Safety is always the first criteria in any new design. For this reason the Lite-Touch™ Q Outdoor model comes with a ground fault circuit interrupt (GFCI) power cord and three prong 120V plug.

Simply elegant
in design...

Safety is always
first criteria
with Kenyon

The new touch control system from Kenyon integrates the visual effect of a knob control with the ease of touch control.

Simply touch the ON/OFF circle and start cooking.

Elegant in design, the graphics pattern will enhance any outdoor kitchen design.

The ceramic glass slopes down to the counter with a mirror finish polished edge framing the cook top as it blends seamlessly into the counter.

The Lite-Touch™ Q is backed by renowned customer service and the Kenyon 3-year product replacement warranty.
