Common Rules

- 1) All players are placed into their appropriate leagues based on gender and age. The cutoff date for determining age, will be June 1st. A player is not allowed to play down into another league. A player may play up only if it is to be on a sibling's team and the league approves the move.
- 2) Players must sign up within their school district (Kingsley, Buckley, Mesick, Manton). No out of district players will be allowed.
- 3) When an area has more than one team per league it is recommended that the teams are divided by using a draft of players. The draft will be set up by the local Board.
- 4) League schedules will be put out as soon as possible after the teams are drafted. Practice schedules will be handled by each local board.
- 5) **Standings will be kept in all leagues except T-Ball. A team will get two points for a win, 1 point for a loss, and 0 points for a game that is not rescheduled.**

Playoffs will take place after the completion of the season for all leagues except T-ball. Playoff seedings will be determined by regular season standings. Tiebreakers will be used to break all ties. The tiebreakers are:

- 7) Taunting designed to distract or intimidate the opposing team, or racism is unsportsmanlike conduct and will not be tolerated. The umpire will give one warning to the guilty team. On second offense, the forfeit will be called. Chanting (i.e. "batter batter batter swing, goodeye goodeye, etc) will no longer be allowed by either team at any point during the game.
- 8) The home team is determined by the league schedule and must furnish the official scorebook. Lineups need to be in 10 minutes before game time. All players must wear uniforms furnished by the league, or similar shirt if one is missing. Lineups will include the player name and player number.

The home team gets infield practice from 30 minutes to 15 minutes prior to game time, the visiting team the last 15 minutes before game time. Fair/foul lines along 1st & 3rd baselines are not a requirement to play a game.
- 10) Coaches are to remain in the dugout or behind the fence at all times. One 1st base coach and one third base coach allowed when team is batting. Exception is T-ball where two coaches will be allowed on the defensive field
- 11) The home team furnishes the umpire for home plate (and 3rd base) and the visiting team for the 1st and 2nd base. The league will provide the home plate umpire for all A-League, Fast Pitch, Jr League, and Slow pitch games. If the visiting team cannot furnish a base umpire the home team may supply one. - 13) No metal spikes, rubber coated metal spikes, or ceramic spikes are allowed. If a player comes to a game wearing jewelry, they must either take it off or cover it up with tape. Medical alert jewelry is allowed.
- 14) The whole team bats in order. If a player arrives late to a game he/she will be able to participate, but needs to be added to the bottom of the batting order. A player arriving after the start of the third inning will not be allowed to play unless coaches decide otherwise. A team is allowed to bat out of order, without penalty, in the first inning only. All other infractions will result in out of order player being called out, after seeing one pitch or swing. A player missing an at bat for an on field injury or illness will be skipped in the order without penalty. All Such occurrences have to be made known to both teams and approved by the umpire.
- 15) All players must stay on the bench, unless they are batting, on deck, or in the field.
- 16) Throwing of the bat will result in a team warning. The next infraction will result in the player being called out. **The play is live for all other players on a batter being called out.**
- 17) All base runners and batters must wear protective helmets. *Catchers must wear full gear.* Players cannot take off their helmets while at bat, on base, while running, or while walking back to the dugout. C: If the helmet falls off, with no assistance from the runner, while running the bases.

- 18) All fielders must stay off the base/plate when there is no play. Failure to do so will result in a player warning, and the runner being called safe or advancing to the next base, if obstruction is determined by the umpire. Continued obstruction will result in the player being asked to switch positions.
- 19) There will be no rescheduling of games for any other reason than weather or school functions. All other games are to be played as scheduled.
