**Security - Standard across the range:** Alarm System and Engine Immobiliser - Door Deadlocks - Interior Door Lock/Unlock Function - Locking Wheel Nuts - Visible Vehicle Identification Number (VIN)

- = unavailable on grade ✓ = standard on grade OPT = Option

\*Parking Sensors may not match exterior body colour

\*\*Compatibility and functions may vary due to the model year of mobile device and the version of software installed).

For new vehicles sold from May 2021, Kia offers, per vehicle, two free-of-charge updates of the maps in the vehicle's navigation system and of the Head Unit software using the so-called "over-the-air" method ("OTA Updates"). Once the two free-of-charge OTA Updates have been consumed, you will be able to get updates of the maps in the vehicle's navigation system and of the Head Unit software only (i) by accessing the following web page [update.kia.com/EU/E1/Main](http://update.kia.com/EU/E1/Main) or (ii) at a dealership.

**SERVICE INTERVALS**

12 months / 24,000 miles, whichever comes sooner

\*In order to achieve the maximum charging speed, an electric vehicle charger that delivers at least 72kW of electricity must be used. Actual charging speed and charging time may be influenced by the battery temperature and weather conditions.

\*\*Range figures are determined according to the standardized EU measurement procedure (WLTP). Individual driving style and other factors, such as speed, outside temperature, topography and the use of electricity-consuming devices/units, have an influence on the real life range and can possibly reduce it.
