

Magical Miniature World Workshop at the Stanley H. Kaplan Penthouse

Led by Lincoln Center's education team and teaching artists as part of the Big Umbrella Festival, participants of all ages and abilities are invited to use a variety of accessible art-making materials to create their own magical miniature world and bring it to life! We invite children and families to join us in playing together, using movement and sound to explore our creations in this imaginative, hands-on workshop.

This 45-minute workshop takes place at the Stanley H. Kaplan Playhouse on the 10th floor of the Samuel B. and David Rose Building. The address is 165 West 65th Street.
