## Nissan X-Trail with e-POWER. Fit in more family adventure

Introducing Nissan's latest family adventure crossover, powered by either e-POWER\* technology for an electrified drive or a mild hybrid powertrain.

For superior control and an electrified experience, choose e-4ORCE technology, the all-wheel drive version associated to e-POWER.

Nissan X-Trail is a spacious crossover with up to seven seats\*\*, and features to help keep your family safe and comfortable with our advanced safety technologies\*\*\*.

With cutting-edge connectivity\* to keep everyone entertained, Nissan X-Trail shows that family-friendly trailblazing is possible.

\*e-POWER is a unique powertrain it is not a 100% electric vehicle and requires petrol to fuel the electric motor. Search Nissan e-power for more details.

\*\*Feature available depending on version, as standard or only as option (at an extra charge).

\*\*\*It is your responsibility to stay alert, drive safely and be in control of the vehicle at all times. Driver assist features have speed and other limitations and should not be solely relied on. For more information, please refer to the owner's manual or visit [www.nissan.co.uk/techterms](http://www.nissan.co.uk/techterms).

## Never compromise on style, in Nissan X-Trail

Get noticed wherever you go with sleek LED headlights, distinctive and imposing front air vents and robust, yet crafted lines. Up front, the unmistakable V-motion grille bears the familiar signature of Nissan's exciting design DNA, to show that this family crossover refuses to blend into the background.

Strong front fascia

20" Alloy Wheels\*

Front Signature lamps

Rear Signature lamps

e-POWER badge\*\*

\*Feature available depending on version, as standard or only as option (at an extra charge).

\*\*e-POWER is a unique powertrain it is not a 100% electric vehicle and requires petrol to fuel the electric motor. Search Nissan e-power for more details.

## Close the door on the chaos outside

With up to 35"\* of interior displays to supplement your drive, you're guaranteed to experience Nissan technology at its best. Enjoy advanced Nissan Driver Assistance\* and HD navigation\* displayed right in your view as you settle into your comfortable, ergonomically designed seat. Wondering where to place your belongings? Don't miss the storage space beneath the floating central console. Inside the X-Trail's cabin, it's all about quality details - the relaxing atmosphere of ambient lighting\*, the soft feel our premium materials and the seamless convenience of wireless charging\* for your smartphone.

12.3" Fully digital combimeter\*  
10.8" Windscreen Head-Up Display\*

12.3" high definition NissanConnect display\*

Smart Rear View Mirror\*

Driving Aids\*

Wireless charger\*\*

\*Features available depending on version, as standard or only as option (at an extra charge).

\*\*It is your responsibility to stay alert, drive safely and be in control of the vehicle at all times. Driver assist features have speed and other limitations and should not be solely relied on. For more information, please refer to the owner's manual or visit [www.nissan.co.uk/techterms](http://www.nissan.co.uk/techterms).

\*\*\*Designed to the Qi charging standard & optimised for Qi certified devices. For non-Qi certified devices, wireless charging performance can be limited.

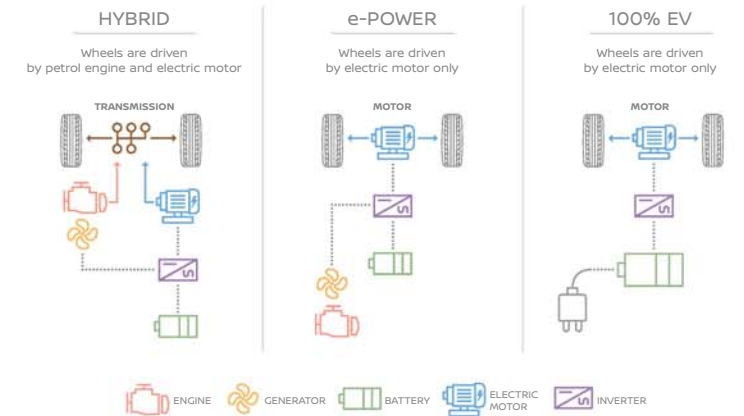

## The unique electrified experience. This is Nissan e-POWER\*

With Nissan e-POWER, pioneering doesn't have to pause. e-POWER is a unique technology composed of a fuel efficient petrol engine charging a battery. The battery then provides electricity to a motor driving the wheels. The result is a responsive driving sensation. Just stress-free driving.

Digital combimeter with energy flow\*\*

**SIMPLIFY YOUR DRIVE, WITH E-PEDAL STEP\*\*\***  
Experience a more intuitive way to drive. Unique to Nissan, e-Pedal Step gives you the option to accelerate and decelerate effectively with just the accelerator pedal at speeds above 6mph. Meanwhile leaving the brake pedal for harder braking and coming to a complete stop.

\* e-POWER is a unique powertrain it is not a 100% electric vehicle and requires petrol to fuel the electric motor. Search Nissan e-power for more details.  
\*\*Features available depending on version, as standard or only as option (at an extra charge).  
g/km = 132g-172g

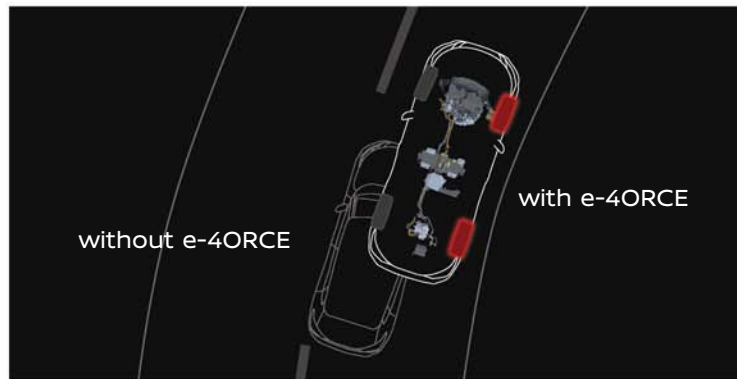

## Reinvent your all-wheel drive experience, electrified. With e-4ORCE\*

Take on tough terrains with improved confidence with Nissan's unique all-wheel drive technology, now available on X-Trail. e-4ORCE\* delivers the perfect balance between powerful and control, with a smooth ride for all family thanks to handling on tough surface. Tailor your drive even further with 5 selectable Drive Modes, including Normal, Sport, Eco, Off-road and Snow Mode for improved levels of comfort.

4x4 Drive mode wheel switch\*

\*Feature available depending on version, as standard or only as option (at an extra charge).

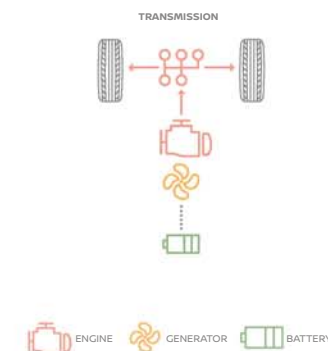

## Mild Hybrid

Experience the thrill of driving with the X-Trail's latest mild hybrid 1.5l variable compression 3 cylinder engine, designed to deliver a dynamic performance. The advanced mild hybrid technology offers additional power during acceleration, ensuring a smooth and responsive ride. The integration of a lithium-ion battery and starter generator enhances the engine's operation during idle periods, contributing to an overall balanced performance. With a variable compression ratio that adjusts from 8:1 to 14:1, this engine stands out as a testament to innovative engineering, offering a blend of power and refined driving pleasure.

### mHEV(12v)

Wheels are driven by electric motor only

CO<sub>2</sub>, combined WLTP min/max (g/km) : 129-167g

## Safety First is Second Nature

X-Trail is equipped our advanced ProPILOT Assist\* with NAVI-LINK safety technologies designed to read the road ahead helping to adjust your drive accordingly, keeping you and your family safe for maximum peace of mind. ProPILOT Park\*\* helping to make journeys with the family even easier. It can automatically detect a parking space that fits and then manoeuvre you effortlessly in with fully automatic control of the steering, braking and accelerator. And thanks to Around View Monitor\*\*, all-round reassurance comes from a 360° view of your car with selectable focus on front, rear and kerbside views.

X-Trail, with its suite of active and passive safety technologies, has achieved a 5 star EuroNCAP safety rating.

**INTELLIGENT CRUISE CONTROL** keeps your distance by measuring the space from the vehicle ahead, controlling acceleration and deceleration to automatically maintain a suitable following distance within your set speed.

**INTELLIGENT FORWARD COLLISION WARNING** keeps an eye on up to two vehicles in front of you. If the system detects a sudden deceleration ahead, you hear an audible and visual warning to slow down.

**REAR AUTOMATIC BRAKING** helps you back-up with confidence. If a stationary object is detected behind your vehicle, the system can automatically engage the brakes to help avoid a collision.

**EMERGENCY LANE KEEPING** A full suite of technologies to help you avoid unintentional lane departure. Keeps you centered in the lane either by steering wheel action or braking in an emergency situation.

**INTELLIGENT EMERGENCY BRAKING** spots objects and applies the brakes if there is a risk of a low-speed collision with a car, pedestrian or cyclist. Added Junction Support further boots safety by helping avoid collision at junctions.

*\*ProPILOT is available on a limited range of vehicles and only on automatic transmissions.*

*ProPILOT is an Advanced Driver Assist technology but cannot prevent collisions. ProPILOT is intended for "Eyes on/ Hands On" for highways only (road separated by Barriers).*

*NAVI-LINK supports traffic sign recognition which may not detect and read all traffic signs in all conditions. Driver should monitor all traffic sign and obey traffic laws.*

*It is the driver's responsibility to stay alert, drive safely and remain in control of the vehicle at any time.*

*\*\*Feature available depending on version, as standard or only as option (at an extra charge).*

*You should not rely solely on driver convenience features. Some features may not work in all conditions and circumstances. Speed and other limitations apply. For terms and conditions relating to Nissan technologies, please contact your Nissan dealer or [www.nissan.co.uk/X-trail](http://www.nissan.co.uk/X-trail)*

## Seamlessly connected to your world

The 12.3" HD touchscreen<sup>(1)</sup> in Nissan X-Trail is your portal to NissanConnect: <sup>(3)(4)</sup> through intuitive navigation, our advanced technology and more. Our smartphone App offers a growing range of services including sending journey plans to your new Nissan X-Trail. When inside your car, connect your phone to start using your preferred Apps thanks to Apple CarPlay<sup>®(2)\*</sup> and Android Auto<sup>™(2)\*\*</sup>. And wherever you are, it keeps you informed about the status of your car. You're all set for your adventures on the go.

### GOOGLE ASSISTANT\*\* AND ALEXA<sup>(5)(6)</sup> COMPATIBILITY

Use NissanConnect car capabilities to control your vehicle or home by voice command using Alexa or Google Assistant<sup>™</sup>. Free service <sup>(7)</sup>

<sup>(1)</sup> HD touchscreen is only available N-Connecta and above grades

<sup>(2)</sup> Apple CarPlay<sup>™</sup> and Android Auto<sup>™</sup> are available free of charge, depending on model and/or grade.

<sup>(3)</sup> Connecting a mobile phone to use NissanConnect should only be done when the car is parked safely. Use of the system should always be in accordance with the rules of The Highway Code. Drivers should only use the system when it is safe to do so. Users should be aware of the potential for hands-free technology to distract attention from the road, which could impact on having full control of the vehicle.

<sup>(4)</sup> To use the NissanConnect services you need a NissanConnect user account and have to register and log in to NissanConnect with your username and password. To use the free NissanConnect App, you need a smartphone with a compatible iOS or Android operating system and a SIM card with data option with an existing or separate mobile phone contract between you and your mobile service provider. All services are subject to mobile network coverage. The use of NissanConnect on-board internet is made possible via an integrated wireless internet connection. Data packets are to be obtained via selected external mobile communication providers in accordance with their terms and conditions (depending on the availability in your country).

<sup>(5)</sup> Feature available depending on version, as standard or only as option (at an extra charge).

<sup>(6)</sup> Amazon, Alexa and all related marks are trademarks of Amazon.com, Inc. or its affiliates. Alexa Built-In available in England, France, Germany, Spain, Italy.

<sup>(7)</sup> Nissan on Google Assistant and Alexa, Driving History & Analysis, Nissan Help & Assistance, Breakdown Assistance are available free of charge for a period of 7 years, depending on model and/or grade.

For more information, please visit [www.nissan.co.uk](http://www.nissan.co.uk) or contact your Nissan dealer. The feature responsiveness and use can be impacted when car is receiving a bad signal. For optimal use, please make sure your car is under good network coverage.

[www.nissan.co.uk\\_gb@nissan-services.eu](mailto:www.nissan.co.uk_gb@nissan-services.eu) 0330 123 1231

\*Apple CarPlay (r) is a registered trademark of Apple Inc.

\*\*Android is a trademark of Google LLC.

\*\*\*Google is sunsetting Conversational Actions for Google Assistant. As of 13.06.2023 Google Assistant users will be no longer able to interact with compatible cars from home. A compatible home device is required. The rest of Google Assistant functionality continues as normal. Google and Google Maps are trademarks of Google LLC.

Scan the code to download now the NissanConnect Services app and connect it to your New Nissan.

### Safety and car health

In trouble? Breakdown Assistance calls roadside assistance services when you need them, while Vehicle Health Report informs you of the status of your car.

### Navigation & driving

Get where you need to go with Door-to-Door Navigation by sending a navigation route straight from your smartphone to your navigation system. With Driving History & Analysis, check the distance you've driven, the number of trips you've made and more in the NissanConnect Services App\*

### Connectivity

Connect your Android or iOS device for seamless connectivity including voice control<sup>(3)</sup>. Access your favourite music, messaging and other Apps to stay informed and entertained as you drive.

### Convenience and comfort

Access remote services including Remote Door Lock/Unlock, Remote Horn/Lights and My Car Finder from the NissanConnect Services App<sup>(4)</sup>. And if you ever need help, Nissan Assistance is just a click away.

## Family size matters for this family SUV

Forget the usual hassle of loading child seats. With rear doors that open to 85° and versatile seating layouts for up to 7\*, stress-free family adventures start the moment you leave. Whether in the front, 2<sup>nd</sup> or 3<sup>rd</sup> row\*\* seats, all passengers can feel relaxed with 3-Zone Air Conditioning\* and ergonomic seats for comfort on the longest journeys.

7 seats

5 seats

4 seats

2 seats

\*Feature available depending on version, as standard or only as option (at an extra charge).

\*\*The 3<sup>rd</sup> row is only available on 7 seater option which is not available as standard.

## Discover\* the details that make a difference

Family adventures feel so comfortable with design details that make your journeys smoother. From rear-window sunshades\* that roll neatly away, to USB ports\* front and 2<sup>nd</sup> row to keep everyone's devices fully charged. When it comes to loading, enjoy up to 16 configurations with adaptable luggage boards\* and 60:40 sliding 2<sup>nd</sup> row to personalise your load space even further and ensure easy access to 3<sup>rd</sup> row.

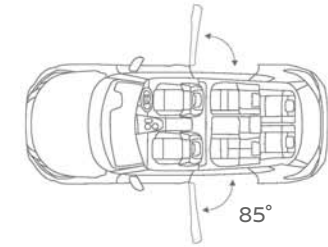

Floating centre console

Butterfly opening central console

Isofix fixing

85° rear door opening

Rear Sunshade\*

USB ports in the 2<sup>nd</sup> row\*

### Enjoy. Rinse. Repeat.

Adventures should always leave their mark. You'd just prefer it not to be on your seats. X-Trail N-Trek features specially-developed water resistant upholstery, trunk liner\* and floor mats\* that are easy to clean, no matter how muddy your boots, bikes, kids or dogs are. Enjoy all the fun with your adventures with N-Trek seats without a worry.

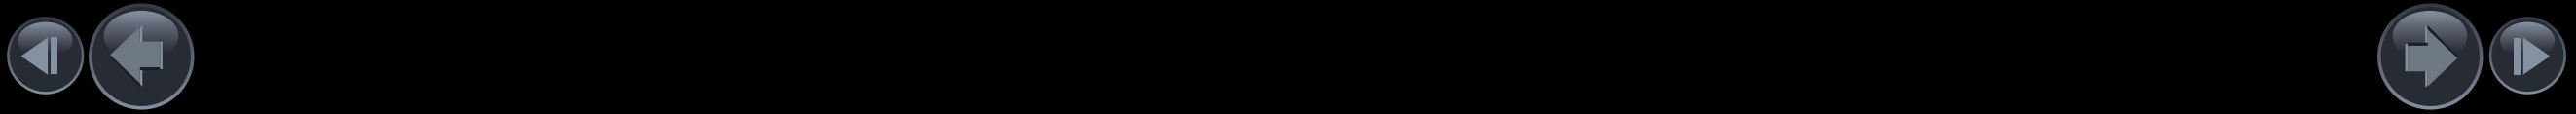

**RUBBER FLOOR MATS\***  
in hardwearing rubber

**REVERSIBLE TRUNK LINER\***  
to protect the boot from dirt, mud and stains

Accessories are dependent on local availability and as an option (at an extra charge) and require fitment by a Nissan dealer. Accessory availability dependent on grade and any additional equipment fitted after-sale by the customer may have an impact on the communicated range figures of the vehicle. Genuine Nissan Accessories are covered by the new vehicle warranty of 3 years / 60,000 miles (whichever comes first), if fitted before Vehicle Handover or during the new vehicle warranty period. Genuine Nissan Accessories must be fitted by a Nissan dealer or Nissan repairer. Genuine Nissan Accessories fitted outside of the new vehicle warranty period or by a 3rd Party or by the Customer are only covered by the Genuine Nissan Parts and Accessories Warranty of 12 months / unlimited mileage.

## Unique design for outdoor adventure.

X-Trail N-Trek brings its refined side to your adventure. A combination of rugged elements and refined design touches like exclusive roof rails, 18" black alloy wheels, LED fog lamps and a standout full dark V-Motion grill. Uncompromised pleasure, with a robust yet elegant allure.

### V-MOTION GRILL

Put on your best face with the dark version of Nissan's signature V-Motion grill.

### BLACK ROOF RAILS

Statement black roof rails help you take the adventure even further, helping you carry bikes, skis, surfboards, extra cargo and more.

### FRONT AND REAR BUMPERS

Add an extra touch of style with gunmetal front and rear bumpers, exclusive to N-Trek.

### NEW BLACK ALLOY

All-new design, exclusive to N-Trek.

*Photo taken on private land with the owners permission.*

## Tailor your Nissan X-Trail with Nissan Genuine accessories

Take your family to any adventure with comfort by customising your X-Trail with Nissan Genuine accessories. From cross bars to side steps your X-Trail can adapt to all your family and trip needs. Discover more accessories by contacting your closest Nissan dealer.

### ROOF BOXES

Increase your X-Trail's versatility with this custom-built roof box. Available in four different sizes, starting from 90L & available in medium and large sizes from 480L to 630L capacity.

Ranger 90L - 290L Capacity - 7kg  
 Small - 380L Capacity - 13kg  
 Medium - 480L Capacity - 15kg  
 Large - 630L Capacity - 17,5kg

### REAR BUMPER PROTECTOR

Designed to fit your X-Trail, it protects your rear bumper from scratches and other wear when you load or unload your trunk.

### TOW BAR

Towing capacity up to 2,000kg\* Vertical load 100kg.

### REVERSIBLE TRUNKLINER

One side rubber, one side velour.

### ILLUMINATED WIRELESS KICK PLATE

For premium look and easy to clean, it helps protect your car from scratches and other wear.

### SIDE STEP

Complete that SUV look by adding side step specifically made to assist in vehicle entry and exit.

### LUXURY FLOOR MATS

Crafted with denser fibers than our velour mats for a soft, comfortable feel and everyday durability.

### VELOUR FLOOR MATS

Protection, quality and safety, designed to fit the new X-Trail's cabin perfectly.

### RUBBER FLOOR MATS

Rubber floor mats are easy to clean and they may better protect your car from grime and moisture. They offer durability and longevity.

### CROSS BARS

Steel bars integrated into existing roof rails. Maximum weight limit of 75kg.

Accessories and any additional equipment fitted after-sale by the customer may have an impact on the communicated range figures of the vehicle. Genuine Nissan Accessories are covered by the new vehicle warranty of 3 years/60,000 miles (whatever comes first), if fitted before Vehicle Handover or during the new vehicle warranty period. Genuine Nissan Accessories must be fitted by a Nissan dealer or Nissan repairer. Genuine Nissan Accessories fitted outside of the new vehicle warranty period or by a 3rd Party or by the Customer are only covered by the Genuine Nissan Parts and Accessories Warranty of 12 months / unlimited mileage

\*Accessory Select products' warranty coverage depends on supplier, for further information please speak to your authorised Nissan dealer or repairer.

\*Max. towing capability is dependent on grade, specification, and powertrain.

## Service Contracts\*

Give your Nissan X-Trail the care it deserves with a Nissan Service Contract. Nissan Maintenance Contract covers all the scheduled operations recommended by Nissan and specified in the owner's manual & warranty booklet. Maintenance Contract allows you to know from the start how much your maintenance will cost and protects you against price inflation. In addition to the scheduled operations, you can benefit from the replacement of wear and tear parts such as wiper blades or brake pads by subscribing to a Full Maintenance Contract. Select the duration that covers your needs and benefit from the use of Nissan Genuine Parts fitted by our trained. A well maintained vehicle has a greater resale value. If you sell your Nissan before your contract expires, the Service Contract will be transferred to the new owner. So do not wait any longer and subscribe to a Nissan Service Contract for improved peace of mind

## Extended Warranty\*\*

Nissan Extended Warranty gives you the opportunity to extend your warranty for a longer period or mileage. Select the contract that best suits your driving usage.
