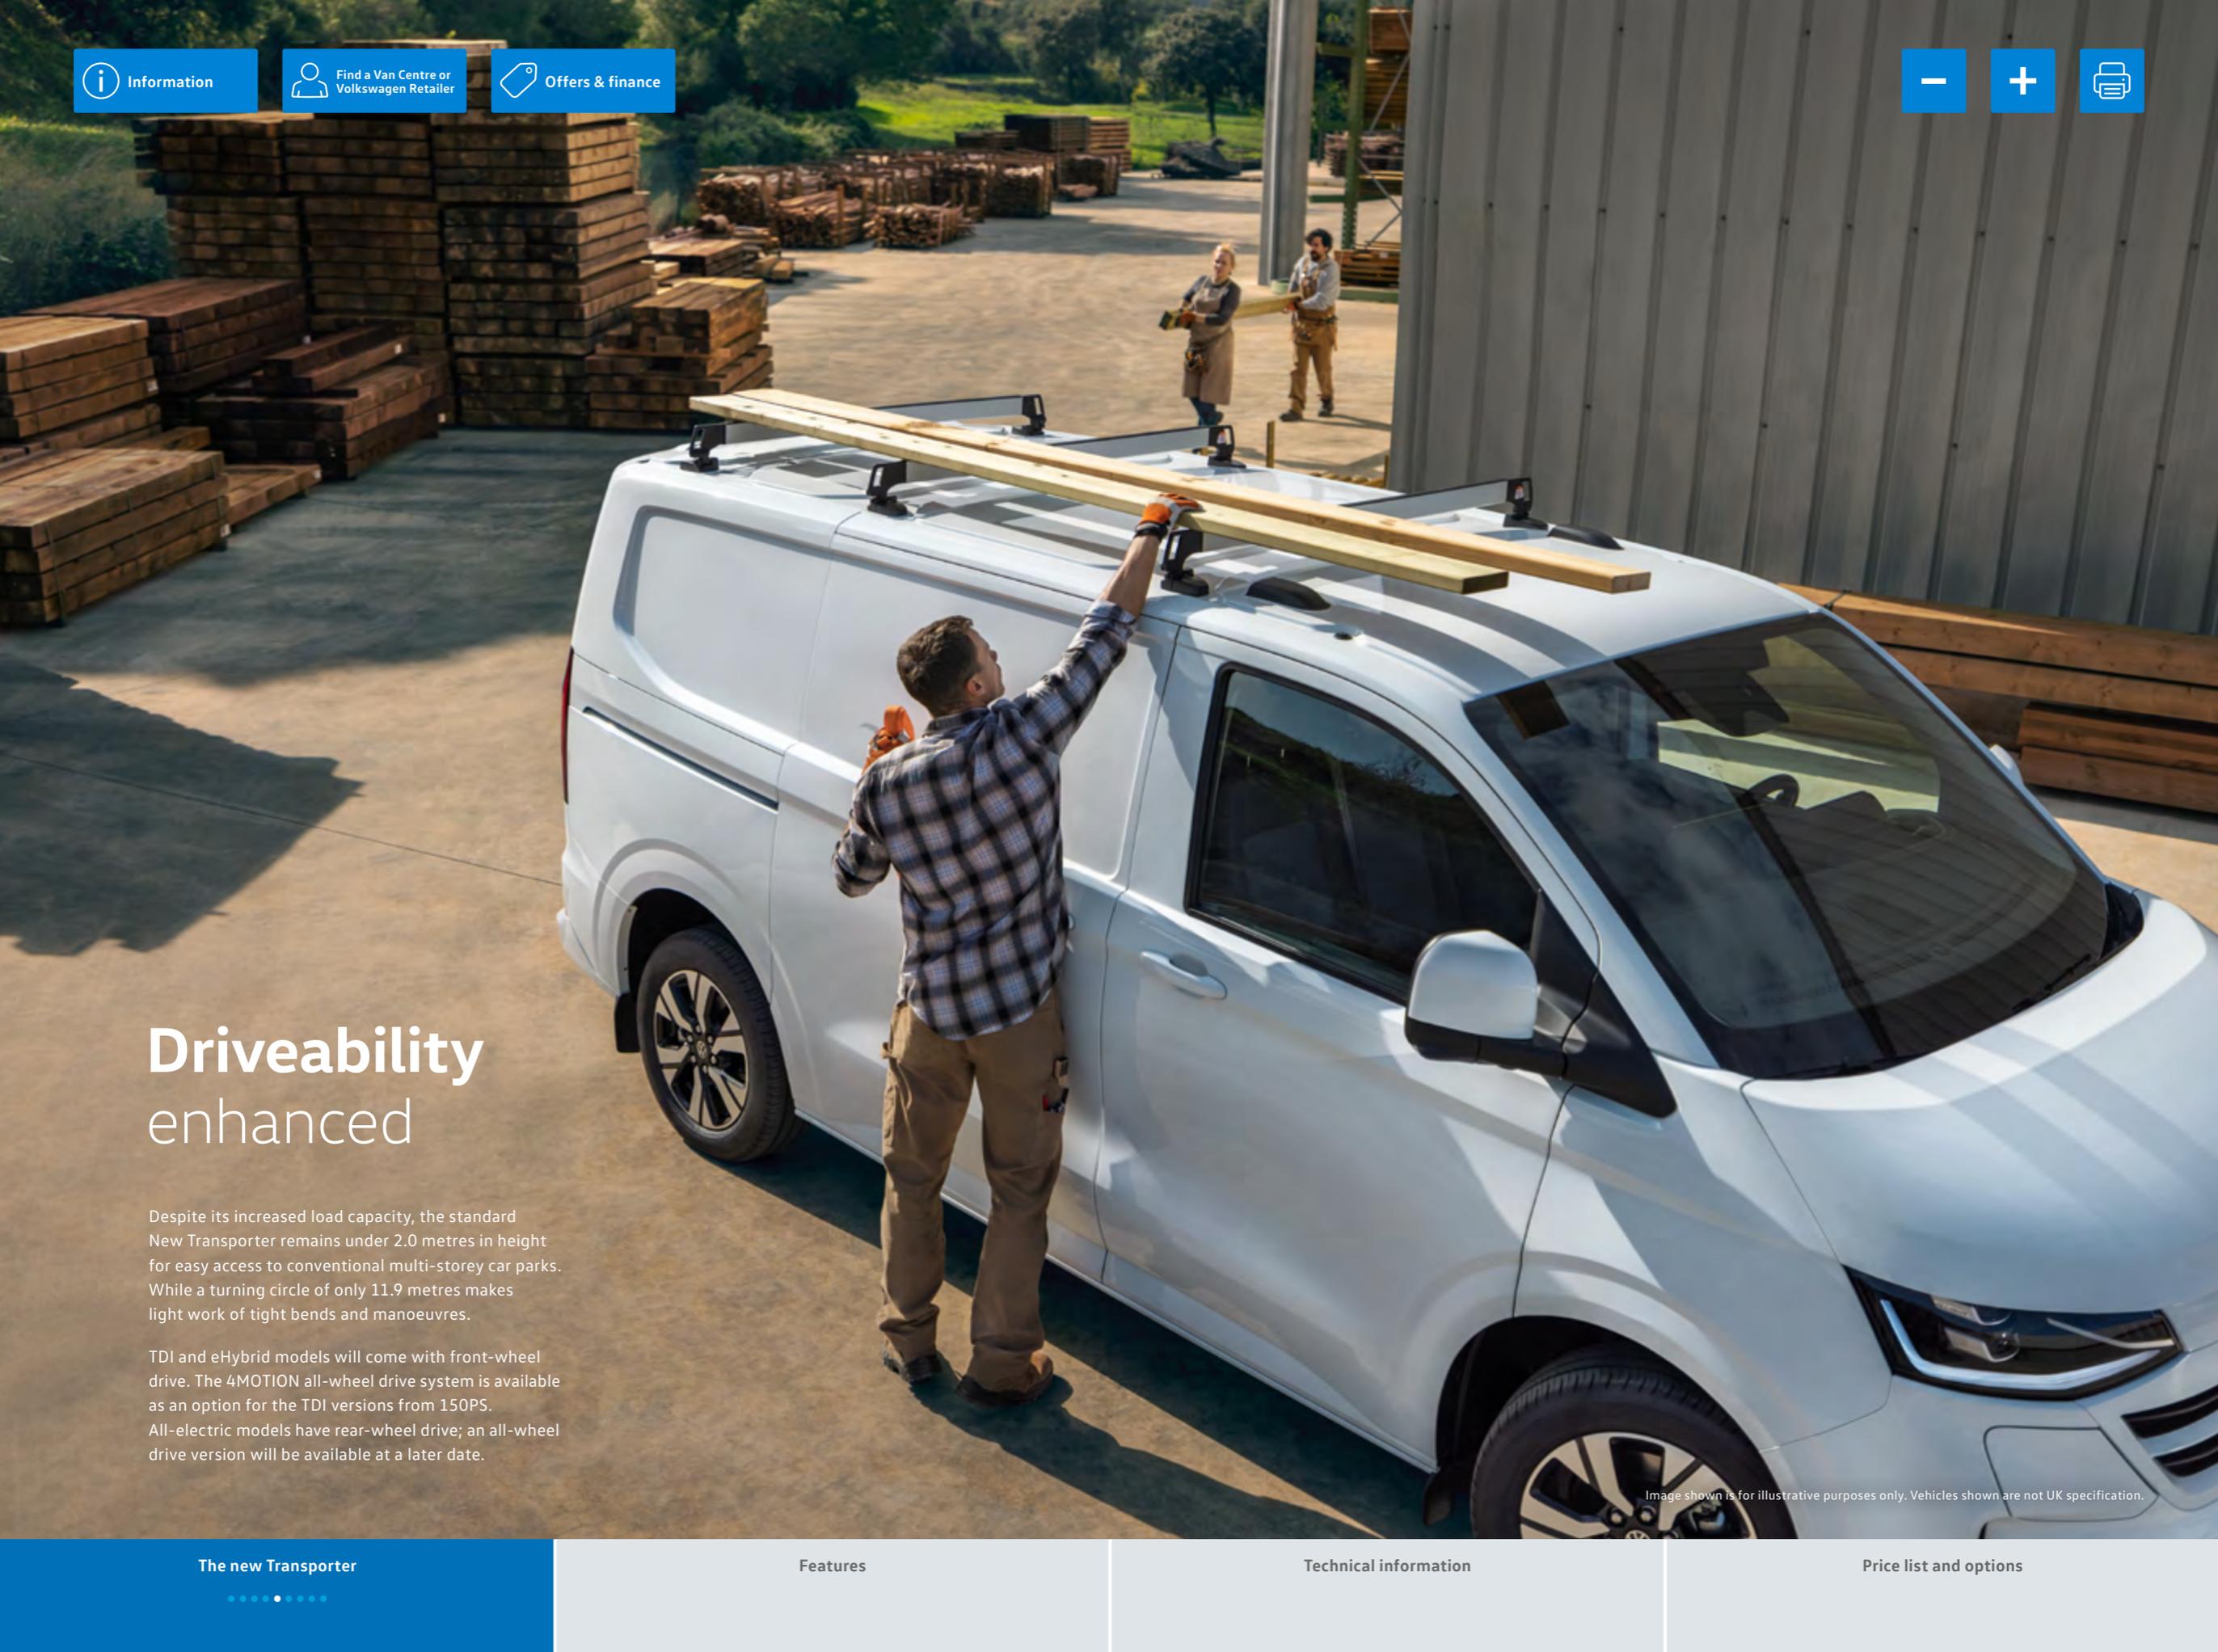

+ **13-inch touchscreen infotainment system**

+ **DAB+ and wireless App Connect with Apple CarPlay/Android Auto**

A future-worthy cockpit

The new Transporter will launch with a digital cockpit landscape as standard, designed for seamless functionality with all the necessary information being easily visible on one viewing axis.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

Driveability enhanced

Despite its increased load capacity, the standard New Transporter remains under 2.0 metres in height for easy access to conventional multi-storey car parks. While a turning circle of only 11.9 metres makes light work of tight bends and manoeuvres.

TDI and eHybrid models will come with front-wheel drive. The 4MOTION all-wheel drive system is available as an option for the TDI versions from 150PS. All-electric models have rear-wheel drive; an all-wheel drive version will be available at a later date.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

An innovative powertrain range

This generation of Transporters will be available in the widest range of drivetrain options than ever before. For the first time, the Transporter will be available with your choice of plug-in hybrid (eHybrid), all-electric (e-Transporter), or turbodiesel (TDI) engine.

TDI output variants: 81 kW (110 PS), 110 kW (150 PS) and 125 kW (170 PS)

Plug-in hybrid: 171 kW (232 PS) (coming later in 2025)

All-electric drive variants: 100 kW (136 PS), 160 kW (218 PS), 210 kW (286 PS)

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

Charging forwards

Power your tools on the go with the option of a 230 V power hub (400 W), including a converter to power large electrical devices of all kinds. An inverter with an output of 2.3 kW will be available for the eHybrid and e-Transporter variants.

And keep your smartphone powered up too, with inductive charging via a stowage tray in the centre console. Further devices can be charged using up to seven USB-C, USB-A and 12-volt outlets.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

New Transporter Kombi crew van

Ready for every job. And every team. The **New Transporter Kombi** is designed to meet the demands of modern working life—whether you're moving people, equipment, or both. With two individual front seats and three individual rear seats that fold, tumble forward or can be removed completely, it quickly adapts between crew transport and cargo space. Available in **Commerce Plus** and **Commerce Pro** trims, and offered with both **diesel** and **all-electric powertrains**, the Kombi blends the practicality of a panel van with the comfort of a crew vehicle—delivering versatility without compromise.

Highlights of the new Transporter Kombi crew van

- Five or six seats
- LED lights in the passenger compartment
- Dual sliding doors with vent windows
- Three-seater bench seat in second row
- Up to 2,032mm^{1,2} load compartment length
- Space for up to two Euro pallets behind bench¹
- Registered as a commercial vehicle

1 On long wheelbase models. 2 Measured at the floor height of the vehicle floor. Please note that these are approximate values and the dimensions may differ due to manufacturing tolerances.

All in one.

5 Services + 3 MOTs
5 Years' Warranty
5 Years' Roadside Assistance

The new Transporter

Now with the 5+ Promise included

The new Transporter comes with Volkswagen 5+ Promise as standard. Featuring 5 services + 3 MOTs, 5 years' Warranty and 5 years' Roadside Assistance for added peace of mind.

T&Cs: For diesel and eHybrid models, covers first 5 consecutive services, limited to 5 x Oil & Inspection Service, 5 x Pollen filters, 3 x MOTs. For electric models, covers first 3 consecutive services, 3 x Pollen filters, 3 x MOTs. Additional work, including wear and tear, is excluded. Warranty: earlier of 5 years or 124,000 miles. Servicing must be carried out in line with the requirements of the service schedule and all servicing and warranty work must be carried out at a Volkswagen Commercial Vehicle Authorised Repairer. Warranty exclusions apply (including shorter warranty period for components subject to wear and tear, mechanical adjustments (6 months/6,500 miles) and windscreen (1 month/600 miles). Roadside assistance: excludes costs of parts, garage, labour or other costs in excess of specified limits. Other limitations & exclusions apply. See Roadside Assistance Handbook for full details https://www.volkswagen-vans.co.uk/idhub/content/dam/onehub_nfz/importers/gb/downloads/roadside_assistance_handbook.pdf. Servicing & MOTs administered by Volkswagen Commercial Vehicle Financial Services. Warranty administered by Volkswagen Commercial Vehicles UK. Roadside assistance administered by AA. Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

New Transporter panel van Commerce TDI

Exterior features

- 16" steel wheels 6.5J
- Goodyear summer tyres
- Tyre Mobility Set (12-V compressor and tire sealant)
- Mud flaps in front
- LED headlights with separate LED daytime running lights
- High-beam control
- LED rear combination lamps
- Black grained add-on parts and body-colored radiator grille
- Black grained bumpers in front and rear
- High-gloss black exterior mirror housings and door handles
- Power-adjustable and separately heated exterior mirrors
- Heat-reflecting side window glass
- Laminated windshield made of heat-reflecting glass
- Rear wing doors
- Vehicle opening configuration 1 1x = 1st row of seats / 2x all doors
- Sliding door on front passenger side
- Transporter nameplate on the rear, black grained decorative trim

Cab area

- 2-seater bench and single drivers seat in cab
- 2-seater bench with load-through system (with partition in panel van) and folding table (pulls out from middle seat)
- 4-way head restraints, adjustable in height and tilt
- Seat trim covers in striped fabric
- Two armrests for right seat in cab
- 6-way adjustable driver seat
- Manually adjustable 2-way lumbar support for drivers seat
- Roof grab handles on driver side and front passenger side
- Black plastic scuff plate in front, not illuminated
- Multi-function steering wheel
- Gear lever in plastic (for manual engines)
- Single-zone air conditioning system with manual control in cab
- Interior lights for cab
- Narrow centre console with cup holder and compartment for mobile phone
- Overhead storage compartment
- Rubber floor covering in cab
- Standard glove compartment

Cargo area

- 2 LED lights in roof of load compartment
- Black plastic scuff plate for sliding door, not illuminated
- Lashing rings for reinforced floor covering
- Metal partition, high, without window includes load through function
- Without floor covering in load compartment

Infotainment and technology

- 12-inch digital drivers display
- 13-inch touchscreen infotainment display with Wireless App Connect and DAB radio
- Preparation "VW Connect" and "VW Connect Plus"
- 5G modem
- 4 speakers (2x in dashboard, 2x in cab doors)
- 2x 15-W USB data / charging ports in dashboard and 1x USB-C, 1x USB-A centre console

Safety and driver assistance

- Cruise control system with predictive speed limiter
- Double-sound horn
- eCall Emergency call system
- Electronic engine immobilizer
- Electronic Stability Control (ESC)
- Front collision warning with braking
- Keyless Start without SAFELOCK
- Lane Assist
- Rear parking sensors
- Dynamic Road Sign Display and wrong-way driver warning
- Front and curtain airbags for driver and front passenger - with front passenger airbag deactivation
- Seat belt pretensioner for the driver seat
- 55L Fuel Tank
- Alternator 230 A
- AGM vehicle battery with 80 Ah
- Preparation for alcohol ignition interlock
- 5+ Promise*

*For diesel and eHybrid models, covers first 5 consecutive services, limited to 5 x Oil & Inspection Service, 5 x Pollen filters, 3 x MOTs. For electric models, covers first 3 consecutive services, 3 x Pollen filters, 3 x MOTs. Additional work, including wear and tear, is excluded. Warranty: earlier of 5 years or 124,000 miles. Servicing must be carried out in line with the requirements of the service schedule and all servicing and warranty work must be carried out at a Volkswagen Commercial Vehicle Authorised Repairer. Warranty exclusions apply (including shorter warranty period for components subject to wear and tear, mechanical adjustments (6 months/6,500 miles) and windscreen (1 month/600 miles). Roadside assistance: excludes costs of parts, garage, labour or other costs in excess of specified limits. Other limitations & exclusions apply. See Roadside Assistance Handbook for full details https://www.volkswagen-vans.co.uk/idhub/content/dam/onehub_nfz/importers/gb/downloads/roadside_assistance_handbook.pdf. Servicing & MOTs administered by Volkswagen Commercial Vehicle Financial Services. Warranty administered by Volkswagen Commercial Vehicles UK. Roadside assistance administered by AA.

New Transporter panel van

Commerce Plus TDI (over Commerce TDI)

Exterior features

Steel spare wheel 215 / 65 R16 C, without tire pressure sensor, with jack; for 4Motion engines Temporary spare wheel 155 / 70 R17 with jack
Mud flaps in front and rear
Body-coloured add-on parts and body-colored radiator grille
Body-coloured bumpers in front and rear
Body-coloured exterior mirror housings and door handles

Cab area

Leatherette-wrapped multi-function steering wheel
Gear lever in leatherette (for manual engines)
Selector lever for automatic transmission on steering wheel

Safety and driver assistance

Anti-theft alarm system, interior monitoring, backup horn, and towing protection
Keyless Start with SAFELOCK
Parking sensors front and rear
Rear view camera

Commerce Plus BEV (over Commerce Plus TDI)

Exterior features

Tyre mobility kit in lieu of spare wheel:12-volt compressor and tyre sealant
All-season tyres

Cab area

Heated seats, individually controllable
Single-zone air conditioning system with automatic control in cab

Safety and driver assistance

Heat pump
Electromechanical brake booster
Electric auxiliary heater (for BEV and PHEV)
Single-tone horn

Commerce Pro TDI (over Commerce Plus TDI)

Exterior features

16" silver alloy wheels "Montreal"
Anti-theft wheel bolts
Exterior mirrors, power-adjustable, heated and power-folding
Laminated windshield made of heat-reflecting glass, heated

Cab area

Heated seats, individually controllable
Glasses compartment in roof on driver side, roof grab handle on front passenger side
Grab handle on passenger side, A-pillar
Single-zone air conditioning system with automatic control in cab

Cargo area

12-V outlet on D-pillar at the bottom, rear right
3 additional super-bright LED lights in load compartment

Infotainment and technology

Wireless mobile phone charging
3x add. 15-W USB-C charging ports - 1x storage comp. in fr. of steering wheel, 1x glove comp., 1x int. rearview mirror

Safety and driver assistance

Adaptive Cruise control system with predictive speed limiter (includes Traffic Jam Assist on automatic gearboxes)
Electromechanical brake booster
Front collision warning with braking, including Cross Traffic Assist, oncoming vehicle braking and swerve support
Lane Assist with Blind Spot Assist and exit warning system
Parking sensors front and rear, with manouver braking
Dynamic Road Sign Display and wrong-way driver warning

Commerce Pro BEV (over Commerce Pro TDI)

Exterior features

Tyre mobility kit in lieu of spare wheel:12-volt compressor and tyre sealant
All-season tyres
LED rear lights with light signature

Cab area

Leatherette-wrapped multi-function steering wheel, heated

Safety and driver assistance

Heat pump
Electromechanical brake booster
Electric auxiliary heater (for BEV and PHEV)
Single-tone horn

New Transporter Kombi

Kombi Commerce Plus TDI (over panel van)

Exterior features

Sliding doors on driver side and front passenger side
Vent windows for 2nd row (left and right)
Rear tailgate with heated window

Cab area

Single drivers seat and single passenger seat in cab
3 single seats in 2nd row, folding and tumbling, 2x ISOFIX and TopTether
Dimming breakaway interior rearview mirror
Grab handle on driver and passenger side, and on B-pillar in passenger compartment
Rubber floor covering in cab and passenger compartment

Cargo area

Black plastic scuff plate for sliding doors, illuminated
4 tie-downs for securing goods in the passenger / load compartment (6 tie-downs for long wheelbase variant)

Infotainment and technology

2x USB sockets in cab and 2x USB sockets in passenger compartment
6 speakers

Safety and driver assistance

Side airbags and curtain airbags in cab and curtain airbags in passenger compartment
N1 commercial vehicle registration

Kombi Commerce Plus BEV (over Commerce Plus TDI)

Exterior features

Tyre mobility kit in lieu of spare wheel:12-volt compressor and tyre sealant
All-season tyres

Cab area

Heated seats, individually controllable
Single-zone air conditioning system with automatic control in cab

Safety and driver assistance

Heat pump
Electromechanical brake booster
Electric auxiliary heater (for BEV and PHEV)
Single-tone horn

Kombi Commerce Pro TDI (over Commerce Plus TDI)

Exterior features

Privacy glass for 2nd row of windows and tailgate

Kombi Commerce Pro BEV (over Commerce Pro TDI)

Exterior features

Tyre mobility kit in lieu of spare wheel:12-volt compressor and tyre sealant
All-season tyres
LED rear lights with light signature

Cab area

Leatherette-wrapped multi-function steering wheel, heated

Safety and driver assistance

Heat pump
Electromechanical brake booster
Electric auxiliary heater (for BEV and PHEV)
Single-tone horn

Charging data

Charging	Socket	Charge time approx.)*
AC current – Domestic 3 pin socket (up to 2.3kW)	Type 2	31.4 hours 0-100%
AC current – Home wallbox or public charger (up to 7.4kW)	Type 2	9.8 hours 0-100%
AC current – Public charger (up to 11kW)	Type 2	6.6 hours 0-100%
DC current – Rapid charger (up to 125kW)	CCS	39.4 minutes 10-80%

Charging Made Easy
Your e-Transporter comes equipped with a 5-metre Type 2 charging cable as standard, capable of charging at speeds of up to 11kW AC—perfect for convenient top-ups at home, work, or public charging points.

Keep Your EV Running Smoothly
Electric vehicles are generally lower maintenance, but regular servicing is key to performance and safety. For the Volkswagen e-Transporter, service is required every 24 months—making it a smart, efficient choice for you and your business.

Peace of Mind, Built In
Like most things in life, electric vehicle batteries are subject to natural wear and tear. That’s why every all-electric or hybrid Volkswagen comes with an EV battery warranty—covering up to 8 years or 100,000 miles (whichever comes first) from first registration. This guarantees your battery retains at least 70% of its original capacity, and the warranty is fully transferable to future owners.

1-Pedal Drive experience
Experience smoother, more intuitive driving with 1-Pedal Drive. This intelligent feature allows you to accelerate and decelerate using just the accelerator pedal—lifting your foot slows the vehicle down smoothly, even bringing it to a complete stop in certain conditions. It’s ideal for stop-start traffic and urban driving, helping reduce fatigue while also enhancing energy recovery through regenerative braking.

Comfort That Fits Your Schedule
With scheduled departure times, your e-Transporter can prepare itself while it’s plugged in—warming or cooling the cabin and battery so it’s just right when you’re ready to go. You can set up to two departure times per day, for each day of the week, using the infotainment system or the Volkswagen app. It’s a simple way to make every journey more comfortable and convenient.

*Charging times may vary depending on factors such as ambient temperature, the age and condition of the battery, the type of charger used, and the vehicle’s current charge level. Quoted charging speeds are based on optimal conditions. Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

¹ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. Other factors including Gross Vehicle Weight, trimline, extra equipment, options and accessories (wheels, tyres, etc.) may change vehicle parameters such as the weight, rolling resistance of the tyres and the aerodynamics and thus influence the fuel consumption, CO₂ emissions and driving performance values.

² Maximum combination weight (vehicle plus trailer load) applies. Maximum gross vehicle weight will vary depending on a number of factors, including optional features, accessories fitted, engine selection and vehicle load. Maximum combination weight and, therefore, maximum gross trailer load is dependent on maximum gross vehicle weight and will vary. Please consult your authorised Volkswagen Van Centre for further information.

³ Unladen weight includes approximately 90% fuel load and 75kg for driver.

⁴ Payload = gross vehicle weight minus unladen weight (including driver). Quoted weights are for vehicles with standard specification. Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories. Roof load limit: 100kg (with two roof carriers) or 150kg (with at least four roof carriers) for normal roof only. Trailer nose weight: 100kg.

Volkswagen Commercial Vehicles may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Van Centre.

*On the road (OTR) package for electric variants includes: Delivery to Van Centre £835.00, number plates £20.00, VAT £171.00, first registration fee £55.00. Vehicle excise duty (VED) 1st year £345.00. Basic OTR price (exc. VAT) is £1,255.00. Total OTR price (inc. VAT) is £1,426.00.

**The Plug-in Van Grant (PIVG) is a grant currently offered by the Office for Zero emission Vehicles (OZEV) to eligible manufacturers to promote the purchase of ultra-low emission vehicles. The e-Transporter Panel Van is eligible for the PiVG, meaning customers purchasing an e-Transporter Panel Van will receive 35% off the purchase price, up to a maximum of £5,000 (subject to an overall limit of 1000 van or truck grants per business or organisation, across all manufacturers, each year being 1 April - 31 March. The £5,000 grant has already been deducted from the 'Total RRP inc. OTR inc. VAT inc. Plug-in Van Grant price shown (and therefore the recommended 'On the road' price will increase in the event that grant funding is ultimately not applicable, withdrawn, or eligibility for the grant or the grant amount changes, for any reason, or the annual limit is exceeded). Your authorised Volkswagen Van Centre will submit the details of your order online in order to claim the grant funding. The grant is subject to full T&Cs and eligibility requirements. For more information, please contact your authorised Volkswagen Van Centre or visit www.gov.uk/plug-in-car-van-grants/overview. The Government Plug-in Van Grant (PIVG) is applicable to UK sales only (excludes the Channel Islands or Isle of Man). Vehicle eligibility and grant figure correct as at 01.06.2025.

Volkswagen Commercial Vehicles may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Van Centre.

*On the road (OTR) package for electric variants includes: Delivery to Van Centre £835.00, number plates £20.00, VAT £171.00, first registration fee £55.00. Vehicle excise duty (VED) 1st year £345.00. Basic OTR price (exc. VAT) is £1,255.00. Total OTR price (inc. VAT) is £1,426.00.

**The Plug-in Van Grant (PIVG) is a grant currently offered by the Office for Zero emission Vehicles (OZEV) to eligible manufacturers to promote the purchase of ultra-low emission vehicles. The e-Transporter Panel Van is eligible for the PiVG, meaning customers purchasing an e-Transporter Panel Van will receive 35% off the purchase price, up to a maximum of £5,000 (subject to an overall limit of 1000 van or truck grants per business or organisation, across all manufacturers, each year being 1 April – 31 March. The £5,000 grant has already been deducted from the 'Total RRP inc. OTR inc. VAT inc. Plug-in Van Grant price shown (and therefore the recommended 'On the road' price will increase in the event that grant funding is ultimately not applicable, withdrawn, or eligibility for the grant or the grant amount changes, for any reason, or the annual limit is exceeded). Your authorised Volkswagen Van Centre will submit the details of your order online in order to claim the grant funding. The grant is subject to full T&Cs and eligibility requirements. For more information, please contact your authorised Volkswagen Van Centre or visit www.gov.uk/plug-in-car-van-grants/overview. The Government Plug-in Van Grant (PIVG) is applicable to UK sales only (excludes the Channel Islands or Isle of Man). Vehicle eligibility and grant figure correct as at 01.06.2025.

The new Transporter

This brochure supersedes all previous publications.

Issue: 4 July 2025

www.volkswagen-vans.co.uk

Please note: Screen technology does not allow exact reproduction of the paint and upholstery colours. Some of the vehicles shown are European specification and may be fitted with optional equipment or accessories that are available at extra cost, or do not reflect current specification. All data and specifications are in accordance with information available at the time of publication and are subject to change without notice. Vehicles not currently in UK stock and customer order vehicles may take a number of weeks for delivery. Certain combinations of vehicle specifications and factory-fitted options are not compatible and therefore all orders received are subject to confirmation. Models, factory fitted-options and paint and upholstery options are subject to availability. Please check details and availability with an authorised Volkswagen Van Centre at the time of ordering.
