### Lefay Resort & Spa, Lake Garda

This infinity pool may lack the size and grandeur of some others, but it's an impressive inclusion to the list when you consider it's reserved for the sole use of residents in the adjacent three-bedroom suite. Also featuring its own private, 55sq-metre spa, the Royal Pool and Spa Suite is positioned in the grounds of Lefay Resort & Spa in the Alto Granda National Park and features a host of other luxurious extras. It costs from €2,000 per night.
