SAKE

All bottles are 720ml unless otherwise noted. The sakes by the glass are 3oz.

NV Saiya Shuzou, "Yuki No Boshu", Yamahai Junmai, Akita-ken	55
Slightly gamey, with hints of roasted nuts and honey.	
NV Shichi Hon Yari, Shizuku Junmai Daiginjo, Shiga-ken	125
This is a family-run brewery managed by the 15th generation. A special product made from free-run, or "drop" sake. Light and ethereal, with layers of freshness and complexity woven together.	
1999 Inoue Gomei, "Biden", Junmai Yamahai Koshu, Fukuoka-ken	14 / ---
Unique because of its age, this exhibits savory caramel flavors and is the true definition of the notion of umami.	
2002 Uehara Shuzo, "Taiko No Izanai", Yamahai Muroka Nama Genshu Shinsosui-jikomi Shizenshu Koshu, Shiga-ken	70
With organic rice and no added yeast, this is a return to ultra-traditional brewing. There is a beautiful, enormous wood press and an equally regal wooden rice steamer. It was made with seawater, and needed more than 13 years before the salt softened.
