CAB CHASSIS/CUTAWAY

WORKER

SPRINT AHEAD OF THE REST.

The Freightliner Sprinter — the commercial van that launched many imitators — will help you sprint ahead of your competition.

The most advanced commercial van on the road today just took another giant leap forward. In addition to a V6 turbo diesel engine,¹ Best-in-Class payload and cargo volume,² the Freightliner Sprinter has legendary reliability built right in. The optional 4x4 drivetrain can help you defeat challenging road and weather conditions as well.

The Freightliner Sprinter also incorporates advanced safety features. In fact, it's the only van in the segment featuring standard Load-Adaptive Electronic Stability Program (ESP®).³

With a class-leading maximum of 530 cu. ft. of cargo space,² the advantages don't end there. Extended service intervals of up to 20,000 miles⁴ help you reduce maintenance costs and vehicle downtime.

While our latest Sprinter Vans continue to raise the bar for innovation and technology, they still hold true to our core values: to create vans that deliver an extraordinary level of safety, performance, and cost efficiency to every owner.

Experience the Freightliner Sprinter, the commercial vehicle that helps accelerate your business, raise productivity, and lower the total cost of ownership.

“The best full-size van for cargo and passenger purposes.”

— Edmunds

3.0L V6 TURBO DIESEL ENGINE¹
WITH 5-SPEED TRANSMISSION

"...the tried-and-true 3.0-liter V6 turbo diesel...strong pulling power, good fuel economy and proven longevity."
— Kelley Blue Book⁵

Torque curve:

- _____ Diesel engine¹
- _____ 6-cylinder
- _____ 4 valves per cylinder
- _____ Displacement: 2,987 cc
- _____ 188 hp @ 3,800 rpm
- _____ Rated torque: 325 lb-ft @ 1,400–2,400 rpm
- _____ Electronically controlled Direct Injection with Commonrail
- _____ Turbocharger and intercooler function
- _____ Rear-wheel drive
- _____ 5-speed automatic transmission
- _____ Fuel type: Ultra-low-sulfur diesel¹
- _____ Tank capacity: 24.5 gallons
- _____ Battery: 12V/100Ah, alternator 14V/220A

STANDARD: V6 ENGINE¹ WITH 5-SPEED TRANSMISSION | LONGER SERVICE INTERVALS OF UP TO 20,000 MILES⁴

SOPHISTICATED TECHNOLOGY. OLD-SCHOOL GRUNT.

The engine that drives your business is powered by some of the most advanced technology found in any commercial van. The Sprinter's 3.0L V6 turbo diesel engine¹ and 5-speed transmission provide the efficiency needed for everyday use, as well as the power to handle the heaviest loads. Plus, the optional 4x4 drivetrain with on-demand 4-wheel drive will help keep you going even when the weather and road conditions turn bad.

You need torque that's available when the light turns green, when merging onto a highway, and especially under load. The Sprinter's engine delivers powerful torque — with virtually zero turbo lag — for performance and acceleration you can feel.

STANDARD HIGHLIGHTS: CROSSWIND ASSIST⁶ | LOAD-ADAPTIVE ESP³ | DRIVER AND PASSENGER AIRBAGS⁷ | REARVIEW CAMERA⁸ | RESCUE ASSISTSM | 3-POINT SEAT BELTS FOR ALL SEATS

OPTIONAL HIGHLIGHTS: LANE KEEPING ASSIST⁹ | COLLISION PREVENTION ASSIST¹⁰ | BLIND SPOT ASSIST¹¹ | HIGHBEAM ASSIST

WE THOUGHT ABOUT SAFETY SO YOU CAN THINK ABOUT WORK.

Standard on Freightliner Sprinters, Crosswind Assist⁶ can help you stabilize your van in gusting crosswinds, while standard front, thorax, and window airbags⁷ help keep you protected. The standard rearview camera⁸ makes reverse parking and maneuvers more manageable. Plus, we're the only van in the segment featuring standard Load-Adaptive

Electronic Stability Program (ESP[®]).^{2,3} Factor in the available Blind Spot Assist,¹¹ Lane Keeping Assist,⁹ Highbeam Assist, and COLLISION PREVENTION ASSIST,¹⁰ and it will be easy to keep your mind on the job knowing that your van is helping you stay safe.

Crosswind Assist⁶ helps you stabilize your van and boosts safety in strong, gusting crosswinds. This standard feature helps you ensure that your vehicle remains in its lane at highway speeds.

Load-Adaptive Electronic Stability Program (ESP[®])³ This dynamic handling system actively intervenes to help keep the van firmly under control and safe by automatically braking individual wheels and reducing engine power to help stabilize the vehicle if wheelspin, understeer, or oversteer is detected.

Driver and Passenger Airbags⁷ The driver and passenger front, thorax, and window airbags⁷ help protect you and your passengers in the event of a collision.

Sprinter airbags shown are from model year 2014.

Rearview Camera⁸ The visual parking aid is activated when the Reverse gear is selected, giving you a view of what's going on behind you, as well as providing overlays with which to guide you.

STANDARD HIGHLIGHTS: EFFICIENT DIESEL ENGINE¹ | 5-SPEED AUTOMATIC TRANSMISSION | UP TO A 20,000-MILE SERVICE INTERVAL⁴ | SUPER SINGLE

WE'RE IN BUSINESS TO HELP YOUR BUSINESS.

Minimizing downtime is crucial for your business. Freightliner Sprinters keep your total cost of ownership low and your productivity high. If you spend less time and money on maintenance and more time on the road, your whole company will run more smoothly.

Efficient Diesel Engine¹

With turbocharged power, 325 lb-ft of torque, and diesel fuel economy, Sprinter's impressive 6-cylinder engine delivers power and durability in one compact package.

Up to a 20,000-Mile Service Interval⁴

Sprinter's Best-in-Class service intervals of up to 20,000 miles⁴ keep you on the road, raising productivity and lowering the total cost of ownership.

5-Speed Automatic Transmission

The low first gear and overdrive high gear in Sprinter's 5-speed automatic transmission help you accelerate from a stop and save fuel on the highway.

Super Single

The standard Super Single tire configuration on the 3500 and 3500XD models provides Best-in-Class² payload using a single-wheel rear axle, without sacrificing the cargo-loading capacity that is lost with the larger wheel wells of dual-wheel rear axles.

STANDARD HIGHLIGHTS: CLASS-LEADING PAYLOAD² | CLASS-LEADING CARGO VOLUME² | CROSSWIND ASSIST⁶ | REAR DOORS OPEN 270 DEGREES | WIDE SIDE-DOOR OPENINGS

OPTIONAL HIGHLIGHTS: LOW-RANGE 4X4 | LASHING RAILS¹² | CARGO TIE-DOWNS¹² | SIDE WALL PANELING

WE'RE ALL IN. ALL DAY.

The Sprinter Cargo Van works like you do. No hesitation. No wasted motion. The class-leading payload capacities² let you design a configuration that meets your needs, while the extended length and high roof models increase cargo volume to give you more ways to increase productivity.

Working fast means working smart, and the spacious rear cargo area with nearly vertical walls and maximum standing height of 77.8" lets you create an efficient workspace. Need more room? No problem. The **Super Single** tire on the **3500XD** model increases the payload by up to 132 lbs., the cargo volume by up to 45 cu. ft., and the cargo width at the wheelhouse by 9.9". Whatever configuration you choose, you'll stay on the road longer with a service interval of up to 20,000 miles.⁴

With up to 530 cu. ft. of cargo space, the Sprinter Cargo Van offers plenty of room to work.

A High Roof option gives the Sprinter an interior standing height of over six feet five inches, and you the freedom to take your business to new heights.

Optional equipment shown.

With three body lengths and two roof heights, the Sprinter Cargo Van gives you more ways to haul more and load more.

STANDARD HIGHLIGHTS: ONLY CREW VAN IN ITS CLASS | CROSSWIND ASSIST⁶ | TINTED WINDOWS | PADDED ARMRESTS | REMOVABLE REAR BENCH

OPTIONAL HIGHLIGHTS: LOW-RANGE 4X4 | CARGO STRAPS, D-RINGS¹² | CARGO TIE-DOWNS¹² | MULTIFUNCTION STEERING WHEEL

PULLING OUR WEIGHT. EVERY DAY.

When you need manpower along with horsepower, the Sprinter Crew Van can easily carry up to five people while still leaving you plenty of room to haul cargo.

The only factory crew configuration in its class, our Sprinter Crew Van features padded armrests and tinted windows that will help keep your crew comfortable. We'll help keep them safe with advancements like the standard Load-Adaptive Electronic Stability Program (ESP[®]),³ Crosswind Assist,⁶ and available Blind Spot Assist¹¹ and Highbeam Assist. And our V6 turbo diesel engine¹ will get you up to speed easily — even if you're maxed out with crew and cargo.

Choose from two body lengths, and create the Sprinter Crew Van that fits your business.

A removable rear 3-seat bench covered in durable upholstery gives your crew a roomy, safe, and comfortable space.

Crew Vans feature padded armrests and tinted windows to make trips to the job more relaxing and enjoyable.

STANDARD HIGHLIGHTS: 6'3" INTERIOR STANDING HEIGHT | CROSSWIND ASSIST® | 3-POINT SEAT BELTS & HEADRESTS FOR EVERY SEAT | ROOF-MOUNTED REAR AIR CONDITIONER | WIDE SIDE-DOOR OPENINGS | REAR DOORS OPEN 270 DEGREES

OPTIONAL HIGHLIGHTS: LOW-RANGE 4X4 | ELECTRIC SLIDING STEP

YOUR PASSENGERS WILL NEVER TAKE A BACKSEAT.

Our philosophy here is simple: Passengers come first. The Sprinter Passenger Van's maximum 70.1" floor width means they will have plenty of room to sit, while the ergonomic, durable rear seating with generous legroom and individual headrests assures that they'll sit comfortably — up to 12 of them, in fact. And your passengers will be able to stand up straight, thanks to the

interior height of 6'3". The spacious rear storage area provides ample room for luggage, and once you're on the road, passengers will enjoy rear heating and air conditioning, and a level of protection only the technologically advanced Sprinter safety features can deliver.

An impressive interior standing height of 6'3" provides greater passenger comfort with plenty of room to move.

"A manageable driving position and impressive handling make the [Sprinter] van pleasant and surprisingly maneuverable around town, while electronic aids help fight the wind gusts at speed."
— Edmunds

Select from our configuration options and create the Sprinter Passenger Van that fits your business best.

STANDARD HIGHLIGHTS: BEST-IN-CLASS PAYLOAD² | BODY & CONVERSION SOLUTIONS | 26.4 GALLON FUEL TANK | FLAT FRAME RAILS | RACK-AND-PINION STEERING | 96" EXTENDED EXTERIOR MIRRORS

OPTIONAL HIGHLIGHTS: MULTIFUNCTION STEERING WHEEL

HAVE A BIG IDEA? BRING IT.

From a box truck to a technologically advanced RV, we provide you with the place to build your idea. The Sprinter Cab Chassis/Cutaway¹³ is your blank slate. With a flat, unobstructed frame and two available wheelbases (both featuring GVWRs of 11,030 lbs.), we've made certain that there's a Sprinter strong enough to support your biggest plans.

While it features a Best-in-Class payload,² the rack-and-pinion steering and independent front suspension will keep you maneuvering the streets with ease. If your big idea needs more hauling capacity, the new **Super Single** tire on the **3500XD** model increases the payload by up to 132 lbs.

Choose between two wheelbases and two payloads, and build the Sprinter Cab Chassis/Cutaway¹³ that works best for you. (Optional dual rear wheel tires shown.)

STANDARD HIGHLIGHTS: HIGHER WADING DEPTH | LOW-RANGE GEAR | V6 TURBO DIESEL ENGINE¹ | LOAD-ADAPTIVE ESP^{®3}

TO GET THE JOB DONE, YOU NEED TO GET TO THE JOB.

Don't let bad weather ruin your good reputation. We're the only manufacturer that will help you get to the job with an on-demand 4-wheel drive commercial van. The Sprinter 4x4 features higher wading depth, a low-range gear, and a V6 turbo diesel engine¹ that delivers powerful torque when you need it most.

Plus, it's the only 4x4 that combines Load-Adaptive Electronic Stability Program (ESP)^{®3} with Electronic Traction System (4-ETS)[®] to help maintain stability and control by adjusting to road conditions. The Sprinter 4x4 is designed to help keep you safe and on time in every season and climate. For other vans, this may seem like going above and beyond. For us, it just means going to work.

The low-range gear accommodates a wide variety of challenging road and weather conditions.

Activated at the push of a button, the Sprinter 4x4 uses 4-ETS[®] to control individual wheels, instantly providing ground-gripping power.

The Sprinter 4x4 option is available in select Cargo, Crew, or Passenger Van configurations.

CLASS-LEADING PAYLOAD² | CROSSWIND ASSIST⁶ | LOAD-ADAPTIVE ESP^{®3} | TWO EASY OPTIONAL PACKAGES

WE WORK FOR A LIVING.

SPRINTER WORKER

Is there a better name for a line of vans? The Sprinter WORKER Cargo Van comes in at a surprisingly low cost of ownership, but is ready to deliver big-time results.

The Sprinter WORKER Cargo Van can hold over 3,500 lbs. of payload and has a maximum cargo volume of 486.5 cu. ft. While the capacities are impressive, the Sprinter WORKER Cargo Van takes it a step further by letting you choose between two different wheelbase lengths. Working hard means staying on the road, and you'll do that as well with an up to 20,000-mile service interval.⁴

Limitations in standard and optional equipment — see your dealer for details.

MOBILE WORKSHOPS | SERVICE INTERIOR VANS | DRY BOX BODIES | DELIVERY VANS | REFRIGERATION VANS | RECREATIONAL VEHICLES | LIMOUSINES | SHUTTLE BUSES | MOBILE OFFICES | AMBULANCES | PARATRANSIT VANS | AND MUCH MORE

IF YOU CAN IMAGINE IT, WE CAN MAKE IT HAPPEN.

MASTER SOLUTIONS™

You're the expert in your trade, and your van is the tool with which to get the job done. MasterSolutions™ allows you to quickly configure your van and order directly via your Freightliner Sprinter dealer to get you exactly the van you want right when you need it, so you can concentrate on finishing the job.

MasterSolutions™ providers Auto Truck, Knapheide, and Smartliner bring you a portfolio of turnkey solutions for your vocation — anything from Sortimo or Ranger shelving to refrigeration or even transportation of people at a preferred price. These preconfigured solutions from industry-leading manufacturers are customized to fit your Freightliner Sprinter. The ordering process is streamlined, and installation is simple: all MasterSolutions™ can be fitted directly as Ship-Thru, ensuring seamless integration, quick delivery, and consistent quality.

MASTER UPFITTER

You have a concept in mind — let a Freightliner Sprinter MasterUpfitter build it for you. Our job is to manufacture a van that is ready to fit your ultimate upfitting needs. With the Best-in-Class cargo volume of the Sprinter² or the impressive 6,521 lbs. of payload of the Sprinter 3500XD Cab Chassis, each Freightliner Sprinter is a blank canvas on which you can create a design to meet your specific needs.

Whether you are in need of a simple work van interior, a mobile veterinarian clinic, or the ultimate RV, Freightliner Sprinter is making you mobile and taking your business to new places.

Qualified Upfitters adhere to the Upfitting Guidelines to become part of the Freightliner Sprinter MasterUpfitter network. These masters of their trade are committed to the highest engineering standards and levels of customer satisfaction. Working with a MasterUpfitter gives you the flexibility to be creative and the assurance that Freightliner is here to support your ideas.

For more details and to configure your upfit, visit www.freightlinersprinterusa.com/freightliner/discover/upfitters-and-upfit-solutions

RETAIL LOAN | COMPLETE ADVANTAGE LEASE¹⁵ | FMV LEASE | TRAC LEASE¹⁶ | ZERO-TRAC LEASE¹⁷

SIMPLIFIED — AND SMART — FINANCING SOLUTIONS.

Through Daimler Truck Financial, we offer a variety of financing products and solutions with flexible benefits and competitive rates tailored specifically to meet the needs of your business.¹⁸

For more information, visit: www.freightlinersprinterusa.com/freightliner/shopping-tools/finance-solutions

Retail Loan

These simple-interest, fixed-payment packages lock in interest rates and can include van and upfit equipment, as well as aftermarket products, in one contract.

Complete Advantage Lease¹⁵

Everyone has a budget, and when it comes to running your business, you can appreciate the value of even, predictable expenses. Complete Advantage Lease¹⁵ offers one consistent payment for your leased vehicle and includes coverage for preventive maintenance and wear and tear items plus an Extended Limited Warranty. Complete Advantage Lease¹⁵ includes:

- Fixed monthly payment
- Preventative maintenance
- Extended Limited Warranty coverage
- Replacement of common wear items
- Roadside Assistance
- Service from factory-trained technicians
- No acquisition fee or up-front payment
- No turn-in fee

FMV Lease

- A closed-end lease agreement is also known as a “walkaway lease,” since the lessee can simply turn in the vehicle and walk away at lease maturity after meeting all of the obligations of the contract, subject to certain return conditions and mileage restrictions.

TRAC Lease¹⁶

- A Terminal Rental Adjustment Clause (TRAC) Lease¹⁶ doesn’t require any acquisition fee, up-front payment, or excess mileage charges, and lease payments may be expensed against income.
- Owners are responsible for the residual value of the vehicle.

Zero-TRAC Lease¹⁷

- Offers many of the same benefits as a TRAC, but is a fully amortized lease that offers ownership of the vehicle at lease end with little or no cash outlay.

VANCARE | MAINTENANCE PLANS | ROADSIDE ASSISTANCE¹⁹ | CHOOSE YOUR PLAN

TAKING CARE OF YOU, SO YOU CAN TAKE CARE OF BUSINESS.

VanCARE is a promise to our customers to deliver genuine parts, superior service, and unparalleled commitment to getting you back on the road as quickly as possible. We know that for you, it isn't a van — it's a tool you need to make a living.

Maintenance Plans

Save money on routine maintenance,* lock in costs for parts and service, and choose from flexible payment options. We took our most popular maintenance plans and lowered costs, meaning you save even more on regular maintenance. Sign up anytime and get a customized plan that adjusts to your driving needs — and forget model year eligibility limits.

Don't get prepaid service. Get a maintenance plan. The only one that comes with certified Freightliner Sprinter technicians who use Genuine Freightliner Sprinter Parts.

*Versus paying for services as you go. Potential savings vary by dealer.

Roadside Assistance¹⁹

All Freightliner Sprinters come standard with our 24-hour Roadside Assistance Program¹⁹ and expert advice 24/7 through the Daimler Customer Assistance Center, providing you peace of mind and help when you need it most. Roadside Assistance¹⁹ covers your Sprinter — even after the warranty period (additional charges apply).

ACCESSORIES

Sprinter accessories add even more brains and brawn to the hardest-working vehicle in the business. Below is a selection of the accessories you can add to maximize productivity and keep your Sprinter ahead of the pack.

All-Season Front Floor Mats

Designed to seamlessly fit your Sprinter Van's contours, these rugged, dirt-repellent natural rubber floor mats protect your Sprinter from water, snow, slush, and mud. Set of two. Slip-free. Embossed logo.

Becker® MAP PILOT® Navigation System²⁰

This advanced navigation upgrade fully integrates with your Sprinter's in-dash displays and steering-wheel controls. Speech recognition allows for hands-free navigation input. Vivid maps offer a detailed view of street names and points of interest.

Trailer Hitch

Take advantage of your Sprinter's considerable hauling capacity with a trailer hitch designed specifically for your model. Features a corrosion-resistant surface treatment for long life.

Stowage Box (for Twin Co-Driver Seat)

Extra space is right at hand. Raise the seat cushion of the twin co-driver seat, and secure and store important items within easy reach. Crafted from rugged ABS plastic.

ENDNOTES

MY18 Sprinter delayed availability. All Sprinter specifications are for 6-cylinder engine only. Sprinter 3500XD Cargo and 3500XD Cab Chassis specifications include standard Super Single tires. Sprinter Passenger and Crew Van specifications include standard laminated glass.

- Requires the use of ultra-low-sulfur diesel fuel. Freightliner Sprinters are approved to use B5 biodiesel (approved diesel fuel with a maximum 5% biodiesel content). The only approved biodiesel content is one that both meets ASTM D6751 specifications and has the oxidation stability necessary to prevent deposit-/corrosion-related damages to the system (min. 6h, proven by EN14112 method). Please see your service station for further information. If the B5 biodiesel blend does not clearly indicate that it meets the above standards, please do not use it. The Freightliner Sprinter New Vehicle Limited Warranty does not cover damage caused by fuel standards not approved by Freightliner.
- Based on a comparison of full-size commercial vans at the time of print.
- No system, regardless of how advanced, can overcome the laws of physics or correct careless driving. Please always wear your seat belt. Performance is limited by available traction, which snow, ice, and other conditions can affect. Always drive carefully, consistent with conditions. Best performance in snow is obtained with winter tires.
- Driver is responsible for monitoring fluid levels and tire pressure between service visits. See Maintenance Booklet for details.
- From 2014 Sprinter 3500 Cargo Review on Kelley Blue Book's KBB.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc.
- Crosswind Assist can engage automatically when sensing dangerous wind gusts at highway speeds exceeding 50 mph. Performance is limited by wind severity and available traction, which snow, ice, and other conditions can affect. Always drive carefully, consistent with conditions. Feature not available on 3500 and 3500XD models.
- Warning: the forces of a deploying airbag can cause serious or fatal injuries to a child under age 13. The safest seating position for your child is in a rear seat, belted into an appropriate, properly installed child seat, or correctly wearing a seat belt if too large for a child seat. See Operator's Manual for additional warnings and information on airbags, seat belts, and child seats.
- Rearview camera does not audibly notify driver of nearby objects and is not a substitute for actively checking around the vehicle for any obstacles or people. Images displayed may be limited by camera field of view, weather, lighting conditions, and the presence of dirt, ice, or snow on the camera. Not available on Cab Chassis/Cutaway.
- Lane Keeping Assist may be insufficient to alert a fatigued or distracted driver of lane drift and cannot be relied on to avoid an accident or serious injury.
- COLLISION PREVENTION ASSIST may not be sufficient to avoid an accident. It does not react to certain stationary objects, nor recognize or predict the curvature and/or lane layout of the road or every movement of vehicles ahead. It is the driver's responsibility at all times to be attentive to traffic and road conditions, and to provide the steering, braking, and other driving inputs necessary to retain control of the vehicle. Drivers are cautioned not to wait for the system's alerts before braking, as that may not afford sufficient time and distance to brake safely.
- Blind Spot Assist may not be sufficient to avoid all accidents involving vehicles in your blind spot and does not estimate the speed of approaching vehicles. It should not be used as a sole substitute for driver awareness and checking of surrounding traffic conditions. Not available on Cab Chassis/Cutaway.

- Unsecured cargo can become hazardous in a collision. Always secure cargo.
- Must select Cutaway packages F05 or F08.
- MasterSolutions™ program vehicles are custom, special-order only vehicles modified by the MasterSolutions™ Provider chosen by you. Although the Daimler Vans warranty does not apply to the modifications, separate warranties, offered by the MasterSolutions™ Provider, may apply. Details are available from your local dealer.
- Complete Advantage Lease is not available in Virginia, Washington, Wisconsin, and California. Program coverage is based upon the terms and mileage of selected lease. All service must be provided by an authorized Freightliner Sprinter dealership in the U.S.
- TRAC leases are limited to motor vehicles leased to businesses and used at least 50% of the time for business purposes. Consult your tax or financial advisor for tax and accounting treatments.
- In some states, this is a taxable transaction at lease end. Sales taxes on the purchase will be due in some states. Check with your tax advisor for details.
- Actual rates, terms, down payment, and program eligibility will be determined by the Daimler Truck Financial Credit Team based upon creditworthiness of customer.
- The Sprinter Roadside Assistance Program is available for vehicles covered under warranty and includes such services as towing, jump-start in the event of a dead battery, and assistance with the installation of a spare tire. Service charges apply for out-of-warranty vehicles.
- Pre-wiring code EV6 required.
