## Celisse

*Join Celisse for a rocking concert of signature songs. Her soulful music and uplifting lyrics are a great way to start the day and learn about music!*

### Suggested Materials

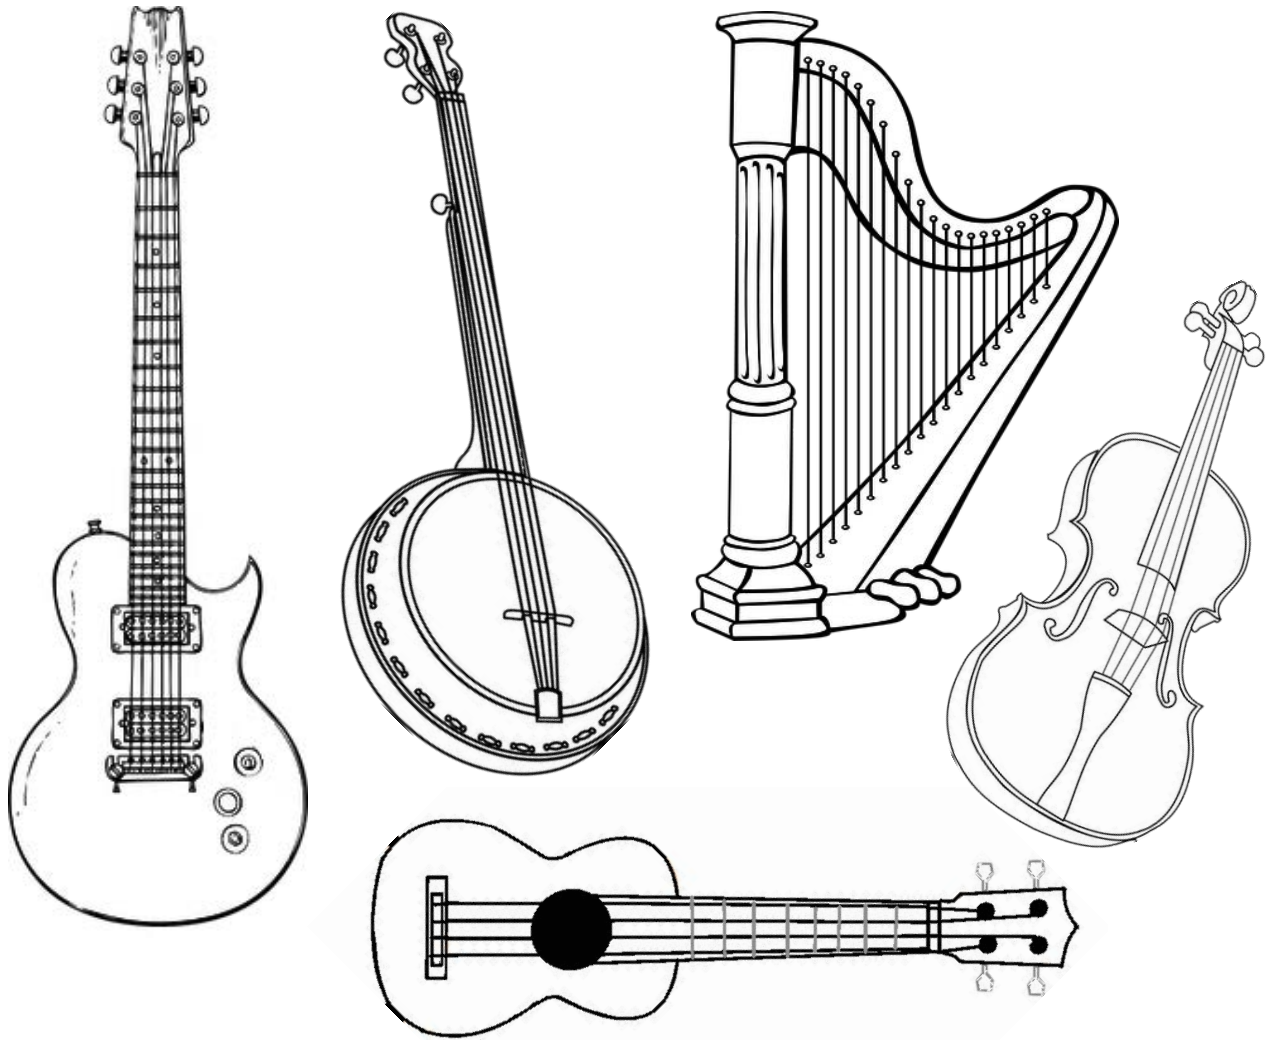

- Paper
- Pen, pencil, crayons, markers, colored pencils – any writing or coloring utensil
- A computer, tablet or phone with internet access

## Noticing Strings

In the concert, Celisse uses three different instruments: a ukulele, an electric guitar, and a baritone electric guitar. All of these instruments are in the **string family** of musical instruments.

Here are some members of the string family. Color them in!

What do you notice about the instruments?

What is the same about them? What is different about them?

How do you think they will sound? What about ways they might sound the same or different?

Let's listen to them!

To explore what these instruments sound like and more, visit <https://www.classicsforkids.com/music/instruments.php?family=String>.

## Song Writing Workshop

**Lyrics** are the words in a song. Let's write some lyrics with Ms. Ashley in the Lincoln Center Pop-Up Classroom Song Writing Workshop!

<https://www.facebook.com/LincolnCenterNYC/videos/654224822075948>

## I Love Being Me

### STEP 1

In the song, "I Love Being Me", Celisse talks about what she loves about herself.

Think about things you love about yourself. Write three things down!

### STEP 2

Using your brainstorming above, complete these lyrics for yourself!

I am \_\_\_\_\_

I'm \_\_\_\_\_

God, I'm \_\_\_\_\_

Can't you see?

Good luck, I am \_\_\_\_\_

\_\_\_\_\_ is amazing

I'm so glad I'm taking the time to \_\_\_\_\_

I love being me!

## Family Discussion Questions

What was a moment in the concert that stood out to you? Why did it stand out to you?

What did you notice about the lyrics you heard during the performance?

Were there any lyrics you liked or connected with? Which ones?

What did you notice about how each instrument sounded?

What message did you take away from her songs?

If you wrote a song, what would it be about?

What do you want to know more about?
