

Harmony Health Plans Enters into Value-Based Contract with Oak Street Health Clinics

CHICAGO and TAMPA, Fla. (Feb. 24, 2016) — Harmony Health Plan, a wholly-owned subsidiary of WellCare Health Plans, Inc. (NYSE: WCG), and Oak Street Health, Chicago-based primary care clinics designed for adults with Medicare, today announced an agreement that aligns incentives to drive quality and improve health outcomes for Harmony's Medicare members.

This partnership represents a new standard of collaboration that is designed to improve health outcomes and provide better experience of care for patients and their families. Under the agreement, Harmony will provide incentive payments to Oak Street Health for quality-based improvements in certain Healthcare Effectiveness Data and Information Set (HEDIS[®]) measures, a tool used by more than 90 percent of America's health plans to measure performance on important dimensions of care and service.

"Harmony and Oak Street Health share a commitment to delivering quality care and positive health outcomes for Medicare recipients," said Dr. Robert Hilliard, Jr., president of Harmony Health Plan. "Quality-based reimbursements represent a new standard of collaboration between managed care organizations and providers, better aligning payment with the value of care and health outcomes achieved."

"Oak Street Health is thrilled to partner with Harmony and WellCare," said Bill Higgins, Oak Street Health vice president of marketing. "We are committed to bringing high-quality primary care to seniors who need it, via an experience focused on keeping patients healthy, and believe that working with WellCare will help advance this mission and will help us serve more seniors."

As of Dec. 31, 2015, WellCare and Harmony Health Plan serve approximately 215,500 members in Illinois, including 168,000 Medicaid members, 15,500 Medicare Advantage plan members, and 32,000 Medicare Prescription Drug Plan members.

HEDIS[®] is a registered trademark of the National Committee for Quality Assurance.
