PIONEER OF WEARABLE SPORTS TECHNOLOGY

### MADE FOR LIFE, DESIGNED FOR SPORTS

#### WRIST-BASED HEART RATE

Polar M600 features the proprietary Polar wrist-based heart rate measurement technology, optimized for Polar M600. Training with Polar M600 is convenient and easy. Simply tighten the band and you're ready to train.

#### INTEGRATED GPS

Track your speed, distance and route with the built-in GPS.

#### RUNNING PROGRAM

Train for a running event with a personal and adaptive training plan in Polar Flow. Choose from four different targets, 5K, 10K, half marathon and marathon, and get a training plan that fits you and your goals.

#### POLAR FLOW APP AND WEB SERVICE

Keep track of your daily activity, sleep, calories burned, training sessions and much more. Get instant feedback about your latest training session and overall activity. Stay motivated by seeing how far you've come.

#### More with Android Wear

Built on Google's Android Wear smartwatch platform, Polar M600 lets you make the most out of the ever-expanding world of Android Wear with apps for every need.
